TOWN BOARD MEETINGS

Selectmen

Meets every Tuesday at 7:30 in the Main Meeting Room, 126A, of the Town Hall.

Finance Committee

Meets on Mondays and Thursdays at 7:30 p.m. in the Town Hall.

School Committee

Meets on the first and third Mondays at 7:30 p.m. in Meeting Room 126A of the Town Hall.

Planning Board

First and third Thursday at 7:30 p.m. in Meeting Room 126A of the Town Hall.

Board of Health

Meets on the second and fourth Tuesdays at 7:30 p.m. at Room 112 in the Town Hall.

Sewer and Water Commission

Meets every Wednesday at 7:30 p.m. in the Town Hall in Meeting Room 112.

Board of Appeal

Meets on the first and third Wednesdays at 7:00 p.m. in the Town Hall in Meeting Room 126A.

Personnel Board

Meets on the first and third Mondays at 7:30 p.m. in the Town Hall in Conference Room 122.

Board of Assessors

Meets every Wednesday at 7:30 p.m. in the Town Hall.

Library Trustees

Meets on the third Tuesday at 7:30 p.m. in the Main Library on Common Street.

Housing Authority

Meets on the first Monday at 7:30 p.m. at the Housing for the Elderly Project, Diamond Pond Terr.

Conservation Commission

Meets on the second and fourth Wednesdays at 7:30 p.m. in the Town Hall in Meeting Room 126B.

Industrial Commission

Meets every second Tuesday at 8:00 p.m. in the Town Hall in Conference Room 208.

Council on Aging

Meets on the fourth Thursday at 3:00 p.m. in the Council on Aging Room in the Town Hall.

Recreation Committee

Meets on the second Thursday at 7:30 p.m. in the Town Hall.

Historical Commission

Meets on the fourth Thursday (except July, August) at 7:30 p.m. at Deacon Lewis House.

Sidewalk Committee

Meets at the request of the Chairman.

(Meetings Subject to Change)

GENERAL GOVERNMENT

BOARD OF SELECTMEN – (Front Row): William T. Hamilton, Paul A. Palermino, Joanne F. Damish (Back Row):
William J. Maloney, Jr., Evelyn Splaine, Secretary, Joseph Germano, and Town Administrator, James R. Merriam

BOARD OF SELECTMEN

The 1990 May election added William J. Maloney, Jr. to the Board of Selectmen for a one-year term. Paul A. Palermino was appointed Chairman and William T. Hamilton, Clerk. The Board acknowledges its indebtedness to its Licensing Secretary, Clare Abril and its Executive Secretary, Evelyn Splaine for their continued dedicated support.

1990 has been a year of challenges and accomplishments. We have continued our concentrated efforts and have spent an inordinate amount of time in our battle against the siting of a sludge facility in the Town of Walpole. The Massachusetts Legislature voted down the transfer of MCI Walpole property over to the MWRA — a major accomplishment. The Board thanks all of those whose efforts have contributed to this success. We will continue to battle against the MWRA's efforts to Clean up Boston Harbor at the cost of Walpole's environment. Walpole Still Won't Budge — No Sludge.

A continuing challenge has been to support Town Government and continue Town Services to its residents in spite of the severe cut-backs in Local Aid from the State. Thanks to the ceaseless efforts, foresight and creativity of our Town Administrator, James Merriam, we were

able to maintain the quality of service our citizens have come to expect.

Another accomplishment in the year 1990 is the successful implementation of the volunteer recycling programs. The Board commends Robin Chapell, Health Agent, the Board of Health, and all of those in the Health Department for their efforts in developing these programs. The Board also thanks the citizens of the Town of Walpole for making the personal contribution of their time and effort which made these volunteer recycling programs a success: Leaf Composting Program, Household Hazardous Waste Day, Newspaper Recycling Program, Earth Day, Christmas Tree Collection, Spring Clean Up Day and the Monthly Recycling Drop Off Program. We thank you for caring.

As always, we continue to focus on all of the issues brought before us and welcome your correspondence.

The Board of Selectmen thank all of the Town employees and the citizens who volunteer their time to serve on the numerous Boards and Committees without whom the Town would not progress.

TOWN ADMINISTRATOR

I hereby respectfully submit my 1990 Annual Report as well as complete my thirteenth year of dedicated service to you, the fine citizens of Walpole.

This year continued to require the active involvement of many devoted elected, appointed and volunteer citizens to fulfill the mission of our community in order to serve you. In addition, the community was truly blessed by a very talented staff of hard working employees who accomplished many goals which make the Town of Walpole a very special place to live.

High upon our community's priority list and that of the Town of Norfolk was the goal of prohibiting the construction of a sludge landfill on MCI Cedar Junction property, as proposed by the Massachusetts Water Resources Authority. While the fight is not yet over, the year ended with a tremendous victory at the State House on December 10th, in which our State Representative, Francis Woodward led the successful vote to defeat the bill which would have transferred this land to the MWRA.

In addition to the sludge landfill battle, 1990

required several Annual and Special Town Meetings to adjust the total budget appropriations downward to reflect reduced State Aid allocations and failed ballot question overrides. Thus it required painful decisions regarding which Municipal and School services to reduce and or eliminate as the Massachusetts economy slid into a deep recession.

In spite of the depressed economy, our community received its first allocations of a 2.4 million dollar Prison Expansion Grant from the Commonwealth which was applied to many needed capital expenditures, including a new Fire Department ladder truck, Chevy Suburban, and Base Radio Station. The Police Department added two new cruisers as well as a new Computerized Management Information System. The Department of Public Works allocated their funds primarily to resurfacing many primary roads, including sections of Main Street, Fisher Street, Bullard Street, Plimpton Street, County Street and Water Street, which also included a new water main with an emergency connection to the Town of Foxboro. Another Public Works

project this year was the installation of a new gravity sewer from Washington Street to Alice Avenue, thus eliminating the need for that Sewer Pumping Station.

Our office was also proud of its work with the Permanent Building Committee to renovate and add to the Boyden Elementary School in South Walpole for a successful reopening in September.

In addition to the Boyden School Renovations, our public buildings were retrofitted with new energy saving light fixtures, thanks to the efforts of Building Superintendent, James Clerici and Boston Edison Company, at a substantial savings for all of the taxpayers. Mr. Clerici also retrofitted many plumbing fixtures in order to meet our water conservation goals.

Fire Chief, Leonard Anderson is also to be credited with the money saving idea of implementing a Central Fuel Depot for our diesel fleet.

Regarding our water supply, progressive steps were taken to improve our water quality as well as expand our supply. Parker Hannifin, formerly Metal Bellows Corporation, paid for the installation of a Granulated Activated Carbon Treatment Plant to remove all volatile organic

compounds from Washington Well No. 6. In order to improve the supply, the Water and Sewer Commissioners proposed and Town Meeting approved the construction of Neponset Well No. 1 which successfully passed its pump test at a rated capacity of approximately 800,000 gallons per day, ranking it as one of our largest wells. Town Meeting also approved the construction of a three million gallon concrete storage tank off Old Post Road.

While overall construction was down because of the economy in 1990, a notable exception was New Pond Village, a Life Care Continuum, located at Main and Bullard Streets, who received its first residents in December.

A special note of recognition goes to Health Agent, Robin Chapell for her outstanding efforts with the Town's Recycling Program, both in the local monthly volunteer program as well as serving as Vice Chairman of the Millis Consortium, a regional plan to construct a materials recovery facility.

Finally, I must note my appreciation to the professionalism of Assistant Town Administrator Charles Aspinwall, who left in December to become the Town of Millis' first Town Administrator. He served our office and our community with distinction.

Once again, I wish to express my sincere gratitude to the Board of Selectmen who work tirelessly on your behalf, for their continued support which allows me the privilege of serving you as your Town Administrator. I am always appreciative of the employees in my office, Jean St. George, Patricia Joseph, Dorothy Jackson, and James Conroy who give their best effort to serve our community.

BOARD OF APPEALS

The Zoning Board of Appeals is a permit granting authority appointed by the Board of Selectmen and has all of the powers and duties prescribed under Chapter 40A of the Massachusetts General Laws, as amended and as allocated under Section 8 of the Zoning By-Laws of the Town of Walpole. The Board of Appeals may:

1. hear and decide applications for Variances with respect to land or structures,
2. hear and decide applications for Special Permits,
3. hear and decide applications for Site Plan Approval, and
4. hear and decide appeals from decisions of administrative officials of the town made under the Zoning By-Laws.

In granting any of the above, the Zoning Board of Appeals must act within the time constraints and specifications of the General Laws and the Zoning By-Laws. The Board of Appeals may impose conditions, safeguards, and/or limitations as part of its approval of any application.

The Board holds public hearings for all applications and makes its decisions only after the public hearing is closed. The Board is responsible for providing public notice of all hearings. This is done by publishing a legal notice in the local newspaper. In addition, notice is sent by mail to the petitioners, abutters, and owners of land adjoining the land of abutters within 300 feet of the property line. A copy of the notice is also sent to various other town boards, as appropriate.

The hearings held by the Board of Appeals are open to the public. Any person, whether entitled to notice of the meeting or not, may appear in person, by agent, or by attorney to be heard. Written testimony may be submitted to the Board at any time prior to the close of the public hearing.

All decisions of the Board are in writing and are filed with the Town Clerk and with the Building Inspector. Notice of the decision is also provided to applicants, anyone who was entitled to notice of the public hearing, town departments, and boards as appropriate, and to any other interested party who specifically requests such notice.

The Board consists of five regular members, and currently two associate members. Associate members may vote (as appointed by the Chairman for any specific case) in the absence, inability to act, or conflict of interest on the part of any regular member. Decisions of the Board require a four out of five approval. A liaison from the Engineering Department may also be in attendance at public hearings as a resource.

Board members usually attempt to view the site in question prior to a public hearing. The Board takes each case on its own merit and deliberates extensively to assure that a proper decision is finally developed.

The Board normally meets on the first and third Wednesday of the month at 7 P.M. in the Main Meeting Room of Town Hall. Applications, information, or any other assistance regarding zoning may be obtained from the Board's Administrative Assistant or from the office of the Town Clerk for a nominal fee.

The volume of Variance and Special Permit decisions in 1990 increased from the previous year. Site Plan decisions also increased from the 1989 volume.

The following statistics summarize the Board of Appeals activity for 1990:

VARIANCE DECISIONS	59
SPECIAL PERMIT DECISIONS	68
AMENDMENTS/APPEALS	1
DETERMINATIONS/REVIEWS	4
REMANDS	1
SITE PLAN APPROVAL DECISIONS	29
MEETINGS HELD	33
TOTAL CASES	64

The Board would like to thank the Building Inspector, the Engineering Department and other town boards for their assistance during this past year.

PROTECTION OF PERSONS AND PROPERTY

POLICE DEPARTMENT

The Walpole Police Department is pleased to submit this annual report for the year 1990.

After serving the community for 36 years Officer James Honohan retired on October 19, 1990. During his career, Jim was an asset to the department and was a conscientious and dedicated officer.

In December, Janet L. White became our first night civilian dispatcher. Janet had been a dispatcher with the Norwood Police Department and Santa Ana, California Police before joining our staff.

In July, the Police Department purchased a computer system and started the process of training. The system is based on Digital hardware with PoliceServer software. All records were transferred from the manual based system to the computer and currently all police business is recorded into the computer. This is a tremendous benefit to the community as well as the police department. Police officers on the street are able to instantly get information that enhances their safety and increases their effectiveness. Officers are able to quickly return to patrol

since the system automatically produces all required paperwork.

Training is again a high priority with this department. It is a very important means of keeping abreast of the many new laws that are enacted, court decisions handed down and police procedures to be followed. With this in mind, all officers are required to attend a forty hour in-service training program conducted at the South Suburban Police Institute at Foxboro.

During the past year many officers attended or were assigned to various seminars and special training programs dealing with law enforcement. Several officers continued to enroll in institutions of higher learning with the objective of obtaining a degree in law enforcement.

I will take this opportunity to commend all members of the department for their performance and the spirit of cooperation during the past year.

The following is a list of statistics that will give you some indication of the various types of police activity that took place during 1990.

POLICE STATISTICS

	1990		1989	
	Number	Dollar Value	Number	Dollar Value
Ambulance Calls	758		824

Respectfully submitted:

Armando J. Betro, CHIEF OF POLICE

Dispatcher Joyce McCormick working the phones.

Dispatcher Janet White at the dispatch console.

Sgt. William Fitzgibbons at the computer.

ANIMAL CONTROL OFFICER

It is with great pleasure that I submit the Town Annual Report for the year of 1990.

All dogs are to be licensed on January 1st of each year. After May 1st if a dog is not licensed, the owner of the dog will be charged a late license fee. In 1990 we have received license fees and late fees. This has generated more revenue for the Town of Walpole. This is the 4th year that we are not in the Norfolk County Dog Fund. As a result of this action the Town will keep all the money generated from fines, late fees and the dogs that are licensed. This reduces the cost of running this department considerably.

Lost dogs	177

FIRE ALARM

Arthur H. Thomas	William Connolly
------------------	------------------

SECRETARY

Barbara A. Kaszanek

Emergency medical calls for ambulance service decreased slightly from 827 calls in 1989 to 795 in 1990. The department supplied mutual aid ambulance to surrounding towns 36 times and received aid 51 times. Collected ambulance fees totaled \$70,640.00.

The Advanced Life Support Service operated by the Paramedics out of Norwood Hospital responded to 378 medical calls and were utilized in 185 incidents this year.

Helicopter medical evacuation service by Boston Med-Flight was used on two occasions and by Worcester Life-Flight on one occasion.

The department experienced a number of serious structure fires, several of which were caused by arson, resulting in a significant dollar loss.

The department again hosted the Annual Night Before the 4th celebration for the 33rd year, which continues to be a well attended and received event. The performance put on by the Christian Life Center Chorus was a great success. We appreciate their generosity and that of all those volunteers who devote their time and efforts in order to stage this celebration.

Fire Prevention and Fire Safety under Lieutenant Manocchio continued throughout the year, including our Annual Open House held in October. In addition, the Lieutenant with the assistance of Firefighters Stephen Smith, Frederick Weinkauf and Timothy Bailey visited all students, K - 6, in all schools delivering a fire safety lecture and demonstration. Many industrial and commercial concerns were also visited and instructed in Fire Safety and in the use of fire extinguishers.

Training continued throughout the year with many members attending seminars in various aspects of Fire Science throughout the state and in New Hampshire. In addition, several members continued to attend an intensive Train the Trainer Program in Hazardous Incident Control, held in Westwood sponsored by the Norfolk County Fire Chief's Association. Federal regulations mandate 24 hours of Hazardous Material Incident Training for each member per year. Firefighter Timothy Bailey attended and successfully passed an intensive 160 hour Hazardous Materials Course which was conducted at the Maritime Academy in Bourne by the Massachusetts Fire Academy. He is now a member of Fire District 4, Hazardous Materials Incident Control Team.

We replaced the department's utility vehicle, a 1979 4-wheel drive pick-up truck with a 4-wheel drive Suburban Type 4 door unit. This allows us much more versatility, especially in transport of fully equipped firefighters and all the equipment and gear necessary at a fire scene.

The amount of fees collected for the year were:

Ambulance	\$70,640
Smoke Detectors — New	2,718
Tank Trucks	520
Flammable Storage	440
Blasting Permits	60
Underground Storage	300
Fire Reports	445
Oil Burner Permits	620
Master Box Fees	7,120
Total	\$82,863

There were a total of 2,332 incidents for the year, this figure does not include car lockouts.

FIRE ALARM DIVISION

Through funding provided by the Prison Expansion Grant, we were able to replace our primary and backup base radio transmitters with new Motorola units thus improving radio communication reliability.

The division continued with alarm box testing and repair, pole line maintenance and repair, radio and intercom repair and maintenance with daily circuit testing with proper record keeping.

Pole relocations continued as always, with

Boston Edison and New England Telephone replacing many poles throughout Town.

Radio communication reliability continues to be an important part of this division's responsibility. We have, at this time, two base transmitter/receivers with eleven remote transmitter/receivers, 19 mobile sets, 17 portables, 41 tone pagers and 22 home alert receivers.

Two new master fire alarm boxes were connected to the system. They were:

5641 — New Pond Village

5642 — New Pond Village, Skilled Nursing Facility

There are now 78 master boxes on the system. We also replaced ten street fire alarm boxes in several areas resulting in a total of 141 boxes on the system.

BOARD OF HEALTH

The Board of Health and Health Department has had an extremely busy and productive year as they continue in their efforts to promote public health, prevent disease, and protect the environment.

Susan Fitzgerald is serving her second term as chairperson. We want to wish her husband, Jim Fitzgerald, a speedy and full recovery! The Board wishes to express their thanks to Mary Ciapciak and Carol Michetti, former Board members, for all the time they devoted to the Board. Joanne Muti and Joseph Hughes (associate) are our newest members. Charles Jones (former associate member) is now a full member. Other members include: Donnell Murphy, Alvina Baxter-Moran, Robert Adler (associate) and Phil Ross (associate). Collectively the members and associate members bring valuable knowledge to the Board of Health. The Health Department personnel, Linda Shea, Deputy Health Agent, Gail Nixon, Sanitarian, and Patricia O'Connell, Administrative Secretary, have excelled in carrying out their responsibilities for the Town.

1990 was the year the world celebrated the twentieth anniversary of Earth Day and the

Town of Walpole was no exception. The Health Department, with the help of the Town Planner, Conservation Agent, Library Director, DPW, and volunteers, organized Earth Day events in which the Town could be proud of. The highlights included an Earth Day fair where entertainment was provided by the H.S. Band and "Earth Tunes" (which was paid for by the Walpole Arts Lottery). Booths were exhibited to provide residents information on environmental issues. In addition, residents had the opportunity to plant seedlings around Town, participate in forest or conservation walks, join in the earth pull, or enjoy a pony ride. Further, winners of the Recyclable Art contest and poster contest had their works displayed. All who took part in the events had a good time.

The Health Department continued in its recycling education efforts for the Town which included many trips to the schools and disseminating information.

The monthly recycling collection days were expanded to accept newspapers, glass, corrugated cardboard, food and beverage tins, and HDPE plastic. Thanks goes to the numerous volunteers who dedicated their time in making this a suc-

Ms. Weber's third grade class
participates in the Earth Day Fair.

"Earth Tunes" teaches our children
to take care of our earth.

cessful program. About 15% of the residents of Walpole recycles.

Walpole joined twenty other communities in the Millis Recycling Consortium which is working toward a long-term recycling contract for its member communities. Robin Chapell, the Town's Health Agent, has been elected vice-chairman of the "Consortium" and chairperson of the Procurement Subcommittee for the Consortium.

The fifth annual Household Hazardous Waste Collection Day was successful. Residents were encouraged to dispose of their car batteries, tires, oil, and other household hazardous materials. In addition, the Health Department organized a Paint Drop 'n Swap on the same day. Over 350 families participated in this event. The Board of Health received a grant for \$1,000 from the Norfolk County Conservation District as well as a \$500 gift from Hollingsworth & Vose to help defray costs for this event. A very special thank you goes to Nancy Farris and the League of Women Voters for promoting and manning the collection.

The Walpole, Norwood, and Foxboro Health Departments jointly organized a pool seminar for managers and lifeguards of semi-private swimming pools in Walpole and surrounding communities with the goal of providing better safety, sanitation and pool care for the users in these communities. Water has been well documented as a vehicle for disease transmission. The Department conducts frequent inspections of semi-public swimming pools and provides education to minimize risk of this occurring.

The Health Department provides Right-to-Know training for municipal employees.

This year the Health Department continued to sponsor numerous choking seminars for employees of restaurants.

The first step in the control of 9 communicable diseases is its rapid identification followed by prompt notification of the local health authority by the medical profession. Reporting of these diseases is required by law and essential in order that appropriate control measures may be implemented should the situation warrant such action.

	Communicable Diseases Reported	
	1989	1990
Animal Bites	20	22
Chicken Pox	217	220
Hepatitis	0	0
Meningitis	1	0
Salmonella	1	0
Fifth Disease	3	3
Streptococcal Infections	9	10
Scarlet Fever	0	5
Pertussis	1	0

Inspections have been a major activity of this department. The goal of housing inspections remained constant — to insure housing that is dry, safe, warm, clean, and free from disease carrying vectors such as insects and rodents.

The goal of food and retail establishment inspections are to make sure that the establishment is clean and food is prepared properly to prevent food-borne illnesses. Throughout the year, a number of complaints relating to housing and food were reviewed and investigated.

The Department makes every effort to investigate all legitimate complaints. Follow-up action varies from the issuance of orders to taking the responsible party to court.

The Board of Health has been busy reviewing Notice of Intents, subdivision plans, and septic plans. The Board also oversees three ground-water monitoring programs in Town, the mandatory sewer hook-up program, underground storage tank program, and a toxic and hazardous materials program, as well as oversees all accidental spills in Town.

The need for a good preventive health program has long been widely recognized. The Walpole Health Department contributed to the Walpole High School Health Fair. The Board, in contract with the State, provides a wide variety of biological supplies including vaccines and diagnostic test kits to Walpole physicians, the school department, pediatric clinics, and industrial medical departments. In addition, the Town contracts with the Visiting Nurse Association, Norfolk Mental Health, CCC & E, and SCNARC.

The Board, in contraction with these three agencies, are able to provide many very needed services to Walpole residents.

Through its partnership with the Norfolk Mental Health Association, the Town of Walpole is able to guarantee its residents – children, youth and adults – access to an integrated network of quality outpatient mental health services. Town contribution enables Cutler

Counseling Center, a comprehensive outpatient clinic sponsored by the Association, with limited support from the State Department of Mental Health, Department of Alcoholism, and Department of Social Services, to provide a wide range of counseling services to citizens who need them at fees based on their ability to pay.

The Norfolk Mental Health Association is a private non-profit corporation, governed by a citizen Board of Directors, who represent each of the twelve towns in its service area: Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of Norfolk Mental Health Association available to Walpole residents are: CUTLER COUNSELING CENTER, with offices in Norwood and Wrentham, has a large multi-disciplinary staff serving individuals, couples and families. Services include evaluation, referral, treatment, educational and support groups (e.g. Widowed Lifeline, Gymn Program for children, Social Rehabilitation, Divorce-Separation Workshops, Stress Management), children and adolescent groups, as well as consultation and training services to community agencies, schools, and local industries; PROJECT HIRE, a sheltered locational rehabilitation facility for people with emotional, developmental, or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered long-term employment, and transitional employment and job placement; PARENT-TODDLER PROGRAM, and educational and supportive experience for parents and their children from birth to age 3; PARENT-AIDE PROGRAM, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence, parents at risk of abusing and neglecting their children; COMMUNITY EDUCATION AND INFORMATION, offering publication of an informative newsletter, 'The Reporter', speakers for community meetings, workshops, consultation and educational materials.

During fiscal year 1990, Cutler Counseling Center provided direct services to 337 people from Walpole. The total value of these services was \$170,463 of which the Town of Walpole allocated \$10,560. In the past year, people from Walpole who came to us for assistance

NORFOLK MENTAL HEALTH ASSOCIATION, INC.

were often referred by friends, neighbors or family, may have read our newsletter, or were referred by clergy, school, physicians, or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relationships, school or behavior-related problems, alcohol or drug abuse, work-related problems, and acute or chronic mental illness.

The Norfolk Mental Health Association Board of Directors includes John F. Sheehan from Walpole.

Project FACE changed its name to 'Center For Community Counseling and Education, Inc.' (C.C.C. & E.). CCC&E provides a multitude of services for the residents in Walpole. The Department of Social Services (DDS) contracts with CCC&E to provide services to children and families in Walpole who are dealing with a variety of stressful situations. The contract for services with DDS is a partnership program that requires an additional 25% of the yearly funding, which the Board of Health provides. In addition, CCC&E is available to provide individual, family, and group therapy as needed. CCC&E also acts as a referral service for the residents. In addition, CCC&E staff are available to respond to crisis situations. CCC&E clinicians are trained to deal with crisis' such as expression of suicidal intentions, anxiety attacks, and acute alcohol or drug intoxication. CCC&E also serves as the outpatient referral site for Walpole High School students identified at risk for drug/alcohol abuse, suicide, and other at-risk behaviors.

The South Norfolk County Association for Retarded Citizens, Inc. (SNCARC) is a dynamic, vigorous organization run by and for local citizens, dedicated to the dignity and potential of all people. Its function is to advocate for the rights of mentally retarded and developmentally disabled citizens of Walpole (and the other communities in its location) and to provide or obtain quality services to individuals and their families. SNCARC provides a comprehensive and integrated network of services, designed to address a wide range of needs and developmental levels. They are able to accomplish this by providing respite care, early intervention programs, Norfolk Industrial Services (which consists of pre-vocational, work adjustment, sheltered employment, and supported employment services, Day Habitation services, residential services, clinical services, and recreational services.

The Board of Health avails itself to the services of Dr. Goodband, DVM, the Town's Animal Inspector.

In 1990, thirty-four dogs and cats were examined for being under suspicion of having rabies. None of these animals showed positive rabies symptoms and were released after a required ten day period. Reports of these animal bites were forwarded to the Division of Animal Health, Boston, MA as were the release reports. Two dogs, reported to have bitten a person, could not be identified and therefore was not quarantined.

One racoon, having bitten a person, was microscopically examined for nigri bodies and was found negative for rabies.

The annual "Barn" inspections were performed on forty-four permit holders. Only thirty-two of these have animals at present with a census as follows:

Dairy cows, calves & bulls	40
Beef cattle	54
Horses	56
Ponies	6
Goats	8
Sheep	31
Swine	11
Poultry	775
Ducks	35
Geese	27
Rabbits	50
Pigeons	35

The barn inspection reports were forwarded to the Director of Animal Health, Boston, MA.

The annual Walpole Rabies Clinic was held April 7, 1990. Ninety dogs and twenty-four cats were vaccinated, a slight increase over 1989.

There were no new farm animals entering Walpole from out-of-state.

Professional advice was given to the Board of Health and the Animal Control Officer.

The Board of Health wishes to thank all agencies and Town departments for their helpful cooperation and assistance throughout this past year.

VISITING NURSE ASSOCIATION

PATRICIA GRUGNALE, R.N., B.S.N.,
Home Health Aide Supervisor

The Walpole Area VNA has experienced an astounding 40% growth in overall visits in 1990. The total number of visits was 21,000 in 1989 and was approximately 29,000 in 1990. The clinical staff has increased accordingly. Referrals have increased by 25-30% most significantly from the Boston hospitals. Despite this growth, overall operations of the WAVNA continue to be efficient and effective.

The move to a new location in March has had a positive impact on the entire agency. Errors and interruptions have decreased with the noise level. There are now two office treatment rooms, a pleasant waiting area, and a large and comfortable classroom. The classroom is an excellent area for the childbirth education classes, other classes and educational programs. There is ample parking with two spaces reserved specifically for our office patients. The building, itself, is handicap accessible.

The agency is fortunate that it has been able to recruit staff to keep pace with increased visits. WAVNA has been able to recruit therapy staff to meet patient needs at a time when many hospitals and other VNAs are forced to establish waiting lists for patients requiring therapy.

In addition to established services, WAVNA

increased its offerings of childbirth education classes, breastfeeding classes, prenatal and postnatal exercise classes, and cholesterol screenings. A new class, Infant/Toddler Safety and CPR has been very popular, especially with new parents. Office hours have been expanded and are now held daily, Monday through Friday.

WAVNA continues to provide programs in health promotion to all age groups in addition to traditional home health services. The four major components of the Health Promotion Program are:

1. **Health Maintenance for the Elderly** — Promotion of good health and maximum functioning for all residents over 60 years of age. Elderly residents who are homebound and have multiple chronic illnesses or conditions, but do not qualify for skilled care in the Home Health Program are seen on a periodic basis by a nurse at home. The goal of this program is to assess changes in physical condition, prevent complications and prevent unnecessary hospitalizations. Ambulatory residents are seen at the office for physical assessment and health counseling or at the senior citizen clinics held at the drop-in center every Monday of the year, every third Friday of the month at Neponset View and the second Tuesday of every month at Diamond Pond Terrace.

2. **Maternal/Child Health** — Promotion of the health and stability of the family during the periods of reproductive maturation, pregnancy, childbirth, the postpartum period, and the child rearing years. Services are provided by a maternal/child health nurse specialist through home visits. Infant car seats are also available for rental.

3. **Communicable Disease** — Prevention and control of communicable disease through case-finding and education and provision of follow-up care consistent with public health practice. In addition to following up on reportable diseases through home visits or telephone consultations, the VNA provides vaccinations and various tests during office hours.

4. **Public Health** — Promotion of good health awareness for the prevention of serious illness.

Periodic cholesterol, hypertension, and diabetes screenings are held, in addition to regular testing during office visits. In 1990, the VNA conducted cholesterol screenings during the annual flu clinic which was held in November. The Town of Walpole Public Health statistics for 1990 are as follows:

SERVICE	VISITS
Home Visits/Health Maintenance	371
Maternal/ Child Health Visits	158
Office Visits	649
Communicable Disease Follow-Up	12
Senior Citizen Clinics	709
Flu Clinic	732
Cholesterol Screening	135

COUNCIL ON AGING

The Council On Aging continues to provide services and programs to an ever increasing segment of the Town population. As we are a designated multipurpose Senior Center, the Council receives funding through federal and state grants and local revenues.

The Council is composed of seven regular and eleven associate members. Each member brings to the Council an expertise in one or more areas of interest to older residents e.g. nutrition, health, education, transportation, financial and business skills.

The philosophy of the Council is to promote wellness and independent living. It is our goal to respond to the needs and wishes of those we serve. Toward this end we encourage participation and offer a wide variety of programs.

An active walking club, well attended line dancing class and fitness programs encourage a sense of both mental and physical well being. Whist games, day trips and receptions provide socialization opportunities. A craft class provides an outlet for creative interests. Health and flu clinics, conducted by the Walpole Area V.N.A. and open to the public, are held at the Center. A podiatrist is available on a monthly basis. Vision and hearing screening is offered by local professionals.

The Council On Aging new mini-bus has been on the road since April. This vehicle accommodates twenty passengers and has a special compartment for bundles. The Council can now provide transportation for shopping, meals, events at the Senior Center, and a variety of recreational activities.

An economic automobile purchased and maintained by the Friends of the Walpole Council On Aging, Inc. provides transportation to medical appointments. Rides are made possible by a group of devoted volunteer drivers.

A monthly newsletter is mailed to 1,500 homes and businesses. Sponsored by the Friends group and donations from local merchants, the newsletter is a source of information and generates interest in Council On Aging activities.

The Nutrition Program through HESSCO is funded by the Older Americans Act. Congregate and home delivered meals are available for those age 60 and older. Meals are served at the Senior Center in the rear of the Town Hall Monday through Friday at noon except during inclement weather.

Mrs. Conchita Geyer executes the duties of Outreach Worker in an outstanding manner. While carefully carrying out challenging tasks she has enhanced the position with her professional approach to contacting elderly individuals and community service agencies. Frail and home-bound elders are in need of a wide range of services. Walpole elderly in nursing homes and hospitals are visited. An increasing number of requests for service come from families of elderly.

Seasonal fuel assistance and surplus commodities are handled through the Council On Aging. Under the direction of Self Help, Inc., these programs are open to all eligible Walpole residents.

Walpole is recognized as having one of the most successful Councils On Aging. Credit for this is shared by many: an active Senior Citizen

Club, involved Council members and the caring attitude of full-time Director, Barbara Foley. Council activities are carried out in an efficient and professional manner.

Dedicated volunteers, the support of Town government, and generous donations from the

private sector enable the C.O.A. to successfully carry out their programs.

To all who support the Council on Aging, in many ways we extend sincere appreciation.

HANDICAPPED ACCESS COMMITTEE

Due to unforeseen circumstances, the South Walpole Pool was not completed and accessible to the handicapped until the end of the summer season. It will be totally ready for the opening of the season in 1991. There will also be a swing for the handicapped in operation at the Boyden School Playground at the beginning of Spring of 1991. The Committee has an article in the

Spring Annual Town Meeting to make the Bird Middle School one-hundred per cent accessible.

Once more, the D.P.W. has agreed to paint the handicapped parking spaces blue with a white logo for better identification. Again, our thanks to the Police Dept. for their help in upholding the laws that protect the handicapped.

DEPARTMENT OF VETERANS' SERVICES

During times of economic instability, veterans and their dependents turn to the Department of Veterans' Services for assistance. The Veterans' Services program is available to eligible veterans and their dependents as stated in Chapter 115 of the General Laws of the Commonwealth of Massachusetts. A full-time Veterans' Agent and part-time clerk are available to serve the veteran as well as to thoroughly investigate all applications taken.

The Veterans' Services Department also assists veterans and their dependents in applying for Federal benefits. This includes the preparation of applications for Pensions, Burial allowances, Service Connected Compensation, Grave Markers, Change of Address, Educational Benefits, Hospitalization and Annual Eligibility Verification Reports.

HERITAGE AND NATURAL RESOURCES

CONSERVATION COMMISSION

Conservation Commissions are established by cities and towns by authority granted in Massachusetts General Law for the promotion, preservation, and protection of the local natural resources and watershed resources. The Conservation Commission has jurisdiction in applying and enforcing the Massachusetts Wetlands Protection Act and the Town of Walpole Wetland Bylaw.

The Walpole Conservation Commission has six full members and one associate member. The valued members are: John Wiley - Chairman, Peter Baril - Vice Chairman, Charles Hede - Treasurer, Albert Goetz, William P. Golding, Thomas McCarthy, and associate member Eileen Neilson. The Conservation Commission encourages any citizen interested in becoming a member to contact the Conservation Commission or the Board of Selectmen. Members of the Commission are appointed by the Board of Selectmen for staggered three year terms. As a member of the Commission, one will attend hearings scheduled on the second and fourth Wednesday of each month at 7:30 p.m., in the Town Hall. Between meetings, members familiarize themselves with pending projects and conduct site visits. The Commission deals with many important environmental issues, and works actively in the preservation of open space and the protection of wetlands and water resources.

The Walpole Conservation Commission has a full-time Conservation Agent, James Durand, who works directly for the Commission. The agent provides the necessary professional assistance to the Commission and other Town Boards. The agent's responsibilities include: reviewing filings submitted to the Commission, conducting site inspections, and evaluating wetland delineations, reviewing wetland replication and restoration plans, reviewing wildlife habitat evaluations, monitoring compliance of issued Order of Conditions, and enforcing the Massachusetts Wetlands Protection Act and the Town of Walpole Wetland Bylaw.

PRESERVATION OF OPEN SPACE – The Town of Walpole has over 120 parcels of Conservation land with approximately 1,010 acres of land. There are also approximately 1,037 acres of State Restricted Wetlands within the Town of Walpole, some of which is Conservation Land. These Conservation areas provide important habitat for wildlife and protect the ecological diversity of both the flora and fauna within the Town of Walpole. The Conservation Commission controls the conservation property and it is their responsibility to regulate, manage, and promote these conservation areas. Some key acquisitions by the Conservation Commission include the Pinnacle, Cedar Swamp, Cobbs Pond, Turner Pond, Clarks Pond, Allen Dam, and Elm Street conservation areas. Conservation land acquisitions are accomplished by purchases, gift of land donations, tax-title transfer, and placement of conservation land restrictions. Conservation land is preserved in its natural state and may be used for passive recreation such as nature trails. These conservation areas also provide areas for educational programs, bird watching, cross-country skiing, and canoeing. There are several conservation parcels throughout the Town that provide trail systems for the public. Trail maps are available at the Conservation office and the Town Clerk's office. Interested citizens are encouraged to use the conservation lands and to volunteer their time in helping the Town maintain these areas.

PROTECTION OF WATER RESOURCES – Under the Wetland Protection Act, M.G.L. Chapter 131, Section 40, the Conservation Commission can regulate any activity such as dredging, filling, removing or altering of a wetland. By regulating these activities, the Commission is protecting eight important interests of wetlands: protection of public and private water supply and groundwater supply, the enhancement of flood control and storm damage prevention, the prevention of pollution, protection of fisheries and shellfish, and the protection

of wildlife habitat. The Town of Walpole has also enacted and adopted its own Town Wetland Bylaw which is similar in content to the Massachusetts statute, but its intent is to allow the Commission to create more restrictive Orders of Conditions if the project warrants such protection. There is one public hearing which addresses both the Town Bylaw and Massachusetts statute in connection with each filing and application submitted.

Any person intending to do work within a wetland resource area or within 100 feet from the wetlands (referred to as the 100 foot buffer zone) must file either a Notice of Intent or a Request for a Determination of Applicability with the Conservation Commission. A public hearing will be held within 21 days of receipt of the filing to discuss the project. At the close of the public hearing, the Commission will vote to approve or deny the wetland filing. If the project is approved, an Order of Conditions will be issued by the Conservation Commission to regulate the activities. The D.E.P. (formerly D.E.O.E.) signs seen around the Town at construction sites indicate that there has been an Order of Conditions issued by the Conservation Commission and approved by the Department of Environmental Protection. If a person intends to work within the 100 foot buffer zone and is uncertain whether the activities constitute a filing, they should first contact the conservation agent or conservation secretary for a determination. The Commission is empowered by the Wetland Protection Act, to issue Enforcement Orders and/or levy fines against individuals who fail to file with the Conservation Commission for work near or within wetlands.

In 1990, the Conservation Commission reviewed approximately 50 new filings for various projects throughout the Town, while monitoring the construction of past filings. As larger parcels of buildable upland become scarce in Walpole, increased pressure is placed on buffer zone work and work adjacent to and within wetlands; therefore, significantly increasing the responsibility of the Conservation Commission to see that further development is conducted in the best interests of the environment and the Town of Walpole. Four new residential subdivisions and one commercial subdivision were issued Orders of Conditions in 1990. Three Town projects were issued Orders of Conditions; these included: the drainage improvements of Water and Washington Streets, the installation of

the Neponset Well No. 1, within the Town Forest, and the installation of a gravity sewer along Alice Avenue and Washington Street. The Conservation Commission has been monitoring the compliance of the ongoing construction at New Pond Village which should result in the successful completion of the project, as well as many other projects throughout the Town.

In 1990, the Town received its reimbursement of \$670,896. from the Division of Conservation Services for the Mine Brook Watershed Self-Help project, which involved the purchase of Turner Pond. In 1990, the Commission received two gifts of land. One parcel is located at the corner of Richard Circle and Ginley Road, the second parcel is located off of Kittridge Street, adjacent to existing conservation land adding to the acreage of this protected parcel.

The Conservation Commission will be working on updating the Town of Walpole Open Space Plan of 1987 and encourages any citizen interested in preparing the update to contact the Conservation Commission. The Commission will also be working on the adoption of a "No Net Loss of Wetlands Policy" for the Town. The Commission will also attempt to identify and propose significant environmentally valuable resource areas which include wetlands for ACEC (Area of Critical and Environmental Concern) designation, while also working on the identification and eventual certification of valuable vernal pools within the Town. Once again, any person interested in lending a hand to the Commission, should contact the Commission office.

The Conservation Commission has had a successful year in meeting the goals outlined in the 1987 Open Space Plan. Strict enforcement of the Wetland Protection Act, preservation of open space, land acquisitions, protection of groundwater and surface water, and preservation of conservation lands were all goals addressed this year. The Commission will continue in their efforts to promote and protect the Town's natural resources and will look forward to meeting the goals outlined for 1991.

HISTORICAL COMMISSION

At a special Town meeting, held on April 29, 1970, the Town of Walpole voted to establish a local Historical Commission, as outlined by Section 8D, Chapter 40 of the State of Massachusetts General Laws as regarding establishing Local Historical Commissions.

The Commission consists of five (5) regular members and three (3) associate members appointed by the Walpole Board of Selectmen.

The Walpole Historical Commission is an agent of the local government. Our most important goal is the preservation of the Community's historic places. The purpose of the Walpole Historic Commission is to work toward this goal by planning for and implementing programs for the identification, evaluation, and protection of Walpole's historic resources.

The Commission also coordinates with other local groups whose interests involve history or historic preservation, such as The Walpole

Historical Society, Walpole Public Library, and The Walpole Public Schools which often have interests similar to those of the Commission in fostering pride in community identity. The Commission serves as a liaison between these groups and the Massachusetts Historical Commission on matters pertaining to historic preservation programs. Finally, it is the local commission's mandate to be the local municipal "watchdog" for State and Federal preservation agencies, alerting them to local preservation issues.

Our Commission meetings are open to the public and are held on the fourth Wednesday of the month (except July and August) at 7:30 p.m. in the Deacon Lewis House.

We urge any citizen of Walpole who has an interest in historical preservation and wishes to join the Commission, to apply to the Walpole Board of Selectmen.

TOWN FOREST COMMITTEE

Massachusetts General Laws Chapter 45, Section 21 permits the Walpole Board of Selectmen to appoint a special town forest committee to manage and care for Walpole's Town Forest. The Board of Selectmen reactivated such a committee in October, 1990. Members include: Joseph C. Moraski - Chairman, Jeffrey Mattson - Clerk, and Thomas Connolly, Nancy Jarvis, and Robert Moody who serve as advisors to the Committee. John Cunniff - Superintendent of Parks, Recreation and Cemeteries, and Jeffrey Rice - DPW's arborist, provide the Committee with technical expertise.

Accomplishments in the last two months of 1990 included securing the services of the Norfolk County engineers who have agreed to conduct a property line survey of the Town Forest land. County engineers will also prepare a property plan suitable for recording at the Registry of Deeds, put together a metes and bounds description and set monuments at the property corners.

These tasks have an estimated value of \$60,000, but will be performed at no direct cost to the taxpayers of Walpole.

Other accomplishments included a Town Forest Cleanup Campaign in December. Christopher Galasso of Galasso Tree Service in Walpole arranged for a logging truck from Smith Mill in Hopkinton to remove several piles of rotting logs from the Town Forest at no cost to the taxpayers. Mr. Galasso's efforts saved Walpole taxpayers about \$6,000. In addition, a small, but productive group of volunteers removed tires, a washing machine, a pool table, cans of paint, cans of engine oil, car parts, a bathtub, mattress springs, a swivel chair, beer and soda cans, along with other debris.

Walpole's 380 acre Town Forest is the largest area of public land in Town. Its resources of timber, wildlife and water supply make the Town Forest one of Walpole's many treasures. The land is open to the public for passive enjoyment.

**Jeffery Rice, arborist for the Town of Walpole's
Department of Public Works, volunteers his
time to help clean up the Town Forest.**

**Barry Smith of Smith Mill in Hopkinton
operates a logging truck during the Town
Forest Committee's Clean-up Campaign in
December, 1990.**

TOWN SERVICES

DEPARTMENT OF PUBLIC WORKS

During 1990, the Department of Public Works continued its tradition of being a service-oriented unit, providing the most efficient and professional assistance to the residents of the Town of Walpole. We take pride in the accomplishments of the Department, and during these economic times, are hopeful that we may continue to provide all the services in 1991, as we have in the past.

The Department of Public Works has been actively and directly involved in the following projects:

1. Sybil Street received a new 8" PVC sewer line, a new 8" D.I. water main, and 2½" of bituminous concrete roadway surface treatment.
2. Street reconstruction was performed on Fisher Street, from Main Street to Woodruff Road.
3. Street resurfacing was done on Main Street, from House No. 841 to House No. 948, Route 109, from Westwood town line to Dover town line and Plimpton Street, (partial).
4. Drainage construction was done on Mylod Street and Oak Street.
5. Asphalt berm and sidewalk was done on Washington Street, (Boyden School area), and concrete sidewalks were installed on Union Street.

On behalf of the Department of Public Works, gratitude is extended to the Town Administrator, the Board of Selectmen, and the Finance Committee for their guidance and support and to other town agencies who assisted and cooperated with us this past year.

IN RETIREMENT

Pasquale J. Marino was appointed to the Highway Division of the Department of Public Works on April 13, 1952 and continued to serve the Town for thirty-eight (38) years. He retired as Highway Superintendent on May 25, 1990.

Bartley T. Foley was appointed to the Highway Division of the Department of Public

Works on June 10, 1968 and continued to serve the Town for twenty-two (22) years. He retired as a Public Works Craftsman on June 8, 1990.

David E. Welch was appointed to the Highway Division of the Department of Public Works on June 6, 1950 and continued to serve the Town for forty (40) years. He retired as a Public Works Craftsman on August 3, 1990.

Thomas L. Travers was appointed to the Highway Division of the Department of Public Works on August 6, 1962 and continued to serve the Town for twenty-eight (28) years. He retired as a Highway Foreman on August 10, 1990.

The Department of Public Works extends to each of these gentlemen, our sincere appreciation for their many years of dedication to the Town of Walpole and wish them many years of a healthy and happy retirement.

IN MEMORY OF:

Herbert B. "Mickey" Maker passed away recently at the age of ninety. He was first employed by the Town of Walpole on April 19, 1922. He became the Highway Department Foreman in 1946. Mr. Maker retired on November 30, 1970, at the age of seventy, after forty-eight years of service to the Town of Walpole.

Harold E. Willis passed away recently at the age of eighty-one. He was first employed by the Town of Walpole on February 19, 1929. He began as a truck driver in the Highway Department and soon transferred to the Water Department. Mr. Willis became the Water Department Foreman in 1938. In April of 1958, Mr. Willis was appointed Superintendent of Public Works, a position he held until his retirement in February of 1974. Mr. Willis had forty-five years of service to the Town of Walpole.

HIGHWAY DIVISION

The Highway Division of the Department of Public Works is responsible for the maintenance

of streets, sidewalks, storm drains, traffic signals, signs, pavemeng markings and snow and ice control operations. Under the provisions of the Water Main Improvements Contract, the following streets were resurfaced: West Street, (from Spring Street to Station Street), Pine Street, (from Route One to Washington Street), East Street, (from Elm Street to Main Street), Glenwood Avenue, (from Main Street to East Street), Bullard Street, (entire length), and High Plain Street, (from Old Post Road to Route One).

Several streets were maintained under the provisions of the Peg Grant. Fisher Street was reclaimed from Main Street to Woodruff Road and the following streets were resurfaced: Main Street, (from East Street to state highway line), Country Way, (from Westwood town line to Dover town line), for a total of 2,000', Plimpton Street, (from railroad bridge to house no. 359 and Old Post Road, (from High Plain Street to Squire Court.)

Other asphalt projects completed by this department during the past year included the following:

1. Sidewalks were resurfaced at Old Post Road, (1,280'), Washington Street, (1,325'), Charlotte Road, (125'), Union Street, (480') and Pleasant Street, (110').
2. Bituminous berm was installed at the following locations: Old Post Road, (1,280'), Fuller Avenue, (200'), Forrest Road, (315') and Washington Street, (1,325').
3. Eight Hundred (800) tons of asphalt were used to patch trenches and potholes at various locations throughout the Town.

In addition, drain maintenance work included the following:

1. Under the Catchbasin Cleaning Contract, 2,437 catchbasins were cleaned.
2. Three (3) new catchbasins were built at 281 Mylod Street, 749 North Street and 1759 Washington Street.
3. Three hundred (300) feet of drain lines were installed; 8,000 feet of drain lines were cleaned, and fifty-eight (58) manholes and catchbasins were either repaired or rebuilt.

Two hundred forty-four (244) signs were either made or repaired and installed by this Department. Pavement markings were applied to twenty-two (22) miles of roadway. Signal and traffic lights were repaired on eighteen (18)

different occasions.

Significant progress was made this past year in upgrading the roadways and sidewalks throughout the Town. As, in the past, the Highway Department will continue to diligently strive to provide efficient and quality service to the residents of Walpole.

As Highway Superintendent, I would like to congratulate and thank my personnel for a job well done. I would also like to extend my sincere gratitude to town officials and department heads who graciously and supportably enabled this department to accomplish its goals during this past year.

ENGINEERING DIVISION

The Engineering Division of the Department of the Department of Public Works provides guidance and technical assistance to all of the various departments, boards, and commissions within Town Government, as well as to the citizens of Walpole.

Updating of Town maps, and plans such as the Assessor's Maps, Zoning Maps, Street Maps, etc. is an important duty of the Engineering Department. Maintaining the accuracy of these maps, and plans is extremely important for charting, and managing growth within the Town, as well as assuring the accuracy of the tax base. This updating process also includes maintaining accurate as-built plans for all road and utility construction within the Town Ways and properties.

The Engineering Department, as part of its ongoing duties provided reports to the Zoning Board of Appeals on twenty-one (21) new cases, and to the Conservation Commission on thirty-one (31) new applications. This process involves the review of an analysis of submitted plans, and technical reports to assure conformance to local laws and Town standards.

As part of its subdivision approval process, the Planning Board required the assistance of the Engineering Department in its technical review of proposed subdivivions, calculation of subdivision performance bonds, and in the inspection of all active subdivisions. During 1990, nine (9) subdivisions, with a total of sixty-seven (67) potential house lots were reviewed. Approximately 30 active subdivisions in various stages of completion were inspected.

The Engineering Department also provides technical assistance to the Sewer and Water Commissioners, and on request from other Boards such as the Board of Selectmen, Board of Health, etc.

In addition to the above, the Engineering Department has completed the following during 1990:

1. Issued eighty-three (83) Street Opening Permits, and provided the necessary field inspection.
2. Prepared twenty-four (24) Street Acceptance Plans and the associated documents.
3. Contracted for the Alice Avenue Sewer Study, and the follow-up Design/Construction Contracts.
4. Completed in-house, the Design/Construction Contract for the Road and Utility Improvements to Water Street.
5. Contracted for the Sewer Study for the Eleanor Road and Morningside Drive Area.
6. Contracted for the Design Services for the traffic signal at the intersection of Washington and High Plain Streets.
7. Contracted for the Main Street, Fisher Street, and the Various Walpole Streets Resurfacing Contracts.
8. Continued to check for accuracy the street light inventory and to make changes to more cost-effective light fixtures.

D.P.W. MAINTENANCE DIVISION

The D.P.W. Maintenance Division of the Department of Public Works is responsible for the repair work and maintenance of all Town-owned vehicles and miscellaneous equipment, excluding fire engines.

During the past year, regularly scheduled maintenance was performed on fifty-one (51) motorized pieces of equipment operated by the Department of Public Works, i.e. Sewer & Water, Highway, Cemeteries, Parks and Recreation and Building Maintenance Departments. Maintenance also included eleven (11) automobiles assigned to various Town departments, eleven (11) police cruisers, two (2) Town ambulances, one (1) Animal Control vehicle, one (1) Senior Citizens' van and one (1) Fire Department automobile. Also maintained were the auxiliary engines at the nine (9) Water Pumping Stations, three (3) Water Booster Stations and one (1) Sewer Booster Station. The Water Department and D.P.W. equipment, which includes sewer

rodders and jettas, centrifical and diaphram pumps, portable generators, natural gas and diesel engines, welders, flail and rotary motors were also serviced and repaired.

Major repair work performed during the past year included one (1) transfer case overhaul, three (3) center support bearing replacements, two (2) rear main engine seals jobs, two (2) fuel injector and governor overhauls, one (1) fuel tank replacement, eight (8) water pumps, one (1) diesel blower assembly, one (1) valve job, six (6) transmission services and overhauls, thirty-one (31) brake jobs, one (1) cam shaft and lifter job, one (1) differential overhaul, three (3) ring gear flywheel jobs, one (1) 4x4 front axle, hub and joint assy overhaul, seven (7) exhaust and intake manifold jobs, eight (8) water pumps, one (1) cutting edge on loader bucket, three (3) loader lift and tilt bucket pistons were rebuilt, two (2) doors and two (2) panels and floors were replaced.

In addition to the painting and sandblasting of the snowplows and sander units, this department also did three (3) complete paint jobs on various vehicles. Welding repairs were also made to sanders, snowplows and frames, sidewalk tractors, backhoes and loaders; two (2) sander units were rebuilt; the large trailer was painted and re-decked with plank; and the center steering pivot was replaced in one (1) loader. The senior citizens' van was re-designed in rear for storage and shelves, and window installed in rear doors. The cycle bar unit was completely rebuilt.

In compliance with Town specifications, new equipment which was purchased was inspected and prepared for operation. Emphasis placed on preventive and routine maintenance has continued and has proved to be cost-effective.

As a result of our regularly scheduled maintenance program, there have been fewer breakdowns and less vehicle down-time. Major repair expenses, both in terms of supplies, parts and labor, have been kept to a minimum.

A senior citizens' van and a school department van were purchased during the past year.

In summation, I would like to thank my department for the excellent manner in which they performed their duties this past year and to management for their continued cooperation.

BUILDING MAINTENANCE DIVISION

The Building Maintenance Division is generally responsible for repair and upkeep, capital improvements, proper operations of all electrical, plumbing and heating and ventilation systems in all public buildings.

Energy conservation and vandalism prevention measures are a prime consideration and to this end, we are constantly updating our knowledge and applying the same to various problems.

VANDALISM:

Please note the drop in cost of vandalism from 1973 to the present. This drop is due to the vandalism prevention measures taken by the Building Maintenance Division.

1973	over \$100,000
1974	over 100,000
1975	30,000
1976	26,000
1977	approx. 20,000
1977 thru 1990	approx. 17,000

In addition to vandalism, a countless number of repairs are made such as door checks, rixons, accidental glass breakage, painting, installing shelves, all hardware, steps, shades, furniture, rekeying locks, welding frames and grilles.

A roof survey has been made of all buildings by architects and a program is continuing to replace various roofs.

Prior year's fuel consumption in Degree Days:

The degree-day figure, a measure of fuel consumption, indicates how far the days mean temperature fell below 65 degrees. I predict that the buildings will use more energy because of their increased use. The Building Maintenance Division shall continue to install new combination gas/oil burners, (and new boilers); and to install energy saving devices. The savings, however, may not be visible.

Season	Total Gallons	Cost Per Gal.	Total Cost	Degree Day	Gallons Per Degree Day	Cost Per Degree Day
72-73	505,379	0.119	\$ 60,041	6349	79.59	\$ 9.51

89-90	409,664	.548	224,562	6242	65.0	35.97

POLICE STATION:

Installed two unit heater univents in two rooms on the second floor. Replaced missing slates on roof.

CENTER FIRE STATION:

Installed new exhaust system on emergency generator and exhausted it through the front of brick wall.

BLACKBURN HALL:

Remodeled Special Recreation Room for office space. Installed new draperies on stage and new cyclorama curtains.

MARATHON HOUSE:

Removed oil tank from boiler room.

SOUTH FIRE STATION:

Connected system to new sewer line.

EAST FIRE STATION:**CENTER LIBRARY:**

Installed complete new flat roof. Installed single ply covering over entire gutter on hip roof. Replaced fifty broken slates on hip roof.

D.P.W. HIGHWAY GARAGE:

Replaced two additional doors with new steel overhead doors. (Part of ongoing program)

D.P.W. WATER GARAGE:

Replaced panels on two overhead doors.

HISTORICAL HOUSE:

Repaired gutters and oiled.

NEW FISHER SCHOOL:

Removed asbestos from air handling units on right and left sides of stage area in auditorium.

LANDFILL BUILDING:

Disconnected heat to conserve energy.

OLD POST ROAD SCHOOL:

Removed asbestos from boiler room.

PLIMPTON SCHOOL:

Installed three phase electricity from driveway pole to building into the boiler room.

Installed (3) three 330 gallon oil tanks in old coal bin next to boiler room. Installed dual fuel burner (taken from Old Post) on to existing boiler. We now have a choice of using the most

economical fuel for heating purposes at the flick of a toggle switch.

Moved the Production Center from the Town Hall into a classroom with the help of the Highway Department.

Repaired slate roof.

***TOWN HALL:**

Removed Production Center. Painted room and repaired ceiling tiles.

Installed wall up to ceiling for office in Assessors' main office.

Replaced steam traps.

***TURNER POND CABIN:**

Installed insulation on rafters in entry room.

JOHNSON MIDDLE SCHOOL:**BIRD MIDDLE SCHOOL:**

Removed asbestos from two closet areas.

Installed new oil gauge.

SENIOR HIGH SCHOOL:

Removed asbestos from 3 air handling room units.

Repaired lockers.

Installed duct work and heavy duty fan exhaust system in cooking room.

Fifty percent of all lexan in windows has been replaced.

BOYDEN SCHOOL:

Installed new air compressor.

Replaced piping and all controls for domestic hot water.

ROOF REPLACEMENT

Whenever a roof is repaired or replaced, four inches of insulation is installed as a conservation of energy measure.

The Building Maintenance Division has implemented a water savings program. Water saving devices have been installed on more than 189 flushometers. Everytime a flushometer is used there is one gallon of water saved.

Steam traps are constantly being monitored to keep on top of replacing those that become faulty through saving water and energy.

The Building Maintenance Division has used the services made available to us by the Braintree

Correctional Dept. They have supplied labor for painting the interior of the Police Dept. There is no cost for their labor only for providing them with lunch.

We supply all materials. The Town is benefiting by paying only a modest amount for work being done.

We will continue to be a part of this program. At this writing, we are preparing to use these painters at the Blackburn Hall.

The Building Maintenance Division began a long range plan 10 years ago to convert all No. 4 oil burners to combination gas & No. 2 oil burners. All of the schools, the South Fire Station, the Center Fire Station and the Blackburn Hall have the capability of burning whatever the least expensive fuel is at the flick of a switch.

The Mass. Plant Administrators Association has, along with approximately 25 other Towns, bought futures in oil through a collaborative bidding process in order to obtain the lowest possible cost for No. 2 oil. At present we have purchased 70% of our No. 2 fuel at .88 per gallon.

We continue to convert the remaining single fuel burners to gas and No. 2 oil burners to squeeze the best and most efficient use out of our utilities.

The Building Maintenance Division has also applied for and at present is in a program sponsored by Edison, known as "Encore". Boston Edison has visited all our facilities and has re-engineered retrofits for 95% of all light fixtures. When the program is complete it is estimated that the Town will save 1,200,000KW of electricity. This, in the term of money, is approximately \$120,000 per year constant savings. The best part of the program is that Boston Edison incurs all costs. Both the Town of Walpole and Edison will benefit because Edison will not have to build new power plants in the near future.

WATER & SEWER DIVISION

The Sewer and Water Division is responsible for every aspect of the Town of Walpole's water supply and sanitary sewer system.

Administratively, on the water side, these responsibilities include such tasks as billing,

record keeping, public relations, and maintaining compliance with the stringent guidelines established by the D.E.P. and E.P.A. through the safe drinking water act.

The production and treatment section is responsible for the proper operation and maintenance of the wells, chemical addition equipment, booster stations and the water treatment plant, as well as the water storage tanks and pressure regulator valves.

Final reports for 1990 indicate that the eight gravel-packed wells currently operating pumped slightly less than one billion gallons, remaining constant with the 1989 totals, which indicates conservative consumer habits.

The distribution section is responsible for the operation and maintenance of the general piping system, which includes main, service and valve repair and maintenance in addition to the public fire protection system. A total of 15 leaking mains were repaired, as well as 105 service leaks, in addition to other various routine tasks associated with the system. The semi-annual flushing program continued, showing favorable results in maintaining quality and flows.

The meter section continued with the modernization program replacing 800 plus old or otherwise malfunctioning meters, as well as the testing of larger privately-owned meters, all in an effort to increase the credibility of the system. The reading and recording of accounts on a quarterly basis continued as well, in addition to other tasks such as responding to consumer complaints, pressure problems, and emergency water situations.

The major highlights of the year include the long-awaited treatment of Washington Well No. 6 for the removal of volatile organics. Constructed in April of 1990, the facility became operational in the month of June, and to date, has performed to all expectations achieving removal of the volatile compounds to non-detectable limits. Still other key improvements include the siting and design of a 3.0 million gallon storage tank and the installation of Neponset Well No. 1. Together these two additions add a needed reinforcement to Walpole water system in terms of quantity. Both projects are proposed to be operational in mid 1991.

As indicated previously in this report, there

appears to be a trend of conservation on the part of the consumer. Efforts such as this will preserve our current supply which, coupled with protection from contamination, must remain a top priority.

The Sewer Division maintains all records, billing and reporting, relative to sewer usage, installation and sewer discharge.

While the sewer system in the Town continues to grow, so does the responsibility of the Sewer Division. Maintenance of trunk mains, ejector stations and manholes to prevent adverse health effects to the public, remains a priority. Approximately 50% of the present population is served by the sanitary sewer system, with hopes of increasing this amount in the future.

Improvements made to the system were the elimination of the functionally obsolete sewer ejector station on Alice Avenue. Other efforts aimed at improvement were a feasibility study for the elimination of two other ejector stations and the adoption of an inflow and infiltration removal program.

As in the past, the Sewer & Water Division of the Public Works will continue to provide the best possible service to all its consumers in the most efficient manner.

In conclusion, I express my sincere appreciation to all Division employees, supervisors, and other Public Works' personnel, as well as Town officials and residents for their cooperation.

RECREATION DIRECTOR

The Recreation Department enjoyed a banner year with programs offered. Numbers of children and adults participating in leisure time activities are getting larger each year. Programs offered are swimming lessons for all ages, during July and August. Girls' Slo-Pitch Softball League, and tennis lessons for children and adults. These programs entertain over 1,400 boys and girls. Our winter programs consist of Gymnastics, Basketball, Village Music Workshop, Arts & Crafts, and our newly formed Youth Connection for junior and senior high school age boys and girls. The majority of programs offered are in-

structional type programs and are co-ed. The Recreation Director and the Recreation Committee will continue to add new programs to meet community needs. We are grateful to our staff and the many volunteers who are dedicated to providing programs for all to enjoy. We are also appreciative of the Department of Public Works who maintain our recreation areas. Recreation booklets are available at the Parks and Recreation Office with information on Town sponsored programs. Booklet also contains privately sponsored organizations that provide leisure time activities.

PARKS, RECREATION AND CEMETERIES

Tough economic times have taken their toll everywhere including Parks, Recreation and Cemeteries. The loss of another permanent position has returned us to 1987 staffing levels. The loss of all our summer help in maintenance has made it very difficult to maintain the quality of service the public expects.

The scope of our responsibilities has not decreased, it has in fact, increased with the re-opening of the Boyden School and the curbside pick-up and re-cycling of leaves for the Board of Health.

We are responsible for the grounds maintenance of all Town-owned property, including schools. We mow over 65 acres of grass, spread out over thirty-five (35) separate locations, and we maintain five cemeteries totaling about ten acres. Our work includes the application of grass seed, fertilizer, lime and weed control chemicals. We maintain thirteen baseball/softball fields on a regular basis and we line all of the fields for the School Department's fall sports schedule. We pick up litter from all public ways and Town properties, and we have a bi-weekly rubbish pick up for litter receptacles around Town. Other duties include putting up and taking down football and soccer goals and tennis nets, the cutting of grass and brush along all public roads, the maintenance of two (2) automatic irrigation systems, the maintenance of the ice surface at Turners Pond, the plowing and shoveling of

all sidewalks at all public buildings including schools and along certain designated streets.

In cemeteries, we are responsible for the regular maintenance of all five (5) Town-owned cemeteries. In addition to this, we plant flowers for Memorial Day, and we are responsible for placing flags on all veterans' graves in all Town cemeteries, public and private.

As per town meeting vote, work was completed at South Walpole Pool to make it handicap accessible. In conjunction with this work, extensive repairs were made to the pool bottom to correct leakage, filtration circulation was brought up to par with Board of Health regulations, and playground equipment was repaired and re-installed at Boyden School.

Again, at the direction of the Board of Health, filtration circulation was upgraded at the wading pool and we have begun to undertake similar repairs at the main pool in the center of Town.

User service fees are being instituted and/or upgraded for all recreation activities. We have instituted this program in an effort to make our programs self-sustaining.

Thanks to an energetic all volunteer group of parents, the "Youth Connection" came into being in May of 1990 and has proven to be very successful.

BUILDING INSPECTOR/ ZONING ENFORCEMENT OFFICER

Construction activity for the year followed the economic activity of the State and produced a decrease in total permits. Total permits issued for the year was 461, down 127 permits from the previous year. The breakdown of the past year's permits issued are as follows:

<u>Type of Construction</u>	<u>Permits Issued</u>	<u>Estimated Dollar Value</u>
Single Family Dwellings	33	\$5,220,094.
Town House/Condos	0	0.
Commercial Buildings	1	75,000.
Commercial Condos	0	0.
 Foundations		
Residential	9	7,000.
Commercial	2	5,000.
 Permit Renewals	26	0.
 Demolitions	1	0.
 Additions/Alterations		
Residential	282	2,241,621.
Commercial	40	1,504,410.
 Permits Voided	1	0.
 Stove Permits	26	24,600.
 Sign Permits	20	20,050.
 Pool Permits	20	92,140.
 Case Referred to ZBA	(64)	—
 TOTAL(s)	461	\$9,189,915.

Construction of New Pond Village Residential Care Continuum progressed at a rapid rate this year. Initial occupancy of a few of the 148 independent units occurred in the closing days of this year. Work on the remaining units, the assisted units, auditorium, bank, and assorted shops will continue this coming year and should be completed during the summer months. Inspection of this construction will continue to be both rewarding and challenging.

Commercial construction slowed, but approvals were granted for a new Grossman's building on Route One and a new car dealership on the Walpole-Norwood line. The German Club re-opened this year after a tragic fire and is now fully rebuilt.

Annual inspections of all public assembly buildings as required under Mass. General Laws have been made along with the regular inspections of new construction, several persons have been referred to the Zoning Board of Appeals for relief from our local Zoning Laws. All alleged zoning violations have been investigated, some leading to litigation in both District and Superior Courts.

At this time, I would like to thank my staff for their continued professionalism in the performance of their duties.

GAS/PLUMBING INSPECTOR

During the year 1990, 281 applications were filed for gas permits. 334 applications were filed for plumbing permits. All complaints received were investigated. I wish to thank the Board of

Health, Town Administrator, and Building Inspection Department, and their staff for cooperation given me in carrying out the duties of Plumbing and Gas Inspector.

WIRING INSPECTOR

480 applications were filed for wiring permits and all complaints were investigated with regard to electrical installations. The Wiring Inspection

Department is located in the Building Inspector's Office.

INSPECTOR OF WEIGHTS & MEASURES

The following is a summary of this department's activities during 1990.

Units Tested	189
Units Sealed	294
Units Condemned2
Units Not Sealed.....	14
Units Adjusted	31

Units tested includes scale balances, weights, gasoline pumps, oil truck meter, etc.

Other activity included the handling of consumer complaints, rechecking various weighing devices and measuring devices, spot checking accuracy of food items, unit pricing laws and compliance of laws relating to weights and measures.

During the year, the cooperation of the various departments and business owners, has the Weights & Measures Department operating without any problems.

ARTS LOTTERY COUNCIL

The Walpole Arts Lottery Council is a division of the Massachusetts Arts Lottery Council. Its purpose is to encourage the growth of Arts and Humanities by the distribution of funds allocated by the Mass. Council to those groups or individuals complying with the guidelines set forth by the parent council.

The local council receives applications and allocates funds twice a year. Potential applicants are notified of the availability of funds through newspapers and other means of publicizing the event. Application forms, available at the Walpole Library, are reviewed at meetings of the local council. Recommendations for approval or rejection are reviewed by the Massachusetts Arts Lottery Council. The Walpole Arts Lottery Council is notified, and it, in turn, notifies applicants of the decisions.

In addition to regular funds, money is available to groups of students eligible for the PASS (Performing Arts Student Series) program. By submitting applications (available at the Walpole Library), individuals or groups of students may attend certain theatrical events at prices reduced to \$5 or less. Information may be obtained by calling Judy Donovan at 668-5052.

Members of the Walpole Arts Lottery Council are appointed by the Board of Selectmen for a maximum of three consecutive two-year terms. Anyone wishing to serve on the Council may apply to the Board of Selectmen.

The Walpole Arts Lottery Council should not be confused with the Walpole Arts Council, which is an older organization, and which exists to encourage local interest in the Arts by its various activities. It is funded by its members and is not connected with the Walpole Arts Lottery Council.

METROPOLITAN AREA PLANNING COUNCIL

With the support of Walpole and 100 other cities and towns in the region, the Metropolitan Area Planning Council (MAPC) was able to provide planning services, information, and advice for regional communities during 1990.

On May 23, the membership of MAPC met at Regis College in Weston to adopt MetroPlan 2000, the regional growth plan adopted in principle by representatives at the 1989 annual meeting. The Council also approved an ongoing work plan for the refinement and implementation of MetroPlan 2000. The regional development framework will aid communities in designating potential growth areas based on the availability of infrastructure, and in designating areas where regional growth should be discouraged. As we enter a new decade, such a regional plan is addressing issues of affordable housing, open space, environmental protection, transportation, traffic congestion, and air pollution. With planned regional growth, the best use of limited resources will be encouraged. MAPC staff member, Carol Blair gave a presentation of MetroPlan 2000 to the Walpole Planning Board and interested citizens at the March 15 meeting of the Planning Board.

In 1990, Mr. Douglas Landry, Walpole's Town Planner, participated on the Facilities Siting Policy Committee of MetroPlan 2000 as Walpole's MAPC Representative. Mr. Landry offered a successful amendment to the plan from the debate floor at the annual meeting. The amendment was as follows (underlined):

"ACTION RECOMMENDATION NO. 19

Identify the need for critical facilities and alternatives sites in MetroPlan 2000 and advocate development of these facilities....

Objective: To equitably site necessary regional facilities.

Implementation: Require compliance with a comprehensive regional plan, to be developed by MAPC, that addresses issues of regional and intercommunity significance. MAPC will identify and assess capacity of current facilities, current needs of communities, projected needs of the region, and the equitable distribution of regional responsibilities within the

plan."

The full text of MetroPlan 2000 is available for review in the Planning Board office.

In addition to MetroPlan 2000 planning efforts, MAPC staff produced community population and employment forecasts, and updated the development file and vacant sites survey for each community. Some communities also took advantage of information programs, and met with MAPC planners to discuss the Federal Transportation Improvement Program, trip reduction tools, curb cut tools, and impact fees. During the past year:

- * MAPC continued to develop a water supply protection plan for communities in the Neponset River Basin under a \$19,700 grant from the Department of Environmental Protection. The plan inventories industrial activities and underground storage tanks, evaluates existing groundwater protection measures, and prepares groundwater protection plans for the communities. Thomas Bowen and Robert Adler continued to represent Walpole on the Plan's Advisory Board.
- * Timothy Miga was appointed as a representative of Walpole to the Three Rivers Interlocal Council (TRIC), an official sub-region of MAPC. Mr. Miga replaced James Dugdale, who resigned from the position in April.
- * At the annual meeting in May, Franklin G. Ching of Natick was elected President, Marjorie A. Davis of Wenham was elected Vice-President, Martha K. Gjesteby of Cohasset was elected Secretary, and Jay Donovan of Wilmington was elected Treasurer.

MAPC appreciates Walpole's continued support. In the coming year, we encourage Walpole to engage in MetroPlan 2000 planning activities, as well as to utilize the planning skills and knowledge available from MAPC staff.

PERSONNEL BOARD

The Personnel Board normally meets at 7:30 P.M. in the Town Hall on the first and third Mondays of the month. Members of the Board were Richard Mansen, Gary Wallrapp, Terry Hogan, Steven Hemman, Vice Chairman and Donald E. Ridley, Chairman. Valorie Donohue is the Board Secretary.

During the late autumn, the annual wage and salary survey of the ten surrounding towns was conducted in preparation for consideration of wage and salary adjustments to be submitted to the Spring Town Meeting.

At the Spring Town Meeting, the Board proposed, and the Meeting approved changes to the Personnel By-Laws, Article 12 - New Personnel, Article 16 - Holidays, and Article 18 - Overtime and Compensatory Time. Adjustments to the various pay schedules were also approved.

The Employee's Handbook was completed and distributed to all Town employees at the end of June.

CABLE TELEVISION COMMITTEE

The Walpole Cable Television Advisory Committee was appointed by the Board of Selectmen to serve as watchdog for cable. The Committee is available to hear unresolved complaints of all Massachusetts Cablevision subscribers. The Committee reports to the Board of Selectmen who act as the Issuing Authority for cable.

Several complaints were received regarding the announcement by Massachusetts Cablevision of the discontinuance of TV Host magazine. This Committee notified the Issuing Authority, and contacted Randy Nungester, General Manager of Massachusetts Cablevision for an explanation. A joint meeting of the Issuing Authority, Mr. Nungester and the Cable Committee was held to learn the facts of the magazine cancellation.

It was agreed by all parties that a postal card survey would be taken to determine whether the subscribers of the town wanted the magazine

returned. It was agreed, with the approval of the Cable Committee, that Massachusetts Cablevision would absorb all the costs of designing and printing the post cards, and of mailing the postal cards. It was further agreed that the results of the survey would be tabulated by the Cable Committee.

Massachusetts Cablevision mailed the cards in November without the prior approval of the Cable Committee. Because the information on the card proved to be confusing, the Cable Committee re-designed the card and advised Massachusetts Cablevision of its intentions. The revised postal cards were scheduled to be mailed to all subscribers with the January, 1991 billing and were to be returned to the Cable Committee no later than January 21, 1991.

The Walpole Cable Television Advisory Committee urges all subscribers to contact the Board of Selectmen in the event of a complaint against Massachusetts Cablevision.

EDUCATION

SCHOOL COMMITTEE

With a look backward across the past year, the continuing striking theme which pervades our school system is that of an on-going level of excellence in our schools. This excellence is exhibited in the full range of services to our young people and in the manifestation of the results of the growth and attainments of our student population. The most cogent example of this is a strong performance in several external monitoring indicators. These include the Scholastic Aptitude Tests, the Achievement Tests, the Comprehensive Test of Basic Skills and the two state mandated tests, the annual Basic Skills Test and the bi-annual Massachusetts Educational Assessment Program. Outstanding work has been accomplished despite the level of consistency of funding which is affecting virtually every community and every department of the cities and towns of our Commonwealth.

The schools increased in population in this year by approximately 5% over the previous year. The School Committee expects that that increase will be close to these figures for the next few years. The year 1990 marked in the United States the greatest population rate of increase since 1964. Walpole will be faced with the same housing and funding issues over the next several years as are being faced in all other parts of our country.

The reorganization of the school district to a 4-4-4 system occurred very efficiently. The need for classroom space, despite the opening of the Boyden School, is still quite present. Through the work of the Board of Selectmen, the School Committee and the Permanent Building Committee, the services of an architect were initi-

ated to draw plans for an addition to the Old Post Road School. An override ballot question was placed on the May election ballot relative to the funding of the construction costs of this addition.

The School Committee and School Administration addressed a budget reduction for FY'92 of a shortfall of almost one million dollars. With the lessening of financial resources, the School Committee continues to explore as many options as possible to obviate a reduction of services to the young people of Walpole.

The Walpole School Committee, as ever, is indebted to those who are the driving force of our programs: the teachers, volunteers, aides, cafeteria personnel, custodians, secretaries and administrators. The thanks that we offer can never be commensurate with the effort rendered.

RETIRED PERSONNEL — 1990

Theresa Ferreira	Media Spec., Bird
Albert Franklin.....	Head Custodian, Bird
Harold LeBlanc.....	Principal, Fisher
Edwin Page	Ind. Arts, H.S.
Dorothy Saulnier.....	Gr. 4, Bird
Harold Varney.....	Principal, Old Post
Frances Watson	Cafe Manager, High School
Gloria White	Home Ec., H.S.

DECEASED — 1990

Kathleen Lawler	Spec. Needs, Fisher
Nancy Magraw.....	Chapter I Tutor, Fisher
Marilyn Stone	Spec. Needs, High School

SUPERINTENDENT OF SCHOOLS

Just as in 1989, the 1990 school year brought new changes to the administration of Walpole Public Schools. Subsequent to the retirements of our two principals of the two elementary schools, three new elementary principals were elected to serve in the Walpole Public Schools. Roseli Weiss at Fisher School, Stephen Fortin at Old Post Road School and Sue Evans at the newly re-opened Boyden School. Roseli Weiss comes to us from the Marion Public Schools. Stephen Fortin comes from the Needham Public Schools. Sue Evans was promoted from the rank of assistant principal at Fisher School to her current position at the Boyden School. It is our hope that they will bring to the Walpole Schools the same message of excellence that their predecessors had given us for over 25 years each.

Given that educational and academic issues are of primary focus for our schools, there still continues a persistent problem — that of housing

appropriately, young people in our school district. We saw an increase of 5% in the overall school district in this most recent year and we anticipate an increase of nearly 4% for the upcoming school year. Much of the housing problem can obviously be solved by the addition of classroom space to the Old Post Road School. Failing that, extensive measures will have to be taken.

In the past, all of the personnel in the Walpole Public Schools made pointed contributions to the educational program which we offer for our students. Without the support of all of the staff and without the support of the behind-the-scenes people, quite obviously, the product would be far less than it is.

We know that this effort will continue because we are confident that everyone who works with our student body has a firm commitment to all that we can render them.

BOYDEN SCHOOL — 1990

On September 5th, the doors of Boyden School opened again. The "sleeping giant" awakened with a new face and was greeted by excited students, parents, teachers, and new Principal, Susan Evans. Their new school had a two million dollar face lift which included ceilings, floors, removal of all asbestos, paint, carpeting, roofs, sprinkling system, computerized heat and ventilation system, chair lift, and a new gymnasium. Among the 311 students were fourth graders who previously had attended the Middle Schools, but with the opening of Boyden, the school system reorganized, sending these children to the elementary schools.

Having been open only four months of 1990, Boyden does not have a year's worth of activities to report on. However, its first four months have been highlighted by many wonderful activities. With a strong PAC providing support in the way of cultural enrichment, the children have had the opportunity to see such programs as: Michael Cooper, a mask maker and mime,

Mr. and Mrs. Fish, two marine biologists, and the Southwood Zoo Farm. Also, the "What's It Like" program continued at Boyden as it has done in the other Walpole Schools to help students understand handicaps. Under the able leadership of Ellen McDavitt, the students of Boyden School experienced activities designed to replicate blindness, deafness, mental and physical disabilities, etc. Sarah Deveau, another Boyden parent has taken the lead in organizing and implementing the "Docent" Art appreciation program as well.

Open House on September 26th began with the tolling of the bell in the cupola on the roof of the 1931 building. This was a long standing tradition at the Boyden School which was reinstated with the help of second grade teacher, Mary O'Neil and two second grade students: Kara Van Ness and Sam Weinstein. An American flag flown over our Nation's Capital was raised by Scouts: Michael Bielagus, Matt Deveau, Alyssa Dionne and Erin Collins. Folks gathered outside to hear greetings from many town officials and school personnel. A symbolic ribbon was cut by

our three PAC chairpeople: Nancy O'Brien, Ken Thomas, and Joanne Roof along with students representing each grade: Mark Galonzka, Tanya Werning, Billy Cruickshank, Daniel De Witt and Kyla Bitz. The ceremony concluded with the singing of the Boyden School song written by third grade teacher, Suzanne Galvin.

As the Boyden family entered, they viewed a school beautifully decorated with four hundred mums and balloons. The guests included not only students, parents, and teachers, but interested citizens and former students of the old Boyden School. One of the special friends to visit during this great event was Marion McCollum, former teacher and Principal of the Boyden School from 1935 - 1976. Many stopped in to share conversation over coffee and goodies while students proudly showed their parents their new school.

October was Awareness month, a time to focus attention on learning how to make healthy choices. Students were made aware of substance abuse and the importance of saying no to drugs. An assembly, a pledge sheet, and a red ribbon week all helped the students to internalize the concepts relative to a healthy future.

Also in October, the PAC sponsored Planting Day was held. A beautiful sunny Sunday was the setting for an afternoon of beautification. Shrubbery, trees, plants and bulbs were planted by children, parents and teachers. And at the end of the month, another Boyden tradition was reinstated, the Halloween parade. Students came to school in costumes and marched around the ball field. Hundreds of parents came with younger siblings to watch and take pictures.

Our staff at Boyden was busy updating their knowledge and skills through attendance at workshops and in courses. Kathy MacIvor and Mary O'Neil were enrolled in a Master's Course called "Human Concerns in Schools," Liz Kramer, Judy Donovan and Joanne Handy attended a teleconferencing seminar on Whole Language at Brown University. Chris Peters and Phyllis Stetson attended the Kindergarten conference and Phyllis also was a copresenter of a math workshop called "Box It and Bag It." Because Boyden School chose MacIntosh as the tool for teaching and using computers, all staff spent many hours in workshops learning how to use this new vehicle for instruction.

Mrs. Gerri Polo, a new employee of the Walpole Public Schools joined the Boyden staff as the school nurse. She successfully implemented the vision and hearing screening for all students and handled the usual scrapes, bruises, and stomachaches with the appropriate TLC. Claire Tyner, former Fisher School secretary returned to Boyden School as the secretary. Claire had begun her career with the school system at the Boyden School.

The Boyden family was remarkable in its generosity to the needy. Not only did they successfully participate in the "Spoons for the Hungry", but at Thanksgiving time, a collection of food stuffs was donated to the Walpole Food Pantry, and at Christmas time, six Walpole families benefited from gifts of mittens and hats and other warm clothing.

In November, a very successful Book Fair was held in the Boyden Media Center. Sponsored by the PAC, it included in impressive variety and quality of fine books of high interest to students. Many parents took the opportunity to purchase some excellent selections for their children.

The first annual Pancake Breakfast was held on December 7th. Not only was the food and friendship of the highest quality, but students could shop in Santa's private store for presents for the family, and a picture taken with Santa highlighted the morning.

And finally, the Boyden School made a wonderful start in its new era of meeting the educational needs of the community it serves. With an outstanding staff and a beautiful new facility, the desire and skill to maintain excellence was a reachable goal. Boyden School was proud to show, it's a place where children grow.

FISHER SCHOOL — 1990

What a year of change for Fisher School! The administrative team of Mr. LeBlanc and Mrs. Evans underwent changes. Mr. Harold LeBlanc, Principal, retired after serving the Walpole community and Fisher School for many years. A wonderful retirement farewell was given to Mr. LeBlanc with wishes for very happy days to follow. The Hal LeBlanc Nature Trail will provide for hours of hands-on experimentation. Mrs. Susan Evans, assistant principal, became

principal of the newly renovated Boyden School. Ms. Roseli Weiss, formerly principal of Sippican School in Marion and a Cape Cod resident, was on board at Fisher School as principal in August. Joining her, as assistant principal, was Mrs. Katherine Sipala, a long-time teacher and most recently head of Chapter I in Walpole. Mrs. Claire Tyner, secretary at Fisher School, joined Mrs. Evans at Boyden School. Mrs. Mary Chase, secretary, stayed on board at Fisher, joined by Mrs. Patricia Quinlan. A number of Fisher staff moved over to Boyden School, leaving room for some wonderful new additions to join our remaining wonderful staff. New staff hired this summer include: Mrs. Beth Fisk, Ms. Alison Smith, Mrs. Debra Boush, Ms. April Lee, Mrs. Carol Moore, Mrs. Carolyn Lang, and many part-time teachers. In addition, the fourth grades came back home to the elementary school bringing five grade four classrooms to Fisher.

Further change occurred in December when Mrs. Sipala left Fisher to become a principal in Newport, Rhode Island. Mr. Curtis Smith, Fisher's physical education instructor, assumed the position of assistant principal. Mrs. Jenny Cantrell and Ms. Laura Prisco took over the responsibilities of Fisher's physical education program. In addition, in December, Mr. Arthur Taylor, head custodian at Fisher, left for retirement. Mr. Edward Norton became head custodian, Mr. Gary Duquette, who joined us this summer, took Mr. Norton's position, and we welcomed Mr. Vito Gugliotta to Fisher School as our third custodian. Given all these new faces and changes, we are gathering new family together. There is excitement at the challenge of creating anew. New staff bring new ideas and new perspectives to familiar challenges. We all look forward to getting to know one another better and to providing Fisher students with the best educational opportunities available.

Despite the many changes at Fisher School, P.A.C. remained a vital force. Listening to phone-in messages daily, sponsoring a Family Day Winter Carnival, planning the "What's It Like" program, offering many wonderful cultural events, organizing the craft fair, selling sweatshirts and teeshirts, setting up the pie sale, and putting together the sports swap. A wonderful yet large undertaking is PAC's involvement in fundraising for playground equipment. Grades 2-4 have NO equipment outside. We are very appreciative of PAC's involvement in the playground equipment search. PAC's generosity

has been professionally rewarding as PAC gave Fisher staff money for professional development opportunities. We are indeed fortunate to have such a wonderful group of PAC participants. Our sincere thanks for their great support!

The week of March 5 was International Week at Fisher School. Each classroom was featured as a world country. Students learned about the customs of other nations. Each child received a passport "for travel".

March was also the month of the Winter Carnival. April was the Book Fair. PAC generously provided Fisher with an Author-in-Residence. Ned Delaney, an author/illustrator of children's books, spent a day at Fisher sharing his talents with students and staff.

"Principal coffees" began in November. These "coffees", offered three or four times a year, provide a time for discussion for parents and principal. A parent host invites the community to share the evening, providing coffee/tea and desserts.

Our guidance department has been very busy this year supporting all and providing parents with information to support their children developmentally.

All in all, this has been a most busy year. As we look toward 1991, we anticipate the excellent education provided to Fisher students, reaching out to the community for ideas and support, and working together to make each year the best we can achieve.

Thanks to the Walpole School Committee members, Dr. Burgess, Dr. Cibotti, Mr. Feeney, and all Central Office personnel for their support.

OLD POST ROAD SCHOOL — 1990

This year was one of celebrating the past, as well as welcoming the future at the Old Post Road School. As part of a year long celebration of our twenty-five years of educational service, an outdoor anniversary program was held in June. Among the hundreds of families who participated were many alumni of the Old Post Road School, including Paul Pelletier, who was our student ribbon-cutter in 1964. With Paul's assistance, a re-enactment of the original ribbon

cutting ceremony signaled our continued dedication to providing dynamic instruction and programs for the coming years. During the program, Mr. Harold Varney, retiring principal of the Old Post Road School, was honored by all present. Dr. Thomas Cibotti, Ed Thomas, and Chauncey Smith spoke eloquently about Mr. Varney's accomplishments and contributions to public education in Walpole. School children and PAC representatives presented Mr. Varney with numerous momentos and remembrances of his years as principal, including a time capsule which will be opened at our silver anniversary in 2040. Mrs. Nancy Farris welcomed Old Post Road School's second principal, Mr. Stephen Fortin, and expressed best wishes for the future. Many thanks to Noreen Capone, Jan Dandurand, and all of the PAC in making the evening such a memorable and enjoyable experience.

January began with grade three drama students under the leadership of Ms. Sue Weber, presenting such plays as **The Broken Broomstick** and **The Wizard of Oz**. Ms. Janella Porter conducted a second grade after school Computer Club which resulted in many student-created and published books.

Grade one students were introduced to many math activities from the **Math Their Way** and **Box It and Bag It** programs, following workshops involving first grade teachers.

Students in Room 5 participated in **Special Me Weeks** in which an individual student was honored with special bulletin boards, books about himself, and a family lunch and visit to the classroom.

In March, students in Mrs. Kathie Hayes' grade one class performed the play, **Chicken Soup with Rice**, for the school, which later aired on the Walpole Cable TV.

April found the school involved in Earth Day programs. Many classes discussed environmental concerns and created books about ideas for improving the environment. Third graders wrote letters to Governor Dukakis about the need to conserve, entered the EPA poster contest, and set up a booth with various experiments at our townwide Earth Day program.

Evening musical programs involved students at the first, second, and third grade levels. Mr. Harry Davis, vocal music teacher, directed the

choruses in singing many traditional and popular songs. As part of the third grade program, Mr. Michael Faulker led a group of first year string players through several selections. Several third graders performed dances which had been rehearsed in their regular physical education classes.

Our third annual International Week really became a month long study of the cultures and peoples of the world. Each room researched and learned about a particular country. Students shared their information and materials with other children and parents. Throughout, there was excellent parent and community assistance.

A number of classes conducted "Young Authors' Workshops", in which students became full-fledged authors and illustrators of their own books. As a culminating activity, an "Authors' Tea" gave children the opportunity to share their books with parents and grandparents.

A gorgeous June day helped to make our traditional Field Day a great success. Coordinated by Mrs. Ginny Gay, physical education teacher, the daylong activities emphasized good sportsmanship and class spirit. The teamwork and help of the staff and parents were key ingredients in making the events and activities very enjoyable.

In September, we welcomed the fourth grade back to the elementary level. The students quickly found that they enjoyed the responsibilities and roles inherent in being the oldest grade in the school for two years in a row.

Following the Red Sox successful regular season, the entire school celebrated with a 'Red Sox Appreciation Day'. Poems, skits, and songs honoring the team were part of an assembly to say thanks to the hometown heroes.

The Whammers and Bammers, a musical group of mentally and physically challenged adults, performed a very memorable and enjoyable concert of lively 60's music. The Old Post Road School student body sang, clapped in unison, and danced to the music.

Many classes developed strong relationships with service personnel in Saudi Arabia. Students created letters, poems, and holiday cards for these individuals, and received a number of greetings from Saudi Arabia.

Celebrations of Halloween, Thanksgiving, and Christmas brought students of all ages together. A Halloween outdoor parade was filled with costumes of all colors, sizes, and themes. A Thanksgiving play by Mrs. Francine Boyd's third grade class and a sharing feast by kindergarten and first graders was a great way for students to understand and appreciate the history of this feast day. The entire student body created colorfully decorated spoons which were sold within the Project BREAD Spoon-athon. This project, coordinated by Mrs. Ellen Goetz and Miss Annemarie White, resulted in more than \$3,000 raised to help individuals in great need. Many classes performed songs and skits about our holiday season in a pre-Christmas assembly. An evening Holiday Family Sing-a-Long, attended by a very large number of Old Post Road School families, heightened the warmth and spirit of the season.

BIRD MIDDLE SCHOOL – 1990

As Bird Middle School entered the nineties, the administration and staff continued to provide a school environment where close relationships between adults and students created a climate for personal growth and intellectual development. Reaffirming the guidelines developed by the National Middle School Association, Bird Middle School succeeded in achieving a positive school climate where educators were knowledgeable about and committed to transscents. By offering a well balanced curriculum based on the needs of pre-adolescents and through a wide range of organizational arrangements, a full exploratory program was provided utilizing a variety of instructional strategies. Cooperative planning, continuous progress strategies, and evaluation procedures compatible with transescent needs combined with a comprehensive advising and counseling program ensured that equal educational opportunities were offered to all students based on their needs, interests, aptitudes, and abilities.

Under the leadership of Suzanne H. Gillam and Timothy F. Collins, 515 students in grades four through eight interacted with 50 full and part-time faculty and staff. Despite the frustrations and limitations that developed due to fiscal restraints, quality instruction prevailed for all students as a result of the outstanding curriculum provided by the Walpole Public School System and the dedication and efforts

of a highly qualified faculty and staff. Academic growth and progress were validated and acknowledged by above average scores on the annual achievement tests administered each spring and on the various state level assessment tests. Specific goals and objectives were addressed throughout the year with regard to the development of an earth science curriculum for grade eight. The addition of a second interdisciplinary unit at each grade level, increased attention to public relations and publicity, experimentation with video technology, improved sharing procedures between regular education, related arts and special education teams, and the investigation of alternative financing systems and grants for student programming.

1990 was the year that saw the middle schools return to computerized report cards and the return of fourth graders to the elementary schools with the re-opening of Boyden School in September. During the year, Bird Middle School was visited by teams of teachers from Sharon, Canton, and other districts who were studying outstanding middle level education programs. Three faculty members, Ms. Patricia Roche, Ms. Patricia Yokes-Willbanks, and Mrs. Karen Doherty, presented Bird's Student Assistance Program at the 9th Annual Conference of the New England League of Middle Schools in Hyannis, MA. Ms. Jane Yavarow was awarded an educational fellowship to travel and study in Morocco over the summer.

Student accomplishments were highlighted by the participation of Michelle Mariani, grade six, and Kevin Dolan, grade eight, in the Annual Spelling and Geography Bees sponsored nationally. Six memorial awards were presented to graduating eighth graders in June 1990. John Jankowski and Sara Oremland were awarded the Leonard Downs Memorial Award for the highest academic averages after four years at Bird Middle School. Iman Akram received the Laura M. Warcup Award in social studies, and Kelly Cassidy was presented with the Home Economics Award. Brian Martin was the recipient of the Suzanne Grimes trophy for participation and enthusiasm in school athletic programs and events, and Stacy Bilodeau was honored with the Jan Ostrum Trophy for outstanding school participation, leadership, and spirit. The Swenson Award for outstanding overall growth and development was presented to Michael Malfy. Under the direction of Lisette Walter and funded by the Governor's Alliance Grant, student volun-

teers organized a group they named **Bengals' In the Right Direction** to encourage all students to be drug-free. M.L. Carr visited Bird with his "Stand Tall Against Drugs" program, and left the students with the message that "there are no losers, only winners who haven't won yet!"

The Parent Advisory Council, under the third year leadership of President, Dorothy Embree, and the Parent Volunteer Program organized by Barbara Swartz, continued to enrich and support the overall school program. The 6th Annual Silent Auction, generously supported by the community-at-large, co-chaired by Melissa Hubbard and Dianne Werner, netted \$7,700 which provided quality enrichment programs for all students and financial assistance to the dwindling school budget. Debbie Bering and Dianne Werner headed a School Beautification Committee which was responsible for many physical improvements around Bird Middle School including an entrance sign made by David Silvi. Kathy Constantino and Carol Hughes single-handedly tabulated over \$320,000 worth of Stop and Shop tapes for the Apples for the Students campaign which resulted in a new Apple IIGS computer, three printers, and an additional disk drive.

Dorothy Saulnier retired after forty years of service to the Town of Walpole. She will be long remembered by generations of children as a dedicated elementary school teacher who encouraged her students to be all that they could be. After twenty-seven years of service to the school department, Al Franklin also joined the ranks of the retired. Having served as Head Custodian at Bird Middle School since 1981, Mr. Franklin was a familiar face throughout the various schools in Town and a friend to all the students who knew him. Mrs. Mary Costello and Mrs. Eleanor Muldoon were honored for their twenty-five years of service to the Town of Walpole.

1990 was a banner year at Bird Middle School. It continued to bring us closer to achieving our ultimate goal of educating every child to his/her maximum potential. We look forward to joining hands with the community as we accept the never-ending challenge of striving toward a level of educational excellence for all the children of Walpole.

JOHNSON MIDDLE SCHOOL – 1990

The 1990-91 school year marks the ninth year the Johnson Middle School has been administered under the middle school concept. Organizationally, the year has brought a drastic change in the grade configuration of the school. After a four-year stay, the fourth grade has returned to the Fisher Elementary School, leaving Johnson with 477 students in grades 5-8. As a consequence of the fourth grade move, we have lost some support staff, but still maintain a most comprehensive academic program for all of our students.

Academically, we have accomplished some internal restructuring and we are now able to deliver computer education and application, remedial and foreign language introduction in a more integrated fashion. Our eighth grade science curriculum has been revamped; we now have a new technology unit in the place of industrial arts and we are currently reviewing the appropriateness of eighth grade social studies with possible change to take place in the future. Reading skills continues to be a focus and we are constantly vigilant about better ways to place language skills in the forefront of our teaching. Our overall curriculum and instruction focuses on the cooperative and integrated aspects of learning, and as a school community, we view the total development of our students as our primary mission.

Our staff has been active on a professional basis as they seek to expand their personal repertoire of teaching. Mrs. Cohen and Mrs. Cannon have received advanced degrees; three other teachers are currently pursuing graduate studies, and many staff members have taken advantage of local course offerings to return to school on a limited basis. As we continuously tell our students, learning is a life-long process.

On a congratulatory note, Mrs. Watters and Mrs. Foley have been cited by the Kennedy Library for excellence in curriculum development for a seventh grade unit they developed titled, 'Heritage'. Ms. Lisa Davey was nominated for a Sallie Mae Award for excellence as a first-year teacher, and Mrs. Joanne Robbins distinguished our school with her nomination for the Art Educator of the Year Award. Our students are

the reason we are so proud at Johnson, but our staff is also a great source of pride for their dedication and accomplishment.

The past year also saw us combine with the Bird Middle School on additional activities which serve to strengthen the bond between the two schools as our eighth graders prepare for high school together. The Bird and Johnson eighth grade classes in French went to Montreal in May, and the combined classes in Spanish highlighted their year with a visit to the U.N. in New York City. These same trips are in the plans for this year, and were instrumental in imparting the relevance of study in foreign language at the middle school level. Currently, there is a joint middle school committee examining the issue of academic grouping at the middle school level and we hope to release our findings in the early spring. Our collaboration with Bird School has been most beneficial.

Of particular note, over the past year has been the significant role the Johnson P.A.C. has played in our success as a school. Under the most capable co-leadership of Mrs. Ann LaSalle and Mrs. Kathy Larsen, the P.A.C. has been instrumental in enlarging the scope of home and school activities and supporting the academic and cultural initiatives of the school. The P.A.C. has run skating parties, initiated Family Night, sponsored cultural performances, organized the book fair and supported the staff with luncheons. In general, they have been a group which has contributed sound advice and information on the needs of students. Moreover, as an off-shoot of both the Johnson and Bird P.A.C.s' involvement with youngsters, a community based youth program has emerged.

As we move into the nineties, it is our commitment to keep the issues of the transescent learner paramount to all we do. As a school community, we are proud of our town and school, and look forward to tomorrow's challenges.

WALPOLE HIGH SCHOOL – 1990

Walpole High School graduated 182 seniors in June, 1990. Eighty six and three tenths percent (86.3) of the graduating class continued on to post-secondary education.

Matthew Reardon was named National Merit semi-finalist, placing him in the top 50,000

students nationally.

The academic Decathlon Team qualified for the state finals for the sixth year in a row, by placing 16th in the first competition on November 17. (Walpole competed in the large school division, and placed eighth overall, and seventh in the Super Quiz competition.) About 55 high schools entered the Eastern Mass. Academic Decathlon this year. John Robinson won a silver medal in history.

Two faculty members retired concluding fifty-seven years of dedicated service to the Walpole Public Schools: Gloria White (28), and Ed Page (29).

Nine art students received 16 awards in the Scholastic Art Awards competition. Four were awarded Honorable Mentions and displayed in the regional show. Five were awarded Gold Keys and exhibited in both the regional and state exhibits. Two of these were further honored with Blue Ribbons and sent on for further competition and exhibition in the National Scholastic Awards competition and exhibition. One senior portfolio was chosen to compete nationally. Five works were taken from the eight senior portfolios entered and received a Judges' Distinction award and were displayed in both the regional and state shows.

Six students were selected to participate in the Saturday morning art class at Boston University. Three students competed and were chosen for Art All-State and a two day festival for 150 select and talented high school juniors. Four students attended the Honors Art Class at the Museum School with scholarships from the Walpole Arts Lottery Council. Ten seniors had one-man shows at the Walpole Library. One student had a drawing published for the cover of the Walpole Town Report. One student received \$100 prize for designing a Masonic Temple logo. The Art Club traveled to Rockport, worked on sets for the Drama Club productions, made visuals for the Haunted House and the Spring Fling and designed covers, etc., as needed by other departments.

The high school Drama Club was very active with seventy members participating in a variety of activities. The club took several theater trips sponsored by the Walpole Arts Council, including a trip to New York City to see *Phantom of the Opera*. Club members presented *West Side*

Story on February 8 and 9, 1990 in front of sell-out audiences and produced two student directed one-act plays on May 16, 1990 as a culminating activity. The fall season opened with **Our Town** on November 8 and 9, 1990, and preparation is underway for **South Pacific** in February. A combined drama/art trip to London is planned for April vacation.

Seven students were initiated this year into the National Junior Classical League Latin Honor Society. Three are members for the second year. Scores received in the National Latin Exam were: Gold Medal – 5, Silver – 8, Magna Cum Laude – 5, Cum Laude – 2, Patricia Collins was the recipient of the Walpole Junior Classical League Scholarship. In July 1990, eight students with three chaperones enjoyed an eight-day trip to Rome, Pompeii and Tivoli.

Five music students qualified for the Southeastern District, and SEMSBA Band, Chorus, and Orchestra music festivals. Two music students qualified for the Massachusetts All-State Music Festival, and one student was recommended by the Mass. All-State Executive Board to participate in the All-Eastern National Music Festival. The high school chorus, Jazz Ensemble, and Orchestra placed first with excellent ratings at the All-American Music Festival held in Williamsburg, Virginia. The Pop/Rock Music Business course students presented two assemblies for the student body in which students in class displayed their musical talents.

Rebel athletic teams continue to excel in the Bay State League and state-wide with seven teams qualifying for post-season action, one state championship, and six teams capturing league titles: Field Hockey – Bay State Herget Division Champions and Division I Tournament State Champions; Football – Bay State Herget Division Champions and Division II Runner-up States; Volleyball – Bay State Herget Division Co-Champions; Cross Country – Bay State Herget Division Champions; Girls' Soccer – Tournament Team, South Sectional finals; Golf – Bay State Herget Division Champions.

66.9 per cent of Walpole High School's parents attended the November, 1990 Parent-Teacher Conferences.

One hundred and sixty-two students received Classroom Performance Awards. These were presented to students in Grades 9 through 11. Award criteria are students' understanding and acceptance of course responsibilities inside and outside of class, achievement as determined by grade, enthusiasm, effort, and consideration of others.

Twenty students received perfect attendance awards.

FALES , LEACH & ROGERS SCHOLARSHIP AWARDS

The Fales, Leach, and Rogers Scholarship Committee has awarded forty scholarships with

Steven Berry — Providence College
Adam Burch — Emerson College
MaryJo Carchedi — Bentley College
Colleen Cassidy — St. Anselm College
Christi Collins — Elms College
Patricia Collins — Mt. Holyoke College
Harland Cook, Jr. — University of Rhode Island
Jeffrey Cook — University of Rhode Island
Jennifer Crowell — Union College
Nancy Darish — Boston University
Greg Friedholm — Colgate University
Anne Gamache — Columbia University
Paul Gerrish — Bryant College
SueAnn MacBride — Wellesley College
Kelly McColgan — Wellesley College
Gerard McElhinney — Columbia University
Kara McElhinney — American University
James Ryan — McGill University
Katherine Ryan — Boston College
Tracy Ryan — Fairfield University
Kristine Schwarz — University of Massachusetts-Amherst
Christina Silvi — University of Vermont
Melissa Walsh — Wellesley College
Bridget Wood — Lesley College

a total sum of \$33,702. Those receiving Fales Scholarships are:

Those receiving Leach Scholarships are:

AnnMarie Boragine — Pennsylvania State University
Nancy Cibotti — Brown/Dartmouth University
LeeAnne Demers — Worcester Polytechnic Institute
Gabrielle DeSavage — Oberlin College
Edward Dionne — Wesleyan University
Lynne Fasanello — Wellesley College
Jon Friedholm — Cornell University
Shuchi Gupta — Boston University
John Hogan — American University
Douglas MacBride — Massachusetts Institute of Technology
James Raker — Northwestern University
Ellen Rooney — Hampshire College
Jennifer Sabatini — Tufts University
Michelle Weber — University of Massachusetts-Amherst

Those receiving Rogers Scholarships are:

Nancy Lee — Stonehill College
Christopher Valle — Holy Cross College

STATISTICS FOR THE CLASS OF 1990

Walpole High School will graduate 182 students in June of 1989. Considering the total class of 188 students (six foreign exchange students), 151 have made application through the guidance office for further study. The table below illustrates the placement of the class with a comparison of the placement of classes for the past five years.

	1985	1986	1987	1988	1989	1990
Four Year Private Colleges	37.5%	38.6%	38.2%	41.8%	35.2%	40.7%
Four Year State Colleges	23.8%	24.8%	19.7%	23.4%	17.8%	19.8%
Two Year Private Colleges	7.2%	11.4%	10.8%	7.0%	6.2%	7.7%
Two Year State Colleges	5.4%	9.8%	8.1%	7.8%	17.6%	11%
One Year Programs	7.2%	2.0%	3.9%	1.6%	2.7%	6.6%
Nursing School	—	—	.4%	—		
Preparatory Schools	—	—	—	.8%	.7%	.5%

This is a total of 86.3% of this year's students. For these students and for past graduates, the Guidance Department processed 1,247 applications.

	1985	1986	1987	1988	1989	1990
Full-Time Employment	15.3%	11.0%	14.3%	14.3%	16.7%	11%
Armed Services	1.1%	1.6%	4.2%	.8%	2.4%	.5%

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

In July 1990 the School Committee reorganized and elected the following officers: Charles E. Mucciarone (Franklin) Chairman, John Hurley (Medway) Vice-Chairman, Dr. D.E. Leco (North Attleboro) Secretary.

The School Committee conducts its regularly scheduled meetings on the first and third Wednesdays specifically for the purpose of budget development. Other sub-committee meetings are scheduled as needed.

Graduation

On June 3, 1990, 149 students were graduated in an impressive afternoon ceremony. Chairman, Charles Mucciarone, delivered the Address of Welcome to more than one thousand guests. Music was provided by the Southeastern Massachusetts Community Concert Band.

Mary Fleming, Director of Pupil Personnel Services, presented scholarships and awards totaling more than \$27,000 to deserving senior students. Walpole residents who were recipients of awards and scholarships were: George Williams, Christine O'Leary, James Harper, and Joanne Mahoney.

Pupil Personnel Services

In September 1990, Tri-County welcomed approximately 720 students to the new school year, of that number, 62 were Walpole residents.

The ninth graders embarked on their exploration of eight vocational and technical career areas. This program, which truly is the best vocational evaluation known, also requires students to explore areas which are non-traditional by gender. It is hoped that more students will

select non-traditional areas and that any apprehension which may exist for those who do, will be lessened by this experience.

Because we believe that career decision-making is a continuous process, we administered and evaluated with each Grade 10 and Grade 11 student the results of the Armed Services Aptitude Battery Test. Tri-County administered the PSAT's for the College Board. Results of the test are used for counseling students regarding postgraduate studies and for awarding National Merit Scholarships. Through this program, Sean Bray of Seekonk was selected as a National Commended Student. Tri-County counselors, parents, and students joined with other area towns for a Higher Education Evening with over 200 college representatives. All Tri-County seniors have available the services of the Co-op/Vocational counselor to work with them on job placement, co-op, and for college counseling.

The Pupil Personnel Department developed evening programs for 1990 centered around the theme of "Developing Self Esteem". The department continued its programs for parents on Financial Aid, College Selection and Special Needs. Tri-County hosted Open Houses for Grade 8 students and their parents on November 27 and February 5. Hundreds of parents took the opportunity to tour their vocational technical high school.

In November 1990, Tri-County sponsored two Career Days for its member towns. This year, Grade 8 students from the sending towns had the opportunity to see and to hear career options centered on eighteen vocational and technical areas and to view the vocational technical

component of the Walpole School System housed at Tri-County.

Academic Programs

All students at Tri-County follow a core curriculum which requires four years of study in each of the major academic disciplines: English, Math, Science and Social Studies. Students also are required to successfully complete at least two years of physical education, and to take other elective programs such as business, word processing, drafting, etc. to insure that everyone has a full schedule of classes each year. These are not study periods and each student must carry a full schedule.

Until recently all academic courses were taught and structured using an ability grouped approach. Recently there has been movement towards homogeneous grouping of students in some academic courses while maintaining ability grouping when curriculum demands such a structure. For instance those students who take College Algebra I are clearly top level students. On the other hand, students who take the ninth grade science course titled "Health Awareness" are heterogeneously scheduled.

Curriculum review and revision continues to be a high priority in all academic courses at Tri-County. In response to changes in admissions requirements at many engineering colleges, we will soon be offering a course titled "Introduction to Calculus" as a part of our math offerings.

Our Science Department has continued to offer students some unique opportunities through the Science Club, sending a group of students to Space Camp in Huntsville, AL. The program at this camp encompassed a great deal of Physics, being taught in both a classroom and hands-on approach; this being consistent with Tri-County's philosophy. Students who participated in this year's program were: Alyse McLaughlin, Walpole; Shane Stevens, Medway; Gerard LaFleur, North Attleboro; David Gregory, North Attleboro; Yeasah Pell, Franklin; Frank Suchanek, Franklin; Eric Johnson, Franklin; and Angelo Petrolini, Walpole. It is the intent of the Science Club to run future trips to similar programs which combine student interest and the learning of science and the application of scientific principles. This and other programs are totally funded through student fundraising efforts.

Tri-County's Chapter of the National Honor

Society inducted its first members. These students represent the best qualities of character, scholarship, leadership and service. These new members have worked well during the chapter's first year to provide services both within the school and throughout the communities which make up our school district.

Vocational Programs

The vocational shops continue to provide many services to individual members of the Tri-County School District. A great number of services are also provided for most of the town agencies in the member towns that comprise Tri-County. There is continuous effort to update our curriculum and equipment to meet the high standards set in all of the vocational trades.

The Auto Body Shop is pleased with the results of their new downdraft spray booth. Paint jobs are greatly improved since the addition of this new unit. The improvement is the result of technologically improved changes in the art of spray booth painting.

The Auto Repair Shop provides all of the maintenance and repair services for school vehicles. This shop has managed to stay abreast with all of the technological changes in the automobile industry. Curriculum updating and modification have been developed and applied to our learning program.

Machine Shop and Metal Fabrication are well in tune with our modern day industrial standards. Computer numerical control machines are used in our Machine Shop program. The most modern welding and cutting techniques are being presented in our Welding program. Welding certification can be attained by our students in their junior and senior years.

The Plumbing and Electrical Shops continue to present very interesting and meaningful programs. Electrical Code and Plumbing Code are important to these vocational courses. A student's time spent in the electrical or plumbing program can be applied to the requirements needed to receive a state journeyman's license.

The Masonry and Carpentry curricula prepare our students for these building trades. The Carpentry and Masonry students and their teachers are nearly finished with a large storage room addition attached to the rear of the Masonry Shop. When completed, the storage area will

provide the North Wing shops with a 34'x24' storage compartment.

The Industrial Technology program continues to educate our students with many important skills needed in today's industrial world. Training in carpentry, electrical, small engine, machine shop and welding are given to our students. The pilot program with Texas Instruments has reached fruition. Students are working with Texas Instruments as Equipment Technicians thanks to this school/industry cooperative program.

Technical Programs

The Child Care Shop provides a creative program that fosters the wholesome development of the pre-schooler in a variety of early childhood settings. High school students work with these youngsters learning first hand the various theories and practices of child development.

The Commercial Art Shop has included Desktop Publishing as part of the 10, 11 and 12th grade curricula. Students learn computer layout, design and graphics.

Cosmetology is a program that provides skill in a variety of beauty services such as: hair, scalp, skin and nails. The clinic is open to the public during the school year.

The Culinary Arts Shop attracts many local patrons to their student-run restaurant (Gerry's Place) and bake shop. The students participate in menu planning, purchasing, preparation and table service. Gerry's Place is open to the public for lunch during the school year.

Electronic Technology is a program that prepares the student for an entry level position in the electronic and computer industry. Shop and classroom experiences include basic AC/DC circuits, Solid State Technology and Digital circuitry. Consumer product services has been added to the curriculum which will provide additional job opportunities in this specialized field for Tri-County graduates.

Graphic Arts has provided its printing services to Town Halls, Police and Fire Departments, as well as many non-profit organizations throughout the Tri-County School District while preparing students for meaningful employment.

Retailing, Banking and Secretarial Skills — Major courses of study for student career devel-

opment have been expanded and enhanced through the "tracking" curriculum.

Students majoring within the Marketing & Financial Management curriculum will receive education through the following topic areas: Marketing & Management, Banking Procedures, Finance & Credit, Computerized Accounting, and Lotus 1-2-3. The Electronic Secretarial Career Development curriculum will educate students within the following topic areas: Word Processing, Speedwriting & Transcription, and Electronic Legal & Medical Stimulation Study. Students will receive this realistic career training through the "gift" center, Dean Cooperative Branch Bank, and the D.E. Computer Laboratory. On March 5, 1990, the Dean Cooperative Bank Branch location at Tri-County celebrated its 5th Anniversary. The Bank and Gift Shop are open to the public daily during the school year.

Evening School

The Evening School program has enrolled approximately 650 students for the 1990 school year. The programs offered include Carpentry, Cosmetology, Desktop Publishing, Electrical Code, Esthetics, HVAC&R, Introduction to CAD, Introduction to Word Processing, Machine Shop, Manicuring, Plumbing Code, Welding, and Woodworking. The Mandatory Code Review Course for Licensed Electricians will be held in 1990-91 for those electricians required to update their skills.

Athletics

Tri-County offers students the opportunity to participate in ten interscholastic sports programs as well as intramurals and cheerleading. In the fall season, soccer and cross country are open to both boys and girls. Volleyball is available to girls and football to the boys. During the winter season, boys' and girls' basketball is offered along with wrestling. Intramural weightlifting is available to all students, while cheerleading continues with their second season. During the spring season, boys' baseball, girls' softball and co-ed track and field are in full swing.

Great strides were made in the Tri-County sports programs this year. The boys' baseball team made their first trip to a state tournament. The cross country team finished their finest season in eight years with an 11 and 2 record, all done with one senior. Sophomore, Tom Green, set many school and league cross country records. The football team had an outstanding

season. The team was well deserving of its first championship football banner. The wrestling team continued to show great strides with a 7 and 4 record. Both the boys' and girls' basketball programs are optimistic about an exciting 1990-91 season.

Student participation is continuing to rise with the highest percentage in many years. The football team was able to play several freshman games along with a 10-game junior and varsity schedule. The boys' basketball team has been able to establish a full freshman schedule along with a junior varsity and varsity program. A full-time certified EMT trainer has been added to the athletic staff to help the students stay healthy and rehabilitate any injured athlete.

The parents' Blue Jacket Club continues to see an increase in membership. The group has been responsible for operating the concession stand at home football games, working Thursday night bingo, and helping with additional fund-raising activities to promote sports at Tri-County. Two new committees have been established. The first to investigate the feasibility of lighting our athletic fields, the second a Hall of Fame committee to induct former Tri-County athletes.

The Athletic Department's goal will be to continue to provide sports participation and teach the positive effects sports have on a student that can last a lifetime.

Student Activities

Of great success and note this year was the Summer 1990 trip by Tri-County students to the Soviet Union to participate in a cultural and technical exchange program with Soviet technical students from Moscow Technical School No. 186. Tri-County students spent ten days in the Soviet Union speaking with Soviet students and visiting various cities within the Soviet Union to learn more of the culture of that nation. This trip represented the first in what will be a series of trips and exchanges by Soviet and American students.

Representatives from Moscow Technical School No. 186 visited Tri-County Regional in October 1990 in the second phase of a joint U.S./U.S.S.R. technical sister school project. The Soviet students spent fifteen days attending vocational/technical classes at Tri-County and visiting various cultural attractions within the greater Boston area. Tri-County was the first vocational school in the nation to undertake such an exchange program, and will continue to expand sister school programs with technical schools in various other countries for the 1991-92 school year.

Summary

As we move into 1991 and continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future, the high educational standards that have earned Tri-County that support in the past.

Young adult services ... Local history collection ... Art displays ... Educational displays and programs of interest ... and more.

Once again, the year has been record-breaking as more people used the library than ever before. Circulation, again, increased and use of the many different services the library offers increased. All of this occurred in front of a backdrop of shrinking budgets and resources. How long the rubber band can be stretched is an open question. Highlights included:

- Start of the "Early Immersion" for children program designed to increase the resources available to parents, children, and day care providers in Walpole. Funded through an LSCA Title III grant and the state Board of Library Commissioners.
- Continuation of a Young Adult program financed through a LSCA Title III grant and the state Board of Library Commissioners.

– Going online with the Old Colony Library Network system which, both, increases our efficiency and gives Walpole residents better access to the collections of 20 neighboring libraries.

– Expansion of cooperative program with the Walpole school system designed to give students the information and tools they need to make best use of a modern library.

– Continued expansion of the library's computer based services including the arrival of a Mac-Intosh workstation.

– Revival of the Friends of the Walpole Public Library Organization.

Special thanks to Volunteers: Mary Locke, Carol Kingsbury, and Friends of the Library. Thanks also to the many other people of the community who contributed their time, effort, and goodwill to the library.

TOWN PLANNING

PLANNING BOARD

The Planning Board meets on the first and third Thursday of each month, in addition to special meetings as required. All Planning Board meetings are open to the public. A very challenging 1991 is ahead of the Planning Board. In order to hear vital public input, and to provide opportunities for citizens to gain a better understanding of planning and development, the Board

encourages residents to attend each meeting.

The general slowdown in the housing construction industry continued in 1990. The following table illustrates the number and type of subdivision plans the Planning Board acted upon over the past year:

Type of Plan	No. of Plans Submitted	No. of Lots Proposed	No. of Plans Approved	No. of Lots Approved
PRELIMINARY	1	10	0	0
DEFINITIVE	6	38	8*	55

*Some plans approved in 1990 were submitted in previous years. Two (2) Definitive Plans are pending approval as of December 31, 1990. One (1) Definitive Plan was disapproved in 1990.

Filing fees for these subdivisions totalled \$8,250. The Board also reviewed and acted on twenty Form A (Approval not Required) plans, collecting \$500 in fees for their review.

A major change to the Zoning By-Law occurred at the Fall Town Meeting, when the Planning Board successfully put forth the new "Subdivision Phasing" by-law. This new by-law will replace the "Subdivision Phasing" by-law which was adopted in 1985 as a recommendation of the Aquifer Protection Study and Master Plan Update of that year. The old by-law limited the development of single-family residential subdivisions to 10 lots per year. The new by-law replaces the old Special Permit and covenant procedures with a point system which encourages certain qualitative elements to be incorporated into the design of subdivisions. Each subdivision is rated on the number of points accumulated and the number of lots proposed. The accumulated points then correspond to a set percentage "build-out" rate for the subdivision. The by-law was designed over a year and a half long process, and was approved unanimously by Town Meeting.

Also in 1990, the Planning Board adopted procedures for the issuance of Special Permits for Common Driveways and Open Space Residential Developments. In late 1990, the Board began a process of drafting major revisions to

its Rules and Regulations Governing the Subdivision of Land. These revisions are planned to be adopted in March 1991.

In 1990, the Planning Board took an active interest in state legislative initiatives for planning. The Board adopted a resolution endorsing a change in the Zoning Act which would restrict the "grandfathering" of land from zoning changes, and adopted another resolution endorsing a change in the Subdivision Control Law which would allow planning boards to require the dedication of parklands in subdivisions. Unfortunately, both bills died in the 1990 legislative session.

In September, Mr. Douglas Landry resigned as Walpole's first Town Planner to accept a position as a Transportation Planner with the Public/Private Development Unit of the Massachusetts Department of Public Works in Boston. Mr. Landry began work as Walpole's Town Planner in May 1988, and served admirably over the 2½ years that he provided professional assistance to the Planning Board and several other town agencies. In addition to preparing changes to the Zoning By-Law and Subdivision Rules and Regulations, reviewing and offering recommendations on subdivision plans and site plans, and providing general administrative assistance to the Board, Mr. Landry was instrumental in prepar-

ing the Town's \$2.4 million Prison Expansion Grant. The Planning Board wishes him well, and knows he has laid a good foundation for future Town Planners to build upon.

In May, Mrs. Elizabeth Nashawaty was re-elected to a third term on the Planning Board, and Mr. Joseph Manfredi was elected as its new-

est member. Subsequently, an organizational meeting was held to elect the following officers:

David Kearney — Chairman
Elizabeth Nashawaty — Vice Chairman
Gavin Viano — Clerk

Mr. Thomas Driscoll is the fifth member of the Planning Board.

SEWER AND WATER COMMISSIONERS

The Board of Sewer & Water Commissioners was established in 1973, which consists of a 5-member elected Board, for staggered 3 year terms. This Commission is responsible for setting policy regarding the operation and maintenance of the Town's sewer, water, and drainage systems. We are also responsible for planning for the future needs of the Town.

In the May town election, Robert Barrett was re-elected for another 3-year term, and Robert Van Ness was elected to his first 3-year term. Also in May, Thomas Bowen, Jr. was elected Chairman of the Board, and Robert Van Ness was elected Clerk. The remaining Board members were William Abbott, and Patrick Fasanello.

In 1990, the TCE contamination of Washington Well No. 6 was finally resolved. Metal Bellows completed the installation of a granular activated carbon filter system. This brought the TCE levels down to a level that can not be detected.

In December, the removal of the Alice Avenue

pump station was completed. The Alice Avenue sewer is now connected by gravity to Washington Street. This will save money through the years and is also more sound environmentally.

At the fall town meeting, approval to borrow funds to construct a new water tank was obtained. Construction of a 3 million gallon tank will begin in the spring. This will go a long way towards reaching the water storage capacity necessary for the Town.

An agreement was reached with the State Department of Environmental Protection, which sets up a timetable for completion of the Septage Waste Facility. The State has agreed to deadlines for completion of its review, which will allow construction to begin.

The Commission would like to thank Mary Frisbee, our secretary, for her work during the past year. We would also like to thank Mr. Merriam, the Town Administrator, for his help during the past year.

HOUSING AUTHORITY

The Walpole Housing Authority offices are located at 8 Diamond Pond Terrace and are open Monday-Friday 9:00 am to 5:00 pm. The telephone number is 668-7878. The Board of Commissioners meet regularly in the Community Room at Diamond Pond Terrace on the first Monday of each month.

The Walpole Housing Authority manages a variety of state and federal programs and thus assists 236 families with their need for decent, safe, sanitary and affordable housing.

Included in the units owned by the Authority are the two elderly complexes at Neponset View

Terrace and Diamond Pond Terrace which serve as residences for 118 senior citizens, as well as twelve units of family housing. In addition, the Authority administers two rental assistance programs in which both state and federal funds subsidize the rents of eligible families in privately owned apartments in the community.

George E. Tyner, Jr. retired from the Board after 13 years of faithful service. George served as Chairman for four years, and during this time he worked very hard to produce Walpole's first 12 units of family housing. George received several awards for his efforts in this area including Mass. NAHRO's Elizabeth Wills Commissioner of the Year Award. He and the Authority were also recognized by the Governor and by the Norfolk County District Attorney's Office for their work on the Chapter 705 development. The Board wishes George well and would like to express their gratitude to him for his many years of dedicated service.

The Commissioners welcomed Jay Delaney to the Board this year. Jay ran for a five year term and everyone looks forward to working with him.

Due to the fiscal constraints of the Commonwealth, there was no growth of the state programs during 1990. In fact, the State rental assistance program, Chapter 707, was frozen — this means that any certificates which become

available through attrition may not be reissued.

During 1990, the complex at Neponset View Terrace, which is nearly twenty years old, underwent some modernization. All of the windows were replaced with vinyl-clad thermopane windows. The white trim on the buildings was painted and new shutters were purchased. The Authority was pleased that due to the fact that state funds are not available, they were able to do this needed work with their own money, which, due to careful management, had been accumulated over the years.

The Commissioners would like to acknowledge their capable staff who are called to deal with greater case loads as a result of the worsening economy and increased homelessness. The staff must also work under greater fiscal constraints as a result of decreased operating budgets. The Board would also like to extend their appreciation to the many town boards and departments who continue to assist the Authority and their tenants, particularly the elderly, in so many ways during the year. Particular thanks goes to the Walpole Police and Fire Departments, the EMT's, the Visiting Nurse Association, and the Department of Public Works.

FINANCES

FINANCE DEPARTMENT

I am pleased to submit my annual report for the fiscal year ending June 30, 1990.

Again this year, a substantial amount of interest income was gained for the Town. Although interest rates were declining throughout the year, the implementation of quarterly Sewer and Water bills increased the cash flow boosting the Town's earnings.

A decline in the State's economy has filtered down to municipalities in many ways. The sluggish economy is evident in the slowdown of the Town's tax collections. However, at a 96 percent collection rate for the current levy, Walpole still fares very well when compared to many other communities within the State.

Due to prudent investment practices, good cash management, and delinquent collection efforts, the Town avoided borrowing for anticipation of tax revenues for another year.

I would like to express my thanks to all of my staff for a job well done.

TOWN ACCOUNTANT

I am pleased to submit the following audited financial report for the Town of Walpole's fiscal year ending June 30, 1990. This report includes all fund types including Special Fund for Sewer and Water. Anyone who wishes to review a more detailed report on Special Funds may do

so at the office of the Accountant.

It should be noted on the "Changes in Fund Balance" statement that the residual equity transfer in (out) is the transfer of Sewer and Water from the General Fund to the Special Revenue Fund.

Combined Statement of Revenues and Other Sources, and Expenditures and Other Uses – Budget and Actual – General Fund

FINANCE COMMITTEE

The Finance Committee is the primary advisory committee to the Town Meeting. It consists of 15 members appointed by the Town Moderator for a three year term. The Committee meets two days a week (Monday and Thursday), more, if needed to complete its task; to render a recommendation on all warrant articles and the Town's budget that the Representative Town Meeting members will consider. This task is completed by meeting during the months of January, February, March, and April for the Spring Session of the Annual Town Meeting and late August, September, and October for the Fall Session of the Annual Town Meeting. The Committee also meets, as needed for any Special Town Meetings called by the Board of Selectmen.

Whether it be a one or two article warrant

for a Special Town Meeting or a 40 - 50 article warrant for an Annual Town Meeting, the Committee renders a "Favorable Action", "No Action" or "Recommendation at Town Meeting" recommendation that is the motion that the Town Meeting body debates. The Finance Committee also administrates the Reserve Fund. This budget item, appropriated by Town Meeting, is used by various Town committees and departments for any unforeseen or unexpected (unbudgeted) expenses.

As revenues from all sources to the Town become scarce, the responsibility of the Finance Committee is more difficult. Balancing the needs of the community versus the fiscal reality that the Town of Walpole has faced for the past three years has been difficult. The Committee has attempted to meet those needs as well as these realities.

BOARD OF ASSESSORS

We herewith submit our annual report for the year 1990. The statistics for the fiscal year 1991.

Parcel Type	Number of Parcels	Assessment
Residential Parcels	7,032	\$1,355,345,100
Open Space Parcels	53	1,467,600
Commercial Parcels	345	161,055,200
Industrial Parcels	250	94,912,900
Personal Property	303	28,181,900
Exempt Parcels	408	211,831,900
TOTALS	8,391	\$1,852,794,600

Total Tax Levy	\$17,214,907.53
Other Revenue Sources	<u>12,043,556.46</u>
	\$29,258,463.99

The assessing office is one of complex and diversified duties. The main priority of the assessing office is to produce tax revenue for the Town's operating expenses.

There are three main sources of tax revenue: real estate, personal property, and motor vehicle taxes.

This year the Residential tax rate is \$10.16 per thousand and the Commercial/Industrial tax rate is \$12.07.

Chairman, Anthony Bruno & Clement Boragine have successfully completed the required courses to become state certified assessors. In May, James P. Driscoll was elected as the newest member of the Board of Assessors. He has a strong presence in the town government, serving as member of the School Committee for six years and as Chairman for three of those years. Mr. Driscoll is a graduate of Holy Cross College and a long time resident of Walpole.

The Board appointed Brenda L. Cameron to the newly created post of Appraiser/Ass't. Assessor. Mrs. Cameron is a graduate of Providence College, where she received a bachelor's degree in political science/Latin American studies.

She is currently enrolled in the executive M.B.A. program at Suffolk University in Boston.

Mrs. Cameron was previously employed by the Department of Revenue as a property tax appraiser. She conducted the certification reviews and provided technical assistance to municipal officials on the design and operation of their mass appraisal systems as well as the computer-assisted mass appraisal system designed by the State.

The Town of Walpole lost two employees in 1990. Marie A. Woods was the Administrative Clerk in the Assessing Department until she retired in 1986. She will be missed by all who knew her.

Robert A. Cobb, a long-time member of the Board of Assessors and a Town Meeting Representative, was elected on 1/1/56 to the Board and retired in 1989. He was the residing Chairman from 1968 to 1984. Bob was involved with the Walpole Little League and the Housing Authority for many years. He will be missed for his dedication to Town government.

The Board consists of three members who are elected in May. The Board meets every Tuesday evening at 7:00 P.M. Please call in advance for appointments.

ROBERT A. COBB
Board of Assessors 1956 – 1989
Chairman 1968 – 1984
Served Faithfully as Assessor for 33 Years

MARIE CEGLASSKI WOODS
Assessing Clerk 1968-1986

GROSS SALARIES, TOWN EMPLOYEES

Printed below are the gross salaries of town employees for 1990. The information was obtained from the treasurer's computer run and should be accurate. We would like to stress that these are not necessarily straight time earnings and may include overtime, stipends for extra duties, and in some cases income from more than one department.

TOWN MEETING ABSTRACTS

ANNUAL TOWN MEETING WARRANT Spring Session

TOWN OF WALPOLE COMMONWEALTH OF MASSACHUSETTS

Nofrolk, ss.

To any Constable in the Town of Walpole,

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

**FIRST MONDAY IN APRIL, 1990, IT BEING THE
SECOND DAY OF SAID MONTH, AT 7:30 P.M.**

in accordance with the Charter of the Town, then and there to see if the Town will vote to amend the By-Laws and Zoning By-Laws of said Town and to act on the following articles:

ARTICLE 1. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the twelve-month period beginning July 1, 1990 in accordance with General Laws, Chapter 44, Section 4, and acts and amendments and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 4, Section 17.

(Petition of the Board of Selectmen)

ARTICLE 2. To hear and act on the report of any committee or to choose any committee the Town may think proper and transact any other business that may legally come before the Town.

(Petition of the Board of Selectmen)

ARTICLE 3. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to defend the Town of Walpole's position in opposition to the Massachusetts Water Resources Authority Residuals Management selection of the South Walpole site, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 4. To see if the Town will vote to appropriate a sum of money to engage a Certified Public Accountant or firm of accountants to audit all the accounts of the Town in accordance with Article VI, Section 6-B of the Walpole Home Rule Charter, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 5. To see if the Town will vote to approve the amendments to the Personnel By-Laws.

(Petition of the Personnel Board)

ARTICLE 6. To see if the Town will vote to approve the new pay schedule as recommended by the Personnel Board.

(Petition of the Personnel Board)

ARTICLE 7. To see if the Town will vote to appropriate a sum of money to defray certain salary expenses as recommended by the Personnel Board in the new salary schedule.

(Petition of the Personnel Board)

ARTICLE 8. To see if the Town will vote to fix the salary and compensation for elected officials of the Town as provided for by the General Laws, Chapter 41, Section 108, for their services for the fiscal year commencing July 1, 1990 and to see what sum of money the Town will appropriate or transfer from available funds to defray departmental and incidental expenses of the Town for the fiscal year commencing July 1, 1990, not otherwise provided for.

(Petition of the Board of Selectmen)

ARTICLE 9. To see if the Town will vote to appropriate a sum of money for Veterans' pensions under Chapter 32, Section 59A of the Massachusetts General Laws.

(Petition of the Board of Selectmen)

ARTICLE 10. To see if the Town will vote to appropriate a sum of money to print the 1989 Town Report.

(Petition of the Board of Selectmen)

ARTICLE 11. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to make capital improvements to certain municipal buildings, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 12. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to resurface and reconstruct certain streets, and sidewalks, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 13. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase equipment for the Department of Public Works, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 14. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase and/or refurbish equipment for the Fire Department, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 15. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase classroom furniture and/or other equipment for the School Department, or do or act anything in relation thereto.

(Petition of the School Committee)

ARTICLE 16. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase vehicles and equipment for the Police Department, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 17. To see if the Town will appropriate, borrow and/or transfer a sum of money to purchase computers, software and/or peripheral equipment, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 18. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to construct and/or reconstruct certain sidewalks, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 19. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to construct storm drains and appurtenances in the Pickerel Brook drainage area, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 20. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to accept as a gift, purchase or take by eminent domain permanent and temporary utility easements on parcels of land, designated by assessor's parcel numbers D740-3-3, D740-3-1-B, D740-3-1, D740-4-A and D742-4 for storm drain construction, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 21. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to make sewerage system improvements, or do or act anything in relation thereto.

(Petition of the Sewer and Water Commissioners)

ARTICLE 22. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to replace water mains and appurtenances in various areas, or do or act anything in relation thereto.

(Petition of the Sewer and Water Commissioners)

ARTICLE 23. To see if the Town will vote to amend its By-Laws, Article X Health By-Laws by adding to Section 1, new subsections b and c as follows:

Article X Section 1

(b) The owner covenants and agrees to hook up to the sewer distribution system of the Town of Walpole immediately following at least one of the following events:

1. Failure of the present septic system determined in the sole discretion of the Board of Health.
2. Sale of the property.

(c) The owner covenants and agrees to sign a sewer hookup agreement with the Board of Health of the Town of Walpole through its agent and agrees to record this agreement at Norfolk County Registry of Deeds (Norfolk Registry of the Land Court).

(Petition of the Board of Health)

ARTICLE 24. To see if the Town will vote to authorize the Board of Selectmen, in accordance with Massachusetts General Laws, Chapter 40, Section 8H, to authorize the Board of Health to establish a program for the purpose of recycling any type of solid waste including but not limited to paper, glass, metal and plastics for which the Board of Health may establish rules and regulations which may require that all residents, schools, and businesses separate such recyclables from their solid waste, further to authorize the Board of Selectmen to enter into any agreements for the purpose of a joint Recycling Program with other municipalities in accordance with Massachusetts General Laws, Chapter 40, Section 8H and 4A, where applicable, or do or act anything in any manner relating thereto.

(Petition of the Board of Health)

ARTICLE 25. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to cover the Town's share in expected legal fees or other costs

associated with a joint Regional Recycling Program, or do or act in any manner relating thereto.

(Petition of the Board of Health)

ARTICLE 26. To see if the Town will vote to amend its By-Laws by adding a new Section 3 to "Article X – Health By-Laws" as follows:

Article X Section 3. NUISANCE BY-LAW

1 – Authority and Purpose

In accordance with the general powers derived by Article 89 of the Amendments to the Massachusetts Constitution, this By-Law is adopted for the removal and prevention of nuisances within the Town of Walpole.

2 – Definitions

"Nuisance" — Any substantial interference with the common interest of the general public in the maintenance of safe and sanitary property and neighborhoods having a reasonable relation to the public health. Specific conditions which characterize a nuisance shall include, but not be limited to, a gross accumulation of junk, debris or garbage over a prolonged or extended period of time; the creation and maintenance of unnatural areas conducive to the breeding of mosquitoes, inasmuch as such areas are not considered to be retention or detention basins designed to mitigate stormwater runoff of public ways; and the deliberate or unintentional creation and maintenance of areas conducive to the harborage and breeding of rodents and other feral animals.

"Interested parties" — The owner, abutters, owners of land directly opposite on any public or private street or way, and abutters to the abutters within three hundred feet (300') of the owner's property line as they appear on the most recent Town tax list, notwithstanding that the land of any such abutter or owner is located in another city or town.

"Owner" — The person with record title to the property upon which a nuisance is alleged or determined to be present, or an authorized agent or representative of such person.

"Petition" — A written document prepared by the Health Agent to the Board of Selectmen and Board of Health stating the address of the alleged nuisance, owner of the subject property, a brief description of the facts of the complaint, and a list of proposed remedial actions to alleviate said nuisance.

3 – Administration

(a) **Remedial Order** — Upon written complaint or upon the Board of Health's own initiative and within a reasonable amount of time, the Health Agent shall inspect and investigate any condition upon property within the Town of Walpole which may constitute a nuisance. If, in the opinion of the Health Agent the condition does constitute a nuisance, the agent shall make a written report to the Board of Selectmen and the Board of Health of such condition, together with a petition for remedial action, and shall file a copy of the petition for remedial action with the Town Clerk.

Upon receipt of such petition and report, the Board of Health shall set a date for a hearing before said Board, not more than 30 days after the date of filing of the petition with the Town Clerk. Notice of said hearing shall be posted, published and sent to interested parties not less than 14 days before the date of said hearing. Notice of the hearing shall state the subject matter sufficient for proper identification, and the date, time and place of the hearing.

Within fifteen (15) days after the hearing, the Board of Health shall determine whether or not the condition constitutes a nuisance, and shall determine what action shall be taken by the owner to remedy the nuisance. The Board of Health shall issue a Remedial Order to the owner to abate such nuisance within 24 hours after service of such order, or within such other time as it considers reasonable.

(b) **Penalties** — An owner shall forfeit twenty-five dollars (\$25.00) for every day during which he/she willfully violates such a Remedial Order, unless state law requires a different amount.

(c) **Service of Remedial Order** — The Town Clerk shall deliver a copy of the Remedial Order to an officer qualified to serve civil process, who shall forthwith serve an attested copy thereof to the owner. Such a Remedial Order shall be in writing, and shall be served on the owner in the manner specified by Massachusetts General Laws Chapter 111, Section 124.

(d) **Appeal to Superior Court** — A person aggrieved by such an order may appeal to Superior Court in accordance with applicable provisions, if any, of the Massachusetts General Laws.

4 – Reservation of Rights by Board of Selectmen and Other Municipal Boards and Officials

The provisions contained within this by-law are intended to complement the powers, duties and responsibilities of the Board of Selectmen as they relate to common nuisances caused by burnt, dilapidated, or dangerous buildings or structures as provided in M.G.L. Chapter 139, Sections 1-3B; the powers, duties and responsibilities of the Board of Health as they relate to any nuisance, source of filth or cause of sickness under M.G.L. Chapter 111, Sections 123-125 or to dwellings unfit for human habitation under M.G.L. Chapter 111, Sections 127A-127C; the powers, duties and responsibilities of the local inspector as they relate to dangerous structures under M.G.L. Chapter 143, Sections 6-11; and other municipal powers, duties and responsibilities as set forth in the Massachusetts General Laws, and said provisions shall not be construed to supersede or otherwise abrogate such powers, duties and responsibilities.

(Petition of the Board of Health)

ARTICLE 27. To see what disposition the Town will make of the unexpended balances in certain specified accounts.

(Petition of the Finance Committee)

ARTICLE 28. To see if the Town will vote to accept Audubon Drive from its beginning at Station 0+00 to its end at Station 30+79±.

(Petition of the Planning Board)

ARTICLE 35. To see if the Town will vote to accept Townside Lane from its beginning at Station 0+00 to its end at Station 5+97±.

(Petition of the Planning Board)

ARTICLE 36. To see if the Town will vote to accept Grasshopper Lane from its beginning at Station 0+00 to its end at Station 3+25±.

(Petition of the Planning Board)

ARTICLE 37. To see if the Town will vote to accept Bubbling Brook Road from its beginning at Station 0+00 to its end at Station 24+05±.

(Petition of the Planning Board)

ARTICLE 38. To see if the Town will vote to accept Trailside Drive from its beginning at Station 4+89.80 to its end at Station 7+68±.

(Petition of the Planning Board)

ARTICLE 39. To see if the Town will vote to accept Windsor Road from its beginning at Station 0+00 to its end at Station 12+38±.

(Petition of the Planning Board)

ARTICLE 40. To see if the Town will vote to accept Bristol Lane from its beginning at Station 0+00 to its end at Station 3+22±.

(Petition of the Planning Board)

ARTICLE 41. To see if the Town will vote to accept Wycliffe Road from its beginning at Station 0+00 to its end at Station 17+16±.

(Petition of the Planning Board)

ARTICLE 42. To see if the Town will vote to accept Hampton Court from its beginning at Station 0+00 to its end at Station 7+60±.

(Petition of the Planning Board)

ARTICLE 43. To see if the Town will vote to accept Emerson Road from its beginning at Station 0+00 to its end at Station 29+39±.

(Petition of the Planning Board)

ARTICLE 44. To see if the Town will vote to accept Pall Mall from its beginning at Station 0+00 to its end at Station 14+35±.

(Petition of the Planning Board)

ARTICLE 45. To see if the Town will vote to amend its Zoning By-Law and Zoning Map to the extent of changing the zoning district designation of the following described parcels of land from "Residence B" to "Limited Manufacturing":

Parcel A. Beginning at the Northwesterly corner of a Lot shown containing 94,338 square feet, owned by Martin S. Ryan, Jr., and Donald Penkoski; thence along the Northerly line of said lot, by land of Palumbo Brothers Trust, N 70°08'10", 198.11'; thence along a non-tangent curve to the right, 250' from and parallel with the centerline of Route One, having a central angle of 0°11'56"; a radius of 4753.74' and an arc length of 16.50'; thence along the Southerly line of said lot by land of Roland G. and Jennie D. Giandomenico, S 70°08'10"W, 3.99'; thence along the Northeasterly line of said lot, S 39°23'08"E, 3.25'; thence along a non-tangent curve to the right, along said parallel line, having a central angle of 3°35'49"; a radius of 4753.74' and an arc length of 298.42'; thence along the southwesterly line of said lot by land of Palumbo Brothers Trust N 12°43'50"W, 226.74' to the point of beginning, containing 22,849 square feet more or less.

Parcel B. Beginning at the Northwesterly corner of a lot shown containing 20,245 square feet, owned by Roland G. and Jennie D. Giandomenico; thence along the Northerly line of said lot by land of Martin S. Ryan, Jr. and Donald Penkoski, N 70°08'10"E, 3.99'; thence along a non-tangent curve to the right, along a line 250' from and parallel with the centerline of Route One, having a central angle of 0°03'03", a radius of 4753.74' and an arc length of 4.22'; thence along the Southwesterly line of said lot by land of Martin S. Ryan, Jr. and Donald Penkoski, N 39°23'08", W 3.25' to the point of beginning, containing 6 square feet more or less.

Parcel C. Beginning at the Northwesterly corner of land of Palumbo Brothers Trust, said point being on the Southerly right-of-way line of High Plain Street (Route 27); thence N 10°30'21"W, 78.43' to the Northerly right-of-way line of said High Plain Street; thence along said Northerly right-of-way line, S 50°06'50"E, 362.31'; thence along a non-tangent curve to the right, 250' from and parallel with the centerline of Route One, having a central angle of 0°38'07", a radius of 4753.74' and an arc length of 52.71'; thence along the southerly right-of-way line of said High Plain Street, N 50°06'50" W, 318.57' to the point of beginning, containing 17,024 square feet more or less, or do or act anything in relation thereto.

(Petition of Martin S. Ryan, Jr. and Donald Penkoski as to Parcel A; Roland G. Giandomenico and Jennie D. Giandomenico as to Parcel B;
Town of Walpole as to Parcel C)

ARTICLE 46. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to retain an architect to design additional elementary school classroom space, or do or act anything in relation thereto.

(Petition of the Permanent Building Committee)

ARTICLE 47. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase a parcel of land as a site for a new elementary school, or do or act anything in relation thereto.

(Petition of the Permanent Building Committee)

ARTICLE 48. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money for the Conservation Commission to be placed in the Conservation Fund as authorized in Clause 51, Section 5, Chapter 40 of the General Laws, for the sole purpose of land acquisition, or do or act in any way in relation thereto.

(Petition of the Conservation Commission)

ARTICLE 49. To see if the Town will vote to authorize the Board of Selectmen to transfer a portion of a parcel of land designated as Assessor's Parcel D-1054 off Old Post Road abutting the Old Post Road water tank to the Walpole Housing Authority, for the purpose of public housing needs with the provision that this parcel remain the property of the Walpole Housing Authority for ten years and if public housing is not constructed on this site during the period, the parcel will revert to the Town of Walpole, or do or act anything in relation thereto.

(Petition of the Walpole Housing Authority)

ARTICLE 50. To see if the Town will vote to appropriate, borrow, and/or transfer a sum of money to accept as a gift, purchase, or take by eminent domain, permanent and temporary utility easements or parcels of land designated by Assessor's parcel numbers: D1051-D1051-18, D1051-17, D1051-16, D1051-9-2, D1051-9-1, D1051-6, D1051-10-A, D1051-10-B, D1051-10-C, D1051-28, D1051-20, D1051-21-A, D1051-21-B, D1051-22-A, and D1053-3 for sewer, water, drainage and road construction, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

And you are hereby directed to serve this Warrant by posting attested copies thereof in at least two public places in each precinct in said town not less than seven days before the last day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk before the day set for said meeting.

Given under our hands and the seal of the Town this second day of January, in the year one thousand nine hundred and ninety.

BOARD OF SELECTMEN

Joanne F. Damish

Paul A. Palermino

William T. Hamilton

Joseph P. Germano, Jr.

John J. Hamilton

A true copy:
Attest: Armando J. Betro
Constable of Walpole

By virtue of the within Warrant, I have notified the inhabitants of the Town of Walpole qualified to vote in elections and town affairs, to meet at the time and place for the purpose mentioned in said Warrant by posting attested copies thereof in at least two public places in each precinct of said town not less than seven days before the day appointed for said meeting.

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE

APRIL 2, 1990

MEETING OF PRECINCT 2 RTM MEMBERS FOR THE PURPOSE OF FILLING A VACANCY

At a meeting held on April 2, 1990 at 7:15 P.M. in the Eleanor N. Johnson Middle School for the purpose of filling a vacancy in the Representative Town Meeting Membership of Precinct 2, in accordance with Section 2-7 (B) 1 of the Walpole Home Rule Charter, the following action was taken:

William J. Goode, Jr., 24 Carriage Lane, was appointed to fill the vacancy created by the death of Mary T. Harrington.

Louis E. Hoegler
Town Clerk

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE

ANNUAL TOWN MEETING (SPRING SESSION)

APRIL 2, 1990

Pursuant to the Warrant of April 2, 1990, the Annual Town Meeting (Spring Session) was called to order at 7:30 P.M. in the Eleanor N. Johnson Middle School by Moderator Bernard J. Duffy, Jr. All rules and regulations concerning the call of an Annual Town Meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Town Clerk, Louis E. Hoegler attested proper return of the Warrant.

It was Moved, Seconded and VOTED:
To waive the reading of the Warrant.

It was Moved, Seconded and VOTED:
That all Motion of the Finance Committee be the Main Motions.

TELLERS: Ronald Fucile, James K. Conroy, E. John Ferrara and Stephen Stone.

A RESOLUTION

WHEREAS: Robert A. Cobb was a life-long resident of the Town of Walpole;

WHEREAS: Robert A. Cobb served on the Walpole Housing Authority from 1954-1968 serving as Chairman in 1969;

WHEREAS: Robert A. Cobb was an Assessor for the Town of Walpole from 1957-1989 serving as Chairman from 1974-1984;

WHEREAS: Robert A. Cobb was a Representative Town Meeting Member from 1971-1986;

WHEREAS: Robert A. Cobb was a Veteran of World War II;

NOW,

THEREFOR: We, the Board of Assessors, on behalf of the Town of Walpole, do hereby honor the memory of Robert A. Cobb for his involvement in, and years of service to the Town of Walpole and express to his family and friends our heartfelt appreciation for his contribution to the Town.

A RESOLUTION

Concerning a resolution to be acted upon at Town Meeting of Walpole on the 2nd day of April 1990,

Mr. Moderator, Town Officials and Town Meeting Members:

We cannot see the wind, but we can sense its gentleness, conversely its damage. We, for the most part, cannot see our machinery of State Government at work, though the final effects reach us in the form of laws enacted and from the days of Caesar . . . we expect taxation. If the machinery of our government is in good working order and honest to goodness production is thus emanated, we usually give it our silent approval, or silent disapproval, however there comes a time, as with the Shay rebellion of old, when we must rise up at the local level, sound the alarm and voice our disenchantment after we are made aware as we are now, the administration of our State Government has been mismanaged, resulting in a chaotic, financial disarray and as noted by the country's foremost bond rating agencies Moodys & Standard & Poors. A check this date with both reveals the lowest rating in the Nation. We know the legislative bodies are at a standstill at this point of time. It is not inconceivable that a state government could go into a state of receivership, even as one major City of the Commonwealth did some years ago, unless bold changes are brought about.

The resolution I am about to offer you my colleagues is one I have given careful and studied thought to, not in recent weeks, but over many months. I have spoken with many, yes on both sides of the political aisle and who have also agonized over the overall fiscal conditions of the books of the Commonwealth. I offer this resolution this evening, as an Independent not attached in any way to either political party and I offer this in a somewhat sense of sadness, for I have had the benefit of support on a few occasions from the intended recipient of this resolve.

/s Robert I. Stewart
445 Main Street
Walpole, MA 02081

A RESOLUTION
to the
Town Meeting of Walpole
April 2, 1990

Whereas, the performance and conduct of the Administrations' Finances of the Commonwealth of Massachusetts has been deemed to be substandard by two of the Nations' foremost bond rating agencies, namely Moodys and Standard and Poors, Moodys with a recent lowering to BAA and Standard and Poors to a triple BBB, both the lowest in the Nation, we are now borrowing at the

costliest interest rate there is and in fact the Treasurer recently resorted to borrowing from Japanese banks, to shave the rate.

Whereas, the Administration of this State government has now eroded to such an extended low, the confidence of the people has reached a stage whereby, our plight has reached the level of a crisis and therefore warrants emergency, remedial action to prevent the withholding of local aid to the cities and towns as recently advocated by the Governor of the Commonwealth, which will result in being smitten with broadened new taxes and fees by the Commonwealth on one cheek and again by local taxation locally, on the other.

Be it resolved therefore, that this Town Meeting, adopt this resolution calling upon the Governor of the Commonwealth of Massachusetts Michael Dukakis to vacate his elected office by tendering his resignation forthwith.

/s Robert I. Stewart
445 Main Street
Walpole, Massachusetts 02081
April 2, 1990

ARTICLE 1

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the twelve-month period beginning July 1, 1990 in accordance with General Laws, Chapter 44, Section 4, and acts and amendments and to issue a note or notes therefore, payable within one year, and renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 4, Section 17.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 2

No report at this time.

ARTICLE 3

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town raise and appropriate from Taxation the sum of \$10,000 to defend the Town of Walpole's position in opposition to the Massachusetts Water Resources Authority Residual Management selection of the South Walpole site.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 4

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town raise and appropriate from Taxation the sum of \$17,500 to engage a Certified Public Accountant or firm of accountants to audit all the accounts of the Town in accordance with Article VI, Section 6-B of the Walpole Home Rule Charter.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 5

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town approve the following amendments to the Personnel By-Laws by deleting and substituting the following articles:

CHANGES TO THE PERSONNEL BY-LAWS

CURRENT ARTICLE 11 – NEW PERSONNEL

The hiring rate shall be the minimum of the rate range for the job unless otherwise authorized by the Department Head and Personnel Board. If such authorization is given, it shall be supported by written statement of the reasons.

PROPOSED ARTICLE 12 – NEW PERSONNEL

The hiring rate shall be the minimum of the rate range for the job unless otherwise authorized by the Department Head and Personnel Board. If such authorization is given, it shall be supported by written statement of the reasons.

All new employees shall be hired on a probationary basis for six months. At the end of the six-month probationary period, the employer shall either permanently appoint or terminate the employee. Such a decision shall be based upon employee's job performance.

CURRENT ARTICLE 16 – HOLIDAYS

Regular employees shall be paid for each of the following holidays:

NEW YEAR'S DAY	LABOR DAY
MARTIN LUTHER KING DAY	COLUMBUS DAY
WASHINGTON'S BIRTHDAY	ARMISTICE DAY
PATRIOTS' DAY	THANKSGIVING
MEMORIAL DAY	DAY
INDEPENDENCE DAY	CHRISTMAS DAY

Regular employees of the various Town Departments, other than Department Heads, Police and Fire Department employees, and others by agreement when hired, required to work on any of the above specified holidays shall be paid on the basis of time and one half in addition to the regular pay for that day.

Fire Department employees will be paid straight time worked on a holiday.

PROPOSED ARTICLE 16 – HOLIDAYS

Regular employees shall be paid for each of the following holidays:

NEW YEAR'S DAY	LABOR DAY
MARTIN LUTHER KING DAY	COLUMBUS DAY
WASHINGTON'S BIRTHDAY	VETERANS' DAY
PATRIOTS' DAY	THANKSGIVING
MEMORIAL DAY	DAY
INDEPENDENCE DAY	CHRISTMAS DAY

Whenever any of the holidays listed above falls on an employee's day off or during a vacation, the employee shall receive a compensatory day off in lieu of said holiday at a time designated by the Town Administrator.

Fire Department employees will be paid straight time worked on a holiday.

CURRENT ARTICLE 18 – OVERTIME AND COMPENSATORY TIME

B. For the positions listed in the part-time non-union schedule, Fire schedule, Safety schedule, and Recreation schedule (excluding the Director of Recreation) overtime shall be paid at the rate of time and one half for all hours worked in excess of thirty-five hours in a scheduled workweek.

PROPOSED ARTICLE 18 – OVERTIME AND COMPENSATORY TIME

B. For the positions listed in the non-exempt, non-union schedule, Fire schedule, Safety schedule and Recreation schedule, overtime shall be paid at the rate of time and one half for all hours worked in excess of thirty-five hours in a scheduled workweek.

DELETE – (Excluding the Director of Recreation) at the Spring Town Meeting, 1989, Recreation Director was reclassified to the exempt salary schedule Grade 12.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 6

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town approve the new Pay Schedule as recommended by the Personnel Board.

MOTION WAS: SO VOTED UNANIMOUS

MOTION WAS: SO VOTED

On Motion of the Finance Committee,
It was Moved and Seconded:

That all Budgets approved under ARTICLE 8 be appro-
priated and funded by taxation, said appropriation
being expressly conditioned upon the Town voting no
later than May 5, 1990 to override the provisions of
Proposition 2½, so called, to the extent necessary to
allow the Town to assess an additional \$52,000 in real
estate and personal property taxes for the purposes of
defraying departmental and incidental expenses of the
Town for the Fiscal Year commencing July 1, 1990,
except that the following budgets be funded by the
following exceptions:

Sewer Receipts of \$1,487,815 and Sewer Surplus of \$167,116 to fund the following direct costs of the sewer system as follows:

BUDGET

34. Sewer and Water Commissioners	7,446

ARTICLE 26

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town take NO ACTION.

On Substitute Motion of the Board of Health,
It was Moved and Seconded:

That the Town amend its By-Laws by adding a new Section 3 to "Article X—Health By-Laws" as follows:

Article X Section 3. NUISANCE BY-LAW

1 — Authority and Purpose

In accordance with the general powers derived by Article 89 of the Amendments to the Massachusetts Constitution, this By-Law is adopted for the removal and prevention of nuisances within the Town of Walpole.

2 — Definitions

"Nuisance" — Any substantial interference with the common interest of the general public in the maintenance of safe and sanitary property and neighborhoods having a reasonable relation to the public health. Specific conditions which characterize a nuisance shall include, but not be limited to, a gross accumulation of junk, debris or garbage over a prolonged or extended period of time; the creation and maintenance of unnatural areas conducive to the breeding

of mosquitoes, inasmuch as such areas are not considered to be retention or detention basins designed to mitigate stormwater runoff of public ways; and the deliberate or unintentional creation and maintenance of areas conducive to the harborage and breeding of rodents and other feral animals.

"Interested parties" — The owner, abutters, owners of land directly opposite on any public or private street or way, and abutters to the abutters within three hundred feet (300') of the owner's property line as they appear on the most recent Town tax list, notwithstanding that the land of any such abutter or owner is located in another city or town.

"Owner" — The person with record title to the property upon which a nuisance is alleged or determined to be present, or an authorized agent or representative of such person.

"Petition" - a written document prepared by the Health Agent to the Board of Selectmen and Board of Health stating the address of the alleged nuisance, owner of the subject property, a brief description of the facts of the complaint, and a list of proposed remedial actions to alleviate said nuisance.

3 — Administration

(a) **Remedial Order** — Upon written complaint or upon the Board of Health's own initiative and within a reasonable amount of time, the Health Agent shall inspect and investigate any condition upon property within the Town of Walpole which may constitute a nuisance. If, in the opinion of the Health Agent the condition does constitute a nuisance, the agent shall make a written report to the Board of Selectmen and the Board of Health of such condition, together with a petition for remedial action, and shall file a copy of the petition for remedial action with the Town Clerk.

Upon receipt of such petition and report, the Board of Health shall set a date for a hearing before said Board, not more than 30 days after the date of filing of the petition with the Town Clerk. Notice of said hearing shall be posted, published and sent to interested parties not less than 14 days before the date of said hearing. Notice of the hearing shall state the subject matter sufficient for proper identification, and the date, time and place of the hearing.

Within fifteen (15) days after the hearing, the Board of Health shall determine whether or not the condition constitutes a nuisance, and shall

determine what action shall be taken by the owner to remedy the nuisance. The Board of Health shall issue a Remedial Order to the owner to abate such nuisance within 24 hours after service of such order, or within such other time as it considers reasonable.

- (b) **Penalties** — An owner shall forfeit twenty-five dollars (\$25.00) for every day during which he/she willfully violates such a Remedial Order, unless state law requires a different amount.
- (c) **Service of Remedial Order** — The Town Clerk shall deliver a copy of the Remedial Order to an officer qualified to serve civil process, who shall forthwith serve an attested copy thereof to the owner. Such a Remedial Order shall be in writing, and shall be served on the owner in the manner specified by Massachusetts General Laws Chapter 111, Section 124.
- (d) **Appeal to Superior Court** — A person aggrieved by such an order may appeal to Superior Court in accordance with applicable provisions, if any, of the Massachusetts General Laws.

4 – Reservation of Rights by Board of Selectmen and Other Municipal Boards and Officials

The provisions contained within this by-law are intended to complement the powers, duties and responsibilities of the Board of Selectmen as they relate to common nuisances caused by burnt, dilapidated, or dangerous buildings or structures as provided in M.G.L. Chapter 139, Sections 1 - 3B; the powers, duties and responsibilities of the Board of Health as they relate to any nuisance, source of filth or cause of sickness under M.G.L. Chapter 111, Sections 123-125 or to dwellings unfit for human habitation under M.G.L. Chapter 111, Sections 127A-127C; the powers, duties and responsibilities of the local inspector as they relate to dangerous structures under M.G.L. Chapter 143, Sections 6-11; and other municipal powers, duties and responsibilities as set forth in the Massachusetts General Laws, and said provisions shall not be construed to supersede or otherwise abrogate such powers, duties and responsibilities.

It was Moved and Seconded:

To make the Substitute Motion and Main Motion.

MOTION WAS: SO VOTED YES—63 NO—47

AS MAIN MOTION: YES—54 NO—56

On Challenge to the Standing Count,
A Roll Call vote was taken:

ROLL CALL VOTE: YES—56 NO—55

MOTION WAS: SO VOTED

It was Moved, Seconded and **VOTED**

That this meeting be adjourned until Wednesday, April 18, 1990 at 7:30 P.M. in the Eleanor N. Johnson Middle School.

Meeting adjourned at 10:45 P.M.

Town Clerk

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE

ADJOURNED ANNUAL TOWN MEETING (SPRING SESSION)

APRIL 18, 1990

Pursuant to the foregoing adjournment of April 11, 1990 the Town meeting was called to order by Moderator Bernard J. Duffy, Jr. at 7:35 P.M. All rules and regulations concerning the call of an Adjourned Town Meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

TELLERS: James K. Conroy, Ronald Fucile, J. John Ferrara and Stephen Stone.

On Motion by Carol A. Lane and
Seconded by Joseph C. Moraski:

It was Moved and Seconded:

To take ARTICLE 46 and 47 out of order after ARTICLE 48.

MOTION WAS: SO VOTED

ARTICLE 2

On Motion by William F. Abbott,
Seconded by Thomas J. Bowen, Jr.

That the Moderator appoint a committee of five (5) persons to be known as the Sewer and Water Study Committee. The Committee shall study the duties and responsibilities of the Sewer and Water Commission. Their study shall include, but not be limited to,

ARTICLES 3-1, 3-10 and 4-3 of the Town Charter. They shall, as they require, have access to any information pursuant to their study. They may request that any individuals appear before them.

The Committee shall report their findings and recommendations to the Town Meeting no later than April 1991. They may, if they wish, submit articles for the consideration of the Town Meeting at the time of their report.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 5

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Laws and Zoning Map to the extent of changing the zoning district designation of the following described parcels of land from "Residence B" to "Limited Manufacturing":

Parcel A. Beginning at the Northwesterly corner of a Lot shown containing 94,338 square feet, owned by Martin S. Ryan, Jr., and Donald Penkoski; thence along the Northerly line of said lot, by land of Palumbo Brothers Trust, N 70°08'10"E, 198.11'; thence along a non-tangent curve to the right, 250' from and parallel with the centerline of Route One, having a central angle of 0°11'56"; a radius of 4753.74' and an arc length of 16.50'; thence along the Southerly line of said lot by land of Roland G. and Jennie D. Giandomenico, S 70°08'10" W, 3.99'; thence along the Northeasterly line of said lot, S 39°23'08" E, 3.25'; thence along a non-tangent curve to the right, along said parallel line, having a central angle of 3°35'49"; a radius of 4753.74' and an arc length of 298.42'; thence along the southwesterly line of said lot by land of Palumbo Brothers Trust N 12°43'50" W, 226.74' to the point of beginning, containing 22,849 square feet more or less.

Parcel B. Beginning at the Northwesterly corner of a lot shown containing 20,245 square feet, owned by Roland G. and Jennie D. Giandomenico; thence along the Northerly line of said lot by land of Martin S. Ryan, Jr. and Donald Penkoski, N 70°08'10" E, 3.99'; thence along a non-tangent curve to the right, along a line 250' from and parallel with the centerline of Route One, having a central angle of 0°03'03", a radius of 4753.74' and an arc length of 4.22'; thence along the Southwesterly line of said lot by land of Martin S. Ryan, Jr. and Donald Penkoski, N 39°23'08", W 3.25' to the point of beginning, containing 6 square feet more or less.

Parcel C. Beginning at the Northwesterly corner of land of Palumbo Brothers Trust, said point being on the Southerly right-of-way line of High Plain Street (Route 27); thence N 10°30'21" W, 78.43' to the Northerly right-of-way line of said High Plain Street; thence along

said Northerly right-of-way line, S 50°06'50" E, 362.31'; thence along a non-tangent curve to the right, 250' from and parallel with the centerline of Route One, having a central angle of 0°38'07", a radius of 4753.74' and an arc length of 52.71'; thence along the southerly right-of-way line of said High Plain Street, N 50°06'50" W, 318.57' to the point of beginning, containing 17,024 square feet more or less.

JOSEPH L. WISSMAN SO DECLARED AT 11:25 P.M.

Louis E. Hoegler
Town Clerk

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE

ANNUAL ELECTION WARRANT

Norfolk, ss.

To any Constable in the Town of Walpole,

Greetings:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole in their respective precincts as follows: the qualified voters of Precinct 1 to meet in St. Mary's Parish Hall; the qualified voters of Precinct 2 to meet in the Old Post Road School; the qualified voters of Precinct 3 to meet in the Senior Center in Town Hall; the qualified voters of Precinct 4 to meet in the Boyden School; the qualified voters of Precinct 5 to meet in the Senior Center in Town Hall; the qualified voters of Precinct 6 to meet in the Fisher School; and the qualified voters of Precinct 7 to meet in the Fisher School on

SATURDAY, THE FIFTH DAY OF MAY, 1990

to bring their votes for the following officers, to wit:

One Town Moderator for one year; one Selectman for three years; one Selectman for one year unexpired term; one Assessor of Taxes for three years; one Assessor for one year unexpired term; two Public Library Trustees for three years; two School Committee Members for three years; two Planning Board Members for three years; one Housing Authority Member for five years; and two Sewer and Water Commissioners for three years.

And the following Town Meeting Representatives:

- In Precinct 1 — Seven Town Meeting Representatives for three years;
In Precinct 2 — Eight Town Meeting Representatives for three years;
In Precinct 3 — Seven Town Meeting Representatives for three years; and one Town Meeting Representative for a one-year unexpired term; and one Town Meeting Representative for a two-year unexpired term;
In Precinct 4 — Seven Town Meeting Representatives for three years;
In Precinct 5 — Eight Town Meeting Representatives for three years;
In Precinct 6 — Six Town Meeting Representatives for three years;
In Precinct 7 — Eight Town Meeting Representatives for three years.

And vote on the following ballot questions:

Question 1. Shall the Town of Walpole be allowed to exempt from the provisions of Proposition Two and One-Half, so called, the amounts required to pay for the Bond issued in order to acquire a parcel of land for Conservation purposes?

Yes
No

Question 2. Shall the Town of Walpole be allowed an additional \$140,000 in real estate and personal property taxes for the purpose of retaining an architect to design additional classroom space at the Old Post Road School for the fiscal year beginning July first, nineteen hundred and ninety?

Yes
No

Question 3. Shall the Town of Walpole be allowed to assess an additional \$452,000 in real estate and personal property taxes for purposes of defraying departmental and incidental expenses of the Town for the fiscal year beginning July first, nineteen hundred and ninety?

Yes
No

Question 4. Should the State return 40% of all money collected in personal income taxes and sales taxes to cities and towns in unrestricted, unearmarked local aid and all lottery revenues to which municipalities are entitled?

Yes
No

The polls shall open at 8:00 o'clock in the forenoon and close at 8:00 p.m.

And you are hereby directed to serve this warrant by posting attested copies thereof in at least two public places in each precinct in said Town not less than seven days before the day appointed for said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk before the day set for said election.

Given under our hands and seal of the Town this 17th day of April in the year one thousand nine hundred and ninety.

Joanne F. Damish
Paul A. Palermino
Joseph P. Germano, Jr.

SPECIAL TOWN MEETING WARRANT

TOWN OF WALPOLE

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To any Constable in the Town of Walpole:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in the elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

THIRD MONDAY IN JUNE, IT BEING THE EIGHTEENTH DAY OF SAID MONTH, AT 7:30 P.M.

in accordance with the Charter of the Town, then and thereto to see if the Town will vote to amend the By-Laws of said Town and to act on the following articles:

ARTICLE 1. To see if the Town will vote to accept the agreement establishing Tri-County as amended and as it may be further amended to provide for the admission of the Towns of Plainville and Wrentham. The amendment provides (a) that each town will have one member of the School Committee appointed by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the School Committee of the town, acting jointly, for a three year term; (b) that for the first fiscal year of its membership the town will contribute as its entire share of the operating costs and capital costs of Tri-County for such year an amount equal to what it would pay if the students from the town enrolled in Tri-County were tuition students, and the town will also be responsible for all the transportation costs of those students. After its first year of membership the town will pay its share of operating costs and capital costs apportioned in accordance with Section IV of the Agreement; and, (c) that the effective date for the admission of the town will be July 1st following its acceptance of the amended Tri-County agreement and the acceptance by each of the existing member towns of the amendment admitting the town. Copies of the Tri-County agreement as amended and of the proposed amendment, as described in this Article, are available for inspection at the office of the Town Clerk.

(Petition of the Tri-County School Committee)

ARTICLE 2. To see if the Town will vote to fix the salary and compensation for elected officials of the Town as provided for by the General Laws, Charter 41, Section 108, for their services for the fiscal year commencing July 1, 1990 and to see what sum of money the Town will appropriate or transfer from available funds to defray departmental and incidental expenses of the Town for the fiscal year commencing July 1, 1990, not otherwise provided for.

(Petition of the Board of Selectmen)

ARTICLE 3. To see if the Town will vote to appropriate, borrow and/or transfer an additional sum of money for Police Emergency Medical Technicians in accordance with an Amendment to the agreement between the Town of Walpole and the Massachusetts Coalition of Police IUPA (AFL-CIO) Local 115, effective July 1, 1990, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 4. To see if the Town will vote to transfer a sum of money from the FY90 Library Expense budget to pay for FY89 unpaid bills, or take any other action in relation thereto.

(Petition of the Town Accountant)

And you are hereby directed to serve this warrant by posting attested copies thereof in at least two public places in each precinct in said Town not less than fourteen days before the day appointed for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk before the day set for said meeting.

Given under our hands and the seal of the Town this fifteenth day of May, in the year one thousand nine hundred and ninety.

BOARD OF SELECTMEN
Paul A. Palermino
William T. Hamilton
William J. Maloney, Jr.
Joseph A. Germano, Jr.

A true copy:

Attest: Armando Betro
Constable of Walpole

By virtue of the within warrant I have notified the inhabitants of the Town of Walpole qualified to vote in elections and town affairs, to meet at the time and place for the purpose mentioned in said warrant by posting attested copies thereof in at least two public places in each precinct of said town not less than fourteen days before the day appointed for said meeting.

Armando Betro
Constable of Walpole

TOWN OF WALPOLE

MEETING OF PRECINCT 7 RTM MEMBERS FOR THE PURPOSE OF FILLING A VACANCY

JUNE 18, 1990

At a meeting held on June 18, 1990, at 7:15 P.M. in the Eleanor N. Johnson Middle School for the purpose of filling a vacancy in the Representative Town Meeting Membership of Precinct 7, in accordance with Section 2-7 (B) of the Walpole Home Rule Charter, the following action was taken:

Paul A. Saia, 222 Bullard Street, was appointed to fill the vacancy created by the death of Sidney F. Hatch.

Louis E. Hoegler
Town Clerk

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE
SPECIAL TOWN MEETING
JUNE 18, 1990

Pursuant to the Warrant of June 18, 1990, the Special Town Meeting was called to order at 7:30 P.M. in the Eleanor N. Johnson Middle School by Moderator Bernard J. Duffy, Jr. All rules and regulations concerning the call of a Special Town Meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Town Clerk, Louis E. Hoegler, attested to proper return of the Warrant.

It was Moved, Seconded and
VOTED:

To waive the reading of the Warrant.

It was Moved, Seconded and
VOTED:

That all Motions of the Finance Committee be the Main Motion.

TELLERS: Stephen Stone, E. John Ferrara, Ronald A. Fucile and James A. Cappelletti.

A RESOLUTION

WHEREAS: Marie A. Woods was a life-long resident of the Town of Walpole;

WHEREAS: Marie A. Woods worked in the Office of the Board of Assessors from March 4, 1968 and retired on June 27, 1986;

NOW,
THEREFOR: On behalf of the Town of Walpole, we the Board of Assessors do hereby honor the memory of Marie A. Woods for her dedicated service to the Town of Walpole and express to her family and friends our sincere appreciation for her contribution to the Town.

Anthony J. Bruno
Clement Boragine
James P. Driscoll
BOARD OF ASSESSORS

A RESOLUTION

WHEREAS: Sidney F. Hatch was a long-time resident of the Town of Walpole;

WHEREAS: Sidney F. Hatch served as a Representative Town Meeting Member from 1971 to April 1990;

WHEREAS: Sidney F. Hatch served on the Finance Committee from 1974 to 1979;

WHEREAS: Sidney F. Hatch served on the Tri-County Regional Vocational Technical School Committee from 1978 to April 1990;

NOW,

THEREFOR: On behalf of the Town of Walpole, we do hereby honor the memory of Sidney F. Hatch for his dedicated service to the Town of Walpole and express to his family and friends our sincere appreciation for his contributions to the Town.

On Motion by the Representative Town Meeting Members,

It was Moved, Seconded and

SO VOTED: **UNANIMOUS**

ARTICLE 1

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town accept the agreement establishing Tri-County as amended and as it may be further amended to provide for the admission of the Towns of Plainville and Wrentham. The amendment provides (a) that each town will have one member of the School Committee appointed by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the School Committee of the town, acting jointly, for a three year term; (b) that for the first fiscal year of its membership the town will contribute as its entire share of the operating costs and capital costs of Tri-County for such year an amount equal to what it would pay if the students from the town enrolled in Tri-County were tuition students, and the town will also be responsible for all the transportation costs of those students. After its first year of membership the town will pay its share of operating costs and capital costs apportioned in accordance with Section IV of the Agreement; and, (c) that the effective date for the admission of the town will be July 1st following its acceptance of the amended Tri-County

agreement and the acceptance by each of the existing member towns of the amendment admitting the town. Copies of the Tri-County agreement as amended and the proposed amendment, as described in this Article, are available for inspection at the office of the Town Clerk.

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 2

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town fix the salary and compensation for elected officials of the Town as provided for by the General Laws, Chapter 41, Section 108, for their services for the fiscal year commencing July 1, 1990, and to see what sum of money the Town will appropriate or transfer from available funds to defray departmental and incidental expenses of the Town for the fiscal year commencing July 1, 1990, not otherwise provided for.

COMMONWEALTH OF MASSACHUSETTS
TOWN OF WALPOLE
ANNUAL TOWN MEETING
(FALL SESSION)
OCTOBER 15, 1990

Pursuant to the Warrant of October 15, 1990, the Annual Town Meeting (Fall Session) was called to order at 7:35 P.M. in the Eleanor N. Johnson Middle School Auditorium by Moderator Bernard J. Duffy, Jr.

The Assembly pledged allegiance to the Flag.

Town Clerk, Louis E. Hoegler, attested proper return of the Warrant.

It was Moved, Seconded and
VOTED:

To waive the reading of the Warrant.

It was Moved, Seconded and
VOTED:

That all Motions of the Finance Committee be the Main Motions.

TELLERS: Stephen Stone, Ronald A. Fucile, E. John Ferrara and Donald R. Weber.

ARTICLE 1

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Laws to the extent of deleting the current Section 9-I (Subdivision Phasing By-Law) in its entirety, and substituting the following new Section 9-I:

9-I Subdivision Phasing

(1) Purpose

The purpose of this section of the Zoning By-Law is to allow the Town to provide, in a planned and rational manner, the basic facilities necessary for the health, safety, and welfare of its citizens, and to adequately support Walpole's existing and future population, through the adoption of design criteria which will coordinate residential growth with the provision of community services and the preservation of community character. This section of the Zoning By-Law shall be considered together with the Master Plan Update of 1985; the Water Master Plan of 1989; the Open Space Plan of 1987; the 201 Facilities Plan of 1981; and MetroPlan 2000 prepared by the Metropolitan Area Planning Council in order to:

- (a) Carry out the purposes of the Zoning Act, which empowers municipalities to facilitate the adequate provision of transportation, water, water supply, drainage, sewerage, schools, parks, open space and other public requirements, and to encourage the most appropriate use of land throughout the community;
- (b) Protect and enhance the character of the community and its historical and natural resources;
- (c) Ensure that the rate of single-family residential development does not overly burden the fiscal capacity of the Town to absorb the costs of incremental service demands in light of the fiscal constraints imposed on the Town by Proposition 2½. To this end, Section 9-I will help to:

- (1) Provide a degree of predictability as to the location and speed of residential growth;
- (2) Provide for the most compact, efficient, and cost effective municipal services; and
- (3) Discourage rapid rise in service costs which will cause hardship, especially to persons of limited income who live, or may come to live, in the community.

(2) Definitions

Unless otherwise noted within Section 9-I, the following terms shall have the following meanings:

DEVELOPMENT — the entire tract of land which is the subject, in whole or in part, of:

- (1) a definitive subdivision plan submitted to the Planning Board for approval under M.G.L., c. 41, s. 81-U; or
- (2) a plan submitted to the Planning Board for endorsement under the provisions of M.G.L. c. 41, s. 81-P that approval under the subdivision control law is not required ("Approval Not Required" plan, or "ANR" plan); or
- (3) a combination of the two plans described under (1) and (2) above,

which plan or combination of plans show the division of land into one or more new lots upon which single-family detached dwellings may be constructed pursuant to the provisions of Section (4) and (5) below.

DEVELOPMENT PHASE — the period of time elapsed between the date of issuance of a building permit for the first dwelling eligible to be constructed within a particular development unit to the date of issuance of the final occupancy permit for the last dwelling within the same development unit, or one year from the date of issuance of the first building permit for each development unit, whichever occurs later.

DEVELOPMENT UNIT — The total number of building permits and their respective occupancy permits that may be issued within one development phase as determined by a phasing schedule developed under s. 9-I-(4) for each proposed development.

TRACT — a defined contiguous area of land comprised of one or more parcels or lots.

(3) Applicability

Beginning on the effective date of s. 9-I of the Zoning By-Law, no building permit for new single-family residential construction shall be issued unless in accordance with the regulations contained herein. This section of the Zoning By-Law shall be in effect until December 31, 2000, at which time it shall automatically cease to be effective, unless otherwise extended for a longer period of time in accordance with applicable provisions of Massachusetts law.

This section of the Zoning By-Law shall apply to all developments as defined in s. 9-I-(2) above. For purposes of this section of the Zoning By-Law, adjacent or contiguous parcels of land which were under common ownership at the time of adoption of this by-law shall be considered as within a single tract of land.

(4) Procedures

The issuance of building permits for the construction of new single-family detached dwellings on lots within a development as defined in s. 9-I-(2) above shall be in conformance with an approved development schedule as formulated under the procedures set forth hereunder.

- (a) Each development shall be evaluated in relation to the design criteria table in s. 9-I-(5). Points assigned in each category of design criteria for which the applicant seeks credit are to be cumulatively totalled for each proposed development. The cumulative total of points shall then be correlated to the development phase table in s. 9-I-(6) to establish the number of building permits that may be issued within each development phase by virtue of the proposed number of lots and the established rates of development within said table.
- (b) Said development schedule shall be approved, or modified and approved (including the imposition of reasonable conditions), by the Planning Board, and recorded at the Norfolk County Registry of Deeds and filed with the Town Clerk before any building permit can be issued for any lot within the proposed development. A proper notation referencing the approved development schedule shall be

inscribed on a plan showing a development as defined in s. 9-I-(2) above.

- (c) Before approval of a development schedule, the applicability of each design criteria for which the applicant seeks credit shall be demonstrated to the reasonable satisfaction of the Planning Board.
- (d) If a proposed development schedule is modified and approved (including the imposition of reasonable conditions) by the Planning Board, findings and reasons therefor shall be given in a written decision, and said decision shall be filed with the Town Clerk, and a copy of said decision shall be sent by registered mail to the applicant. If the applicant wishes to rebut any of the findings and reasons for a modification of a proposed development schedule, a written notification of such rebuttal shall be filed by the applicant with the Town Clerk and Planning Board

within ten (10) days of the filing of the Planning Board's decision. Within twenty (20) days of the filing of the Planning Board's decision, the Planning Board shall then respond to the specific rebuttals presented by the applicant. Failure of the Planning Board to respond to the rebuttal within said twenty (20) day period shall be deemed an approval of the development schedule as originally submitted.

- (e) An applicant may not receive building permits for a subsequent development phase until the previous development phase is completed.

(5) Design Criteria Table

- (a) Except for category (o) below, the points established hereunder for each particular category of design criteria are absolute, and shall not be varied by the Planning Board in the approval of a development schedule.

DESIGN CRITERIA	POINTS
(a) All lots are located within an Open Space Residential Development approved in accordance with Section 11 of the Walpole Zoning By-Law.	35
(b) The total number of proposed lots within the development is: <ul style="list-style-type: none">• 50% less than what can be reasonably expected under a maximum build-out of the tract• 33% less than what can be reasonably expected under a maximum build-out of the tract• 25% less than what can be reasonably expected under a maximum build-out of the tract The maximum build-out of the tract shall be proven by the submission of a plan showing a subdivision conforming to all applicable provisions of the Town of Walpole Zoning By-Law, Subdivision Rules and Regulations, Wetland By-Law, and Board of Health Regulations.	35 25 20
(c) Exclusive of those lots counted under (b) above, the lot size of at least 75% of the lots within the development is equal to or exceeds 125% of the minimum required lot area for the zoning district in which the land is located, exclusive of land identified as a "Resource Area" as defined by M.G.L. c. 131, s. 40, and/or the Town of Walpole Wetlands By-Law.	15
(d) The development dedicates a suitable site for a school, or land for other municipal purposes.	15
(e) Excluding lots located within an Open Space Residential Development approved in accordance with Section 11 of the Walpole Zoning By-Law, all lots within the development contain contiguous land other than that located within an area identified as a "Resource Area" as defined by M.G.L. c. 131, s. 40, and/or the Town of Walpole Wetlands By-Law, the area of which is at least 100% of the minimum required lot area for zoning compliance in which the land is located.	10

DESIGN CRITERIA	POINTS
(f) The development provides land for active recreational use (for example, playing fields, tennis courts, neighborhood parks, playgrounds, or swimming facilities) in contiguous areas of at least <ul style="list-style-type: none"> • 4,000 square feet per lot • 2,000 square feet per lot 	10 5
(g) The development permanently sets aside or preserves an area of at least five (5) contiguous and usable acres for agricultural purposes.	10 for each five (5) acre area.
(h) The development is designed so as to preserve, enhance, or provide significant wildlife <ul style="list-style-type: none"> * habitat, woodlands, or waterways. 	10
(j) The development is designed so as to preserve, enhance, or provide desirable access to public or semi-public recreation lands, conservation lands, or trail networks.	10
(k) The development provides a one hundred (100) foot buffer zone, including existing or planted vegetation, adjacent to any non-residential uses or zoning districts.	10
(l) The development is designed so as to preserve land of significant historical, cultural, or archaeological value. <ul style="list-style-type: none"> * 	5
(m) The development is designed so as to preserve or enhance scenic roadside views <ul style="list-style-type: none"> * or vistas from existing public ways. 	5
(n) The development is located on land that was enrolled under the provisions of M.G.L. c. 61, 61A, or 61B, or was used in connection with an agricultural operation conducted by the Commonwealth of Massachusetts or any of its political subdivisions at any time prior to the filing of an application for definitive subdivision approval or endorsement that approval under the subdivision control law is not required.	-20
(o) The applicant of the development is to provide other arrangements to mitigate the <ul style="list-style-type: none"> * impacts of the development upon public facilities including (but not limited to) fire, police, education, public infrastructure, transportation, water conservation, and/or recreation 	up to 20 (discretionary)

(6) Development Phase Table

The numerical values established hereunder are absolute, and shall not be varied by the Planning Board in the approval of a development schedule. When correlating the proposed number of lots and cumulative points derived from the design criteria table to the rate of total lot build-out per development phase, all fractions of numbers shall be rounded to the nearest whole number to establish the number of building permits that may be issued in one development phase.

No. of Proposed Lots	Cumulative Points Derived From Design Criteria Table											
	-0	0	5	10	15	20	25	30	35	40	45	50+
Rate of Total Lot Build-Out Per Development Phase												
1-5	75%	85%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
6-10	40%	50%	55%	60%	65%	70%	75%	80%	85%	90%	95%	100%
11-20	25%	35%	41%	48%	54%	61%	67%	74%	80%	87%	93%	100%
21-40	15%	25%	32%	40%	47%	55%	62%	70%	77%	85%	92%	100%
41+	10%	20%	28%	36%	44%	52%	60%	68%	76%	84%	92%	100%

(7) Protection From Zoning Changes

In the case of a development whose completion has been constrained by s. 9-I of the Zoning By-Law of the Town of Walpole, the protection of the land area within said development from zoning changes as provided in M.G.L. c. 40A, s. 6 shall be extended to the minimum time for completion of the development allowed under s. 9-I.

(8) Severability

The individual provisions of s. 9-I are to be considered independently significant, and the invalidity of any provision of s. 9-I shall not affect the validity of any other provision of the section.

(9) Planning Board Regulations

The Planning Board shall, insofar as practical under law, adopt regulations applicable to the implementation of s. 9-I.

On 2/3 Vote Required:

MOTION WAS: SO VOTED YES—89 NO—14

ARTICLE 2

NO ACTION.

ARTICLE 3

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Law by adding the following new section:

SECTION 12. RESIDENTIAL COMPOUND

12-A Purpose

This section of the Zoning By-Law is adopted for the following purposes:

- (1) To provide for limited residential development within large tracts of land in a manner which minimizes Town maintenance responsibility and cost, while simultaneously preserving the existing character of the Rural and Residence A Districts of the Town.
- (2) To minimize construction in or near environmentally sensitive areas.
- (3) To provide for the private conservation of undeveloped tracts of land or fragile natural resource areas for the purpose of open space preservation by permitting limited residential building on such tracts of land.

12-B Applicability and Requirements

- (a) A Residential Compound shall be permitted in the Residence A and Rural Districts only upon issuance of a Special Permit by the Planning Board in accordance with the provisions of M.G.L. c. 40A, s. 9, s. 8-B of this Zoning By-Law, and the Town of Walpole Planning Board's Rules and Regulations Governing the Issuance of Certain Special Permits, in conjunction with an approved definitive subdivision plan.
- (b) A Residential Compound shall be considered a type of subdivision, and shall be for the development of no more than five (5) single-family detached dwellings. The right of way

providing access (hereafter referred to as "access way") to each of the lots and the paved way within it may be laid out and built to less exacting standards than the layout and paved way of a conventional subdivision, provided that the Planning Board finds that the terrain, soil conditions, and underlying geology are suitable for development with such less thorough engineering and such reduced standards of construction, and that waivers of strict compliance with the Town of Walpole Planning Board's Rules and Regulations Governing the Subdivision of Land be granted in accordance with M.G.L. c. 41, s. 81-R.

- (c) A Residential Compound shall be permitted on tracts of land under single ownership having a minimum frontage on an existing public way of forty-six (46) feet, and an area equal to or exceeding six (6) acres in the Residence A District and seven and one-half (7½) acres in the Rural District, provided that where any lot within the Residential Compound is located in whole or in part within the Water Resource Protection Overlay District, the area of the tract must equal or exceed fifteen (15) acres unless each of the proposed dwellings within the Residential Compound be connected to the public sewer system.
- (d) By virtue of the Special Permit, minimum frontage for lots within a Residential Compound shall be reduced to fifty (50) feet, and the provisions of s. 4-B of the Zoning By-Law with respect to lot width (80% circle) shall not apply. All other dimensional requirements of Walpole's Zoning By-Law shall apply to lots within a Residential Compound.

12-C Restrictions

- (a) No land within a Residential Compound for which a Special Permit has been issued under this section shall be further subdivided, and a notation to this effect shall be inscribed upon the definitive plan.
- (b) The access way and paved way within it shall permanently remain a private way, and the Town shall not be requested to accept or maintain the access way, drainage system, or other improvements within the Residential Compound, and a note to this effect shall be inscribed upon the definitive plan.
- (c) The access way shall be restricted to the exclusive use of the owners of the lots within the Residential Compound. In no event shall

the access way be extended or in any manner incorporated into a street system to serve other lots or uses.

- (d) There shall be no common driveways within a Residential Compound.
- (e) Any land within a Residential Compound not designated as a building lot or access way shall be designated as permanent open space. Such land shall have a shape, dimension, character, and location suitable for conservation, outdoor recreational facilities of a non-commercial nature, agricultural, preservation of scenic or historic structures, and structures accessory to any of the above uses. In addition:
 - (1) The total area of common open space shall not be comprised of more than 50% wetlands as defined under M.G.L. c. 131, s. 40, and the Town of Walpole Wetland Protection By-Law.
 - (2) Further subdivision of common open space or its use for other than recreation, conservation, or agriculture, except for easements for underground utilities, shall be prohibited, and a notation to this effect shall be shown upon the subdivision plans recorded with the Registry of Deeds. Structures or buildings accessory to recreation, conservation, or agricultural uses may be erected, but shall not exceed 5% coverage of such open space.
 - (3) All common open space shall either be:
 - (a) Conveyed to a non-profit, incorporated community association owned, or to be owned, by the owners of lots within the Residential Compound. If such a community association is utilized, ownership thereof shall pass with conveyances of the lots in perpetuity; or
 - (b) Conveyed to a non-profit organization, the principal purpose of which is the conservation or preservation of open space.

In either case, a restriction in perpetuity as defined under M.G.L. c. 184, enforceable by the Town, shall be recorded to ensure that such land shall be kept in an open or natural state and not be built upon for residential use or developed for accessory uses such as parking or roadways. Said perpetual restriction shall be in a form approved by the

Conservation Commission, Planning Board, and Board of Selectmen. The applicant shall provide satisfactory assurance that such perpetual restriction, following approvals, has been properly recorded in the Registry of Deeds, and the interest in land thereby created is not subject to any mortgage, security, interest, lien, or other monetary encumbrance of any kind other than the aforesaid perpetual restriction.

- (f) A notation shall be inscribed upon the definitive plan stating that the land shown thereon lies within a Residential Compound approved in accordance with the provisions of this section of the Town of Walpole Zoning By-Law.
- (g) The Planning Board shall reserve the right to enforce any of the above restrictions by requiring the recording of covenants indicating the same as a condition of approval of a Residential Compound Special Permit.

12-D Procedure for Approval

- (a) To promote better communication and to avoid misunderstandings, applicants are strongly encouraged to submit preliminary proposals for informal review by the Town Planner, Town Engineer, Conservation Agent, Health Agent, Building Inspector, and the Superintendent of Sewer and Water prior to formal application.
- (b) In accordance with M.G.L. c. 40A, s. 9 and the Town of Walpole Planning Board's Rules and Regulations Governing the Issuance of Certain Special Permits, the applicant shall file a copy of the Residential Compound Special Permit application, together with any necessary supporting documentation, including a definitive plan of the proposed subdivision designed under this section of the Zoning By-Law, with the Town Clerk and the Planning Board. Said plans shall also be filed with the Board of Health, the Sewer and Water Commission, the Engineering Department, and the Conservation Commission. Said boards and departments shall, within 35 days from the date of receipt of the application materials, file their written recommendations on the proposal with the Planning Board. If no such recommendations are filed within 35 days by any such board or department, the Planning Board shall deem such board or department to have no recommendations on the plans.

(c) The Planning Board shall hold a public hearing and shall render a decision on an application in accordance with the provisions of M.G.L. c. 40A, ss. 9 and 11. Approval of a Residential Compound Special Permit shall be granted by the Planning Board only upon determination that the plan is in harmony with the general purpose of this section of the Zoning By-Law and that it is designed in such a manner as to make it sufficiently advantageous for the Town of Walpole to depart from the requirements of this By-Law otherwise applicable to the residential districts in which the Residential Compound is to be located.

- (d) The approval by the Planning Board of a Special Permit under this section of the Zoning By-Law shall not substitute for compliance with the Subdivision Control Law nor oblige the Planning Board to approve a related Definitive Plan for subdivision, nor reduce any time periods for Planning Board consideration under that law. A Definitive Plan designed under an approved Special Permit for a Residential Compound shall be in substantial conformity with all plans under which such approval was based.
- (e) The Planning Board shall, insofar as practical under law, adopt regulations establishing procedures for the submission and approval of a Residential Compound Special Permit application.

A RESOLUTION

- WHEREAS: Doctor Harry Harding has faithfully served as a member of the Walpole School Committee from 1954 to 1957; and
- WHEREAS: Doctor Harry Harding has faithfully served as a member of the MBTA Advisory Board; and
- WHEREAS: Doctor Harry Harding has faithfully served as a Town Meeting Member since its inception in 1971 until the present; and

WHEREAS: Doctor Harry Harding is now about to conclude his years of service to the Town of Walpole and its Citizens;

NOW,

THEREFORE: On behalf of the Citizens of Walpole, we do hereby honor Doctor Harding and gratefully thank him for this service he has rendered to us. We wish him and his wife Eleanor, Godspeed. Together they have given of themselves more than can ever be repaid.

ARTICLE 4

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its Zoning By-Laws by amending the following sections in order to make the by-law consistent with recently adopted amendments establishing permit-granting authority for the Planning Board:

- (1) Add the following sentence at the end of Section 8-A:

"Notwithstanding the above, the Planning Board shall be the permit-granting authority under the provisions of s. 3-1 (Common Drive-ways), s. 11 (Open Space Residential Development), and s. 12 (Residential Compound)."

- (2) In s. 8-B add the words "and the Planning Board" . . . after the words "Zoning Board of Appeals" . . . in the first sentence, and change both references to the word "Board" to the plural, "Boards" . . . , in the second sentence.

- (3) Delete the first sentence of the second paragraph of s. 8-D, and substitute with the following:

"In case of an appeal made to the Zoning Board of Appeals, a petition for a variance, and an application for a Special Permit to the Zoning Board of Appeals or the Planning Board, as the case may be, a Public Hearing shall be held thereon."

- (4) Delete the words ". . . to the Board . . ." in the last sentence of the second paragraph of s. 8-B.

- (5) In the first sentence of s. 8-E, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".

- (6) In the third sentence of the first paragraph of s. 9-A, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".

- (7) In the fourth paragraph of s. 9-A, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".

On Substitute Motion of the Planning Board,
It was Moved by David Kearney
Seconded by Elizabeth R. Nashawaty,

Under Article 4 – Section (1) to read:

- (1) Add the following sentence at the end of s. 8-A:

"Notwithstanding the above, the Planning Board shall be the permit-granting authority under the provisions of s. 3-1 (Common Drive-ways), and s. 11 (Open Space Residential Development)."

ARTICLE 8

On Motion of the Finance Committee
It was Moved and Seconded:

That the Town amend its By-Laws, Article III Financial Affairs to conform with the Commonwealth of Massachusetts General Laws, Chapter 30B, Uniform Procurement Act by:

Deleting Sections 7 and 8 in its entirety and substituting with a new Section 7 as follows:

Unless otherwise provided by a vote of Town Meeting, the Town Administrator, subject to final approval of the Board of Selectmen is authorized to enter into any contract for the exercise of the Town's corporate powers, on such term and conditions as are deemed appropriate. Notwithstanding the foregoing, the Town Administrator shall execute all contracts on behalf of the Town.

New Section 8 as follows:

(a) When the estimated amount of a proposal expenditure for professional services not subject to G.L. c30B exceeds four thousand dollars (\$4,000), proposals shall be called for in the manner provided by this section, except for professional services specifically exempted by

vote of the Board of Selectmen. Such proposal shall be advertised in a local newspaper, such publication to be at least seven (7) days before the opening of bids. The advertisement shall require such proposals to be sealed and properly designated and shall announce the place, day and hour at which they shall be opened. They shall be publicly opened in the presence of the board, committee or officer or a duly authorized agent of the board, committee or officer authorized by the Town to make the contract. No bids shall be received after the time advertised for the opening. As far as practicable, expenditures for professional services for less than four thousand dollars (\$4,000) shall be awarded in such manner as to secure reasonable competition.

(b) In addition to the requirements of G.L. C. 30B, any expenditure in excess of four thousand dollars (\$4,000) shall be accompanied by a suitable bond for performance of the same, or by the deposit of money or security to the amount of such bond, whenever in the opinion of the awarding authority it is deemed necessary.

It was Moved, Seconded and VOTED:

MOTION WAS: SO VOTED

ARTICLE 9

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town amend its By-Laws, Article X, Health By-Laws, by adding a new Section 4 as follows:

- a. Pursuant to the authority of General Laws Chapter 40, Section 21D to which reference is made for any procedural matters not specified herein, any Enforcing Person as defined herein taking cognizance of a violation of a specific Town By-Law or rule or regulation of the Board of Health which he or she is empowered to enforce may as an alternative to initiating criminal proceedings give the offender a written notice to appear before the clerk of the district court having jurisdiction thereof at any time during office hours, not later than twenty-one (21) days after the date of such notice. Such notice shall be in triplicate and shall contain the name and address, if known, of the offender, the specific offense charged, and the time and place for his required appearance. Such notice shall be signed by the Enforcing Person, and shall be signed by the offender whenever practicable in acknowledgement that such notice has been received.
- b. The Enforcing Person shall, if possible, deliver to the offender a copy of said notice at the time and place of the violation. If it is not possible to so deliver a copy of said notice, said copy shall be mailed or delivered by the Enforcing Person, or by his or her commanding officer or the head of his or her department or by any person authorized by such commanding officer, department or head to the offender's last known address, within fifteen (15) days after said violation. A certificate shall be made by the person so mailing such notice that it has been mailed in accordance with this by-law and General Laws Chapter 40, Section 21D.
- c. Any person notified to appear before the clerk of a district court as hereinbefore provided may so appear and confess the offense charged, either personally or through a duly authorized agent or by mailing to such clerk with the notice such specific sum of money not ex-

ceeding three hundred (\$300.00) dollars as the Town shall fix as penalty for violation of the By-Law, rule or regulation. Such payment shall, if mailed, be made only by postal note, moneyorder or check. The payment to the clerk of such sum shall operate as a final disposition of the case.

- d. If any person so notified to appear desires to contest the violation alleged in the notice to appear and also to avail himself of the procedure established pursuant to this section or General Laws Chapter 40, Section 21D, he may, within twenty-one (21) days after the date of the notice, request a hearing in writing. Such hearing shall be held before a district court judge, clerk, or assistant clerk, as the court shall direct, and if the judge, clerk, or assistant clerk shall, after hearing, find that the violation occurred and that it was committed by the person so notified to appear, the person so notified shall be permitted to dispose of the case by paying the specific sum of money fixed as a penalty as aforesaid or such lesser amount as the judge, clerk, or assistant clerk shall order, which payment shall operate as a final disposition of the case. If the judge, clerk, or assistant clerk shall, after hearing, find that the violation alleged did not occur or was not committed by the person notified to appear, that finding shall be entered in the docket, which shall operate as a final disposition of the case.
- e. For purposes of this By-Law, "Enforcing Person" shall mean, any police officer of the Town, the Health Agent or his or her designee.

On Substitute Motion of Nancy Farris, Precinct 1
Seconded by Susan B. Fitzgerald,

To see if the Town will vote to amend its By-Laws,
Section X, Health By-Laws, by adding a new Section 5
as follows:

Groundfeeding of pigeons, blackbirds, geese, or any
other species of bird or animal whereby such birds
or animals roost or linger on the property or buildings
of others including all land public or private
in the Town of Walpole, poses a health hazard,
in addition to offending aesthetic senses, by the
threatened spread of disease. Such groundfeeding
is declared to be a public nuisance and any person
found groundfeeding in violation of this By-Law
shall be fined in the amount of \$50.00 for each
such violation. Each day on which any violation
exists shall be deemed to be a separate offense,
or do or act anything in relation thereto.

An Amendment to the Substitute Motion by Cynthia P.
Green,
Seconded by Robert N. Hoey;

To delete "pigeons, blackbirds or any other species of
bird animals."

Substitute Motion was: **DEFEATED**

On 2/3 Vote Required,

MAIN MOTION WAS: SO VOTED
YES—64 NO—22

It was Moved, Seconded and VOTED

That this meeting be adjourned to Monday, October
22, 1990 at 7:30 P.M. in the Eleanor B. Johnson Middle
School.

The Meeting adjourned at 10:45 P.M.

Louis E. Hoegler
Town Clerk

COMMONWEALTH OF MASSACHUSETTS
TOWN OF WALPOLE
ADJOURNED ANNUAL TOWN MEETING
(FALL SESSION)
OCTOBER 22, 1990

Pursuant to the following adjournment of October 17, 1990, the Town Meeting was called to order by Moderator Bernard J. Duffy, Jr. at 7:30 P.M.

The Assembly pledged allegiance to the Flag.

The following Tellers were appointed: Stephen Stone, Donald A. Weber, E. John Ferrara and Ronald A. Fucile.

ARTICLE 22

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town raise and appropriate the sum of \$1,600,000 to construct a 3 million gallon concrete water storage tank, off Old Post Road, and appurtenances; and further to meet said appropriation that \$300,000 be transferred from Water Surplus, and that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow \$1,300,000 in accordance with Chapter 44, Section 8 (4) of the Massachusetts General Laws.

On Substitute Motion of Joseph C. Moraski, Precinct 7, Seconded by John E. Hill, Precinct 2,

That the Town raise and appropriate the sum of \$1,035,000 to construct a 3 million gallon concrete water storage tank, off Old Post Road, and appurtenances; and further, to meet said appropriation that \$500,000 be transferred from Water Surplus, and that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow \$535,000 in accordance with Chapter 44, Section 8 (4) of the Massachusetts General Laws.

On Substitute Motion of Robert E. Lee, Precinct 2, Seconded by John F. Campbell, Precinct 3,

That the Town raise and appropriate \$1,235,000 to construct a 4 million gallon water tank and that \$500,000 be transferred from Water Surplus and \$735,000 from borrowing.

Substitute Motion of Robert W. Lee was: **DEFEATED**

On Motion to make the Substitute Motion of Joseph C. Moraski the Main Motion:

MOTION WAS: SO VOTED

As the Main Motion it was: **SO VOTED**
YES—65 NO—30

ARTICLE 23

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town authorize the Board of Selectmen to accept as a gift, purchase, or take by eminent domain permanent and temporary utility easements on parcels of land designated by assessors parcels numbers D1053-28, D1053-29, D1023-17, D1023-18, D1021-E, D1021-F-1, D1021-F-2, D1021-G, D1021-A, D1021-B, D1021-C, D1021-D for water main improvements and the sum of \$12.00 be transferred from the Water Surplus to fund this appropriation.

On 2/3 Vote Required:

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 14

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town authorize the Board of Selectmen to enter a 5-year lease/purchase agreement to upgrade the Town's mainframe computer.

It was Moved and Seconded:

That the Town accept **Abbey Road** from its beginning at Station 0+00 to its terminus at Station 1+65.5, including any easements and utilities appurtenant thereto.

MOTION WAS: DEFEATED

ARTICLE 33

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town authorize the Board of Selectmen to accept as a gift, purchase, or take by eminent domain permanent and temporary sidewalk easements on parcels of land, designated as Assessor's Parcel Numbers: D569-4, D569-5A, D569-5B, D576-2, D576-4, D576-5, D596-8, D596-9, D596-11A, D596-11C, D596-12, D596-13, D597-4, D597-3B, D597-3A, D597-2, D597-1, D1216-5, D1216-4, D1216-6, D596-22, D596-23, D1211-7, D1211-6, D1211-6, D1216-28, D1216-7,

D1216-8-2, D1216-8-1, D1216-8, D1216-2, D1211-3, D1211-5, D1211-4 and to meet this appropriation, the sum of \$33.00 be transferred from Free Cash for Central Business District Project improvements.

On 2/3 Vote Required,

MOTION WAS: SO VOTED UNANIMOUS

ARTICLE 34

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town authorize the Board of Selectmen to enter into an intermunicipal agreement pursuant to General Laws, Chapter 40, Section 4 and 4A, with the Town of Franklin, whereby the Town of Franklin will provide curbside collection of recyclable materials to the residents of the Town of Walpole on a biweekly basis.

After discussion,
It was Moved, Seconded and VOTED:

To move the Question.

MOTION WAS THEN: SO VOTED

There being no further business to come before this Annual Town Meeting, it was Moved and Seconded that this meeting be dissolved.

MOTION WAS: SO VOTED

Dr. Harry W. Harding, 45 Robbins Road, Town Meeting Member, Precinct 6, so declared at 10:55 P.M.

Louis E. Hoegler
Town Clerk

**ANNUAL FALL TOWN MEETING
WARRANT**

TOWN OF WALPOLE

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To any Constable in the Town of Walpole

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

THIRD MONDAY IN OCTOBER 1990,
IT BEING THE 15TH DAY OF SAID MONTH,
AT 7:30 P.M.

in accordance with the Charter of the Town, then and thereto to see if the Town will vote to amend the By-Laws and Zoning By-Laws of said Town and to act on the following articles:

ARTICLE 1. To see if the Town will amend its Zoning By-Law to the extent of deleting the current Section 9-I (Subdivision Phasing By-Law) in its entirety, and substituting the following new Section 9-I:

9-I Subdivision Phasing

(1) Purpose

The purpose of this section of the Zoning By-Law is to allow the Town to provide, in a planned and rational manner, the basic facilities necessary for the health, safety, and welfare of its citizens, and to adequately support Walpole's existing and future population, through the adoption of design criteria which will coordinate residential growth with the provision of community services and the preservation of community character. This section of the Zoning By-Law shall be considered together with the Master Plan Update of 1985; the Water Master Plan of 1989; the Open Space Plan of 1987; the 201 Facilities Plan of 1981; and MetroPlan 2000 prepared by the Metropolitan Area Planning Council in order to:

- (a) Carry out the purposes of the Zoning Act, which empowers municipalities to facilitate the adequate provision of transportation, water, water supply, drainage, sewerage, schools, parks, open space and other public requirements, and to encourage the most appropriate use of land throughout the community;

(b) Protect and enhance the character of the community and its historical and natural resources;

(c) Ensure that the rate of single-family residential development does not overly burden the fiscal capacity of the Town to absorb the costs of incremental service demands in light of the fiscal constraints imposed on the Town by Proposition 2½. To this end, Section 9-I will help to:

- (1) Provide a degree of predictability as to the location and speed of residential growth;
- (2) Provide for the most compact, efficient, and cost effective municipal services; and
- (3) Discourage rapid rise in service costs which will cause hardship, especially to persons of limited income who live, or may come to live, in the community.

(2) Definitions

Unless otherwise noted within Section 9-I, the following terms shall have the following meanings:

DEVELOPMENT — the entire tract of land which is the subject, in whole or in part, of:

- (1) a definitive subdivision plan submitted to the Planning Board for approval under M.G.L., c. 41, s. 81-U; or
- (2) a plan submitted to the Planning Board for endorsement under the provisions of M.G.L. c. 41, s. 81-P that approval under the subdivision control law is not required ("Approval Not Required" plan, or "ANR" plan); or
- (3) a combination of the two plans described under (1) and (2) above,

which plan or combination of plans show the division of land into one or more new lots upon which single-family detached dwellings may be constructed pursuant to the provisions of Section (4) and (5) below.

DEVELOPMENT PHASE — the period of time elapsed between the date of issuance of a building permit for the first dwelling eligible to be constructed within a particular development unit to the date of issuance of

the final occupancy permit for the last dwelling within the same development unit, or one year from the date of issuance of the first building permit for each development unit, whichever occurs later.

DEVELOPMENT UNIT — The total number of building permits and their respective occupancy permits that may be issued within one development phase as determined by a phasing schedule developed under s. 9-I-(4) for each proposed development.

TRACT — a defined contiguous area of land comprised of one or more parcels or lots.

(3) Applicability

Beginning on the effective date of s. 9-I of the Zoning By-Law, no building permit for new single-family residential construction shall be issued unless in accordance with the regulations contained herein. This section of the Zoning By-Law shall be in effect until December 31, 2000, at which time it shall automatically cease to be effective, unless otherwise extended for a longer period of time in accordance with applicable provisions of Massachusetts law.

This section of the Zoning By-Law shall apply to all developments as defined in s. 9-I-(2) above. For purposes of this section of the Zoning By-Law, adjacent or contiguous parcels of land which were under common ownership at the time of adoption of this by-law shall be considered as within a single tract of land.

(4) Procedures

The issuance of building permits for the construction of new single-family detached dwellings on lots within a development as defined in s. 9-I-(2) above shall be in conformance with an approved development schedule as formulated under the procedures set forth hereunder.

- (a) Each development shall be evaluated in relation to the design criteria table in s. 9-I-(5). Points assigned in each category of design criteria for which the applicant seeks credit are to be cumulatively totalled for each proposed development. The cumulative total of points shall then be correlated to the development phase table in s. 9-I-(6) to establish the number of building permits that may be issued within each development phase by virtue of the proposed number of lots and the established rates of development within said table.

(b) Said development schedule shall be approved, or modified and approved (including the imposition of reasonable conditions), by the Planning Board, and recorded at the Norfolk County Registry of Deeds and filed with the Town Clerk before any building permit can be issued for any lot within the proposed development. A proper notation referencing the approved development schedule shall be inscribed on a plan showing a development as defined in s. 9-I-(2) above.

- (c) Before approval of a development schedule, the applicability of each design criteria for which the applicant seeks credit shall be demonstrated to the reasonable satisfaction of the Planning Board.
- (d) If a proposed development schedule is modified and approved (including the imposition of reasonable conditions) by the Planning Board, findings and reasons therefor shall be given in a written decision, and said decision shall be filed with the Town Clerk, and a copy of said decision shall be sent by registered mail to the applicant. If the applicant wishes to rebut any of the findings and reasons for a modification of a proposed development schedule, a written notification of such rebuttal shall be filed by the applicant with the Town Clerk and Planning Board within ten (10) days of the filing of the Planning Board's decision. Within twenty (20) days of the filing of the Planning Board's decision, the Planning Board shall then respond to the specific rebuttals presented by the applicant. Failure of the Planning Board to respond to the rebuttal within said twenty (20) day period shall be deemed an approval of the development schedule as originally submitted.

An applicant may not receive building permits for a subsequent development phase until the previous development phase is completed.

(5) Design Criteria Table

- (a) Except for category (o) below, the points established hereunder for each particular category of design criteria are absolute, and shall not be varied by the Planning Board in the approval of a development schedule.

DESIGN CRITERIA	POINTS
(a) All lots are located within an Open Space Residential Development approved in accordance with Section 11 of the Walpole Zoning By-Law.	35
(b) The total number of proposed lots within the development is: <ul style="list-style-type: none"> • 50% less than what can be reasonably expected under a maximum build-out of the tract • 33% less than what can be reasonably expected under a maximum build-out of the tract • 25% less than what can be reasonably expected under a maximum build-out of the tract <p>The maximum build-out of the tract shall be proven by the submission of a plan showing a subdivision conforming to all applicable provisions of the Town of Walpole Zoning By-Law, Subdivision Rules and Regulations, Wetland By-Law, and Board of Health Regulations.</p>	35 25 20
(c) Exclusive of those lots counted under (b) above, the lot size of at least 75% of the lots within the development is equal to or exceeds 125% of the minimum required lot area for the zoning district in which the land is located, exclusive of land identified as a "Resource Area" as defined by M.G.L. c. 131, s. 40, and/or the Town of Walpole Wetlands By-Law.	15
(d) The development dedicates a suitable site for a school, or land for other municipal purposes.	15
(e) Excluding lots located within an Open Space Residential Development approved in accordance with Section 11 of the Walpole Zoning By-Law, all lots within the development contain contiguous land other than that located within an area identified as a "Resource Area" as defined by M.G.L. c. 131, s. 40, and/or the Town of Walpole Wetlands By-Law, the area of which is at least 100% of the minimum required lot area for zoning compliance in which the land is located.	10
(f) The development provides land for active recreational use (for example, playing fields, tennis courts, neighborhood parks, playgrounds, or swimming facilities) in contiguous areas of at least <ul style="list-style-type: none"> • 4,000 square feet per lot • 2,000 square feet per lot 	10 5
(g) The development permanently sets aside or preserves an area of at least five (5) contiguous and usable acres for agricultural purposes.	10 for each five (5) acre area.
(h) The development is designed so as to preserve, enhance, or provide significant wildlife * habitat, woodlands, or waterways.	10
(j) The development is designed so as to preserve, enhance, or provide desirable access * to public or semi-public recreation lands, conservation lands, or trail networks.	10
(k) The development provides a one hundred (100) foot buffer zone, including existing or planted vegetation, adjacent to any non-residential uses or zoning districts.	10
(l) The development is designed so as to preserve land of significant historical, cultural, * or archaeological value.	5
(m) The development is designed so as to preserve or enhance scenic roadside views * or vistas from existing public ways.	5

DESIGN CRITERIA	POINTS
(n) The development is located on land that was enrolled under the provisions of M.G.L. c. 61, 61A, or 61B, or was used in connection with an agricultural operation conducted by the Commonwealth of Massachusetts or any of its political subdivisions at any time prior to the filing of an application for definitive subdivision approval or endorsement that approval under the subdivision control law is not required.	-20
(o) The applicant of the development is to provide other arrangements to mitigate the * impacts of the development upon public facilities including (but not limited to) fire, police, education, public infrastructure, transportation, water conservation, and/or recreation	up to .20 (discretionary)

(6) Development Phase Table

The numerical values established hereunder are absolute, and shall not be varied by the Planning Board in the approval of a development schedule. When correlating the proposed number of lots and cumulative points derived from the design criteria table to the rate of total lot build-out per development phase, all fractions of numbers shall be rounded to the nearest whole number to establish the number of building permits that may be issued in one development phase.

No. of Proposed Lots	Cumulative Points Derived From Design Criteria Table											
	-0	0	5	10	15	20	25	30	35	40	45	50+
	Rate of Total Lot Build-Out Per Development Phase											
1-5	75%	85%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
6-10	40%	50%	55%	60%	65%	70%	75%	80%	85%	90%	95%	100%
11-20	25%	35%	41%	48%	54%	61%	67%	74%	80%	87%	93%	100%
21-40	15%	25%	32%	40%	47%	55%	62%	70%	77%	85%	92%	100%
41+	10%	20%	28%	36%	44%	52%	60%	68%	76%	84%	92%	100%

(7) Protection From Zoning Changes

In the case of a development whose completion has been constrained by s. 9-I of the Zoning By-Law of the Town of Walpole, the protection of the land area within said development from zoning changes as provided in M.G.L. c. 40A, s. 6 shall be extended to the minimum time for completion of the development allowed under s. 9-I.

invalidity of any provision of s. 9-I shall not affect the validity of any other provision of the section.

(9) Planning Board Regulations

The Planning Board shall, insofar as practical under law, adopt regulations applicable to the implementation of s. 9-I.

(Petition of the Planning Board)

(8) Severability

The individual provisions of s. 9-I are to be considered independently significant, and the

land shall have a shape, dimension, character, and location suitable for conservation, outdoor recreational facilities of a non-commercial nature, agricultural, preservation of scenic or historic structures, and structures accessory to any of the above uses. In addition:

- (1) The total area of common open space shall not be comprised of more than 50% wetlands as defined under M.G.L. c. 131, s. 40, and the Town of Walpole Wetland Protection By-Law.
- (2) Further subdivision of common open space or its use for other than recreation, conservation, or agriculture, except for easements for underground utilities, shall be prohibited, and a notation to this effect shall be shown upon the subdivision plans recorded with the Registry of Deeds. Structures or buildings accessory to recreation, conservation, or agricultural uses may be erected, but shall not exceed 5% coverage of such open space.
- (3) All common open space shall either be:
 - (a) Conveyed to a non-profit, incorporated community association owned, or to be owned, by the owners of lots within the Residential Compound. If such a community association is utilized, ownership thereof shall pass with conveyances of the lots in perpetuity; or
 - (b) Conveyed to a non-profit organization, the principal purpose of which is the conservation or preservation of open space.

In either case, a restriction in perpetuity as defined under M.G.L. c. 184, enforceable by the Town, shall be recorded to ensure that such land shall be kept in an open or natural state and not be built upon for residential use or developed for accessory uses such as parking or roadways. Said perpetual restriction shall be in a form approved by the Conservation Commission, Planning Board, and Board of Selectmen. The applicant shall provide satisfactory assurance that such perpetual restriction, following approvals, has been properly recorded in the Registry of Deeds, and the interest in land thereby created is not subject to any mortgage, security, interest, lien, or other monetary encumbrance of any kind other than the aforesaid perpetual restriction.

(f) A notation shall be inscribed upon the definitive plan stating that the land shown thereon lies within a Residential Compound approved in accordance with the provisions of this section of the Town of Walpole Zoning By-Law.

(g) The Planning Board shall reserve the right to enforce any of the above restrictions by requiring the recording of covenants indicating the same as a condition of approval of a Residential Compound Special Permit.

12-D Procedure for Approval

- (a) To promote better communication and to avoid misunderstandings, applicants are strongly encouraged to submit preliminary proposals for informal review by the Town Planner, Town Engineer, Conservation Agent, Health Agent, Building Inspector, and the Superintendent of Sewer and Water prior to formal application.
- (b) In accordance with M.G.L. c. 40A, s. 9 and the Town of Walpole Planning Board's Rules and Regulations Governing the Issuance of Certain Special Permits, the applicant shall file a copy of the Residential Compound Special Permit application, together with any necessary supporting documentation, including a definitive plan of the proposed subdivision designed under this section of the Zoning By-Law, with the Town Clerk and the Planning Board. Said plans shall also be filed with the Board of Health, the Sewer and Water Commission, the Engineering Department, and the Conservation Commission. Said boards and departments shall, within 35 days from the date of receipt of the application materials, file their written recommendations on the proposal with the Planning Board. If no such recommendations are filed within 35 days by any such board or department, the Planning Board shall deem such board or department to have no recommendations on the plans.
- (c) The Planning Board shall hold a public hearing and shall render a decision on an application in accordance with the provisions of M.G.L. c. 40A, ss. 9 and 11. Approval of a Residential Compound Special Permit shall be granted by the Planning Board only upon determination that the plan is in harmony with the general purpose of this section of the Zoning By-Law and that it is designed in such a manner as to make it sufficiently advantageous for the Town of Walpole to depart from the requirements of this By-Law other-

ARTICLE 2. To hear and act on the report of any committee or to choose any committee the town may think proper and transact any other business that may legally come before the Town.

(Petition of the Board of Selectmen)

ARTICLE 3: To see if the Town will vote to amend its Zoning By-Law by adding the following new section:

SECTION 12. RESIDENTIAL COMPOUND

12-A Purpose

This section of the Zoning By-Law is adopted for the following purposes:

- (1) To provide for limited residential development within large tracts of land in a manner which minimizes Town maintenance responsibility and cost, while simultaneously preserving the existing character of the Rural and Residence A Districts of the Town.
- (2) To minimize construction in or near environmentally sensitive areas.
- (3) To provide for the private conservation of undeveloped tracts of land or fragile natural resource areas for the purpose of open space preservation by permitting limited residential building on such tracts of land.

12-B Applicability and Requirements

- (a) A Residential Compound shall be permitted in the Residence A and Rural Districts only upon issuance of a Special Permit by the Planning Board in accordance with the provisions of M.G.L. c. 40A, s. 9, s. 8-B of this Zoning By-Law, and the Town of Walpole Planning Board's Rules and Regulations Governing the Issuance of Certain Special Permits, in conjunction with an approved definitive subdivision plan.
- (b) A Residential Compound shall be considered a type of subdivision, and shall be for the development of no more than five (5) single-family detached dwellings. The right of way providing access (hereafter referred to as "access way") to each of the lots and the paved way within it may be laid out and built to less exacting standards than the layout and paved way of a conventional subdivision, provided that the Planning Board finds that the terrain, soil conditions, and underlying geology are suitable for development with such less thorough engineering and such reduced standards of construction, and that

wavers of strict compliance with the Town of Walpole Planning Board's Rules and Regulations Governing the Subdivision of Land be granted in accordance with M.G.L. c. 41, s. 81-R.

- (c) A Residential Compound shall be permitted on tracts of land under single ownership having a minimum frontage on an existing public way of forty-six (46) feet, and an area equal to or exceeding six (6) acres in the Residence A District and seven and one-half (7½) acres in the Rural District, provided that where any lot within the Residential Compound is located in whole or in part within the Water Resource Protection Overlay District, the area of the tract must equal or exceed fifteen (15) acres unless each of the proposed dwellings within the Residential Compound be connected to the public sewer system.
- (d) By virtue of the Special Permit, minimum frontage for lots within a Residential Compound shall be reduced to fifty (50) feet, and the provisions of s. 4-B of the Zoning By-Law with respect to lot width (80% circle) shall not apply. All other dimensional requirements of Walpole's Zoning By-Law shall apply to lots within a Residential Compound.

12-C Restrictions

- (a) No land within a Residential Compound for which a Special Permit has been issued under this section shall be further subdivided, and a notation to this effect shall be inscribed upon the definitive plan.
- (b) The access way and paved way within it shall permanently remain a private way, and the Town shall not be requested to accept or maintain the access way, drainage system, or other improvements within the Residential Compound, and a note to this effect shall be inscribed upon the definitive plan.
- (c) The access way shall be restricted to the exclusive use of the owners of the lots within the Residential Compound. In no event shall the access way be extended or in any manner incorporated into a street system to serve other lots or uses.
- (d) There shall be no common driveways within a Residential Compound.
- (e) Any land within a Residential Compound not designated as a building lot or access way shall be designated as permanent open space. Such

wise applicable to the residential districts in which the Residential Compound is to be located.

- (d) The approval by the Planning Board of a Special Permit under this section of the Zoning By-Law shall not substitute for compliance with the Subdivision Control Law nor oblige the Planning Board to approve a related Definitive Plan for subdivision, nor reduce any time periods for Planning Board consideration under that law. A Definitive Plan designed under an approved Special Permit for a Residential Compound shall be in substantial conformity with all plans under which such approval was based.
- (e) The Planning Board shall, insofar as practical under law, adopt regulations establishing procedures for the submission and approval of a Residential Compound Special Permit application.

(Petition of the Planning Board)

ARTICLE 4. To see if the Town will vote to amend its Zoning By-Law by amending the following sections in order to make the by-law consistent with recently adopted amendments establishing permit-granting authority for the Planning Board:

- (1) Add the following sentence at the end of Section 8-A:
 - "Notwithstanding the above, the Planning Board shall be the permit-granting authority under the provisions of s. 3-1 (Common Driveways), s. 11 (Open Space Residential Development), and s. 12 (Residential Compound)."

- (2) In s. 8-B add the words "and the Planning Board" . . . after the words "Zoning Board of Appeals" . . . in the first sentence, and change both references to the word "Board" to the plural, "Boards" . . . , in the second sentence.
- (3) Delete the first sentence of the second paragraph of s. 8-D, and substitute with the following:

"In case of an appeal made to the Zoning Board of Appeals, a petition for a variance, and an application for a Special Permit to the Zoning Board of Appeals or the Planning Board, as the case may be, a Public Hearing shall be held thereon."

- (4) Delete the words ". . . to the Board . . ." in the last sentence of the second paragraph of s. 8-B.
- (5) In the first sentence of s. 8-E, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".
- (6) In the third sentence of the first paragraph of s. 9-A, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".
- (7) In the fourth paragraph of s. 9-A, add the words ". . . or the Planning Board, as the case may be, . . ." after the words ". . . Zoning Board of Appeals . . .".

(Petition of the Planning Board)

ARTICLE 5. To see if the Town will vote to amend its Zoning By-Laws by adopting the following new Section 3-B-(1)-s:

- (s) Restroom and storage facilities, and/or concession stand to be operated by a governmental or non-profit agency, accessory to a permitted recreational use.

Allow the use as "SP1" (Special Permit – Type 1) in all districts.

(Petition of the Board of Selectmen)

ARTICLE 6. To see if the Town will vote to amend the Walpole Home Rule Charter, Section 3-2, Board of Selectmen, by adding the following (B)(9) and (B)(10):

(B)(9) Power to sell Town-owned property. The Selectmen shall have the authority to sell any and all property now owned by the Town, or to be acquired, as a right of foreclosing rights of redemption in said property consistent with applicable provisions of any general or special law.

(B)(10) Power to dispose of or sell certain used furniture and equipment owned by the Town. The Selectmen shall have the authority to sell or otherwise dispose of certain used furniture and equipment owned by the Town consistent with applicable provisions of any general or special law.

or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 7. To see if the Town will vote to sell a parcel of Town-owned land described as Assessors Parcel E933 totalling 11,834 square feet +/- off Norfolk Street or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 8. To see if the Town will vote to amend its By-Laws Article III Financial Affairs to conform with the Commonwealth of Massachusetts General Laws Chapter 30B, Uniform Procurement Act by:

Deleting Sections 7 and 8 in its entirety and substituting with a new Section 7 as follows:

Unless otherwise provided by a vote of Town Meeting, the Town Administrator, subject to final approval of the Board of Selectmen is authorized to enter into any contract for the exercise of the Town's corporate powers, on such term and conditions as are deemed appropriate. Notwithstanding the foregoing, the Town Administrator shall execute all contracts on behalf of the Town.

New Section 8 as follows:

- (a) When the estimated amount of a proposal expenditure for professional services not subject to G.L. c30B exceeds four thousand dollars (\$4,000), proposals shall be called for in the manner provided by this section, except for professional services specifically exempted by vote of the Board of Selectmen. Such proposal shall be advertised in a local newspaper, such publication to be at least seven (7) days before the opening of bids. The advertisement shall require such proposals to be sealed and properly designated and shall announce the place, day and hour at which they shall be opened. They shall be publicly opened in the presence of the board, committee or officer or a duly authorized agent of the board, committee or officer authorized by the Town to make the contract. No bids shall be received after the time advertised for the opening. As far as practicable, expenditures for professional services for less than four thousand dollars (\$4,000) shall be awarded in such manner as to secure reasonable competition.
- (b) In addition to the requirements of G.L. C. 30B, any expenditure in excess of four thousand dollars (\$4,000) shall be accompanied by a suitable bond for performance of the same, or by the deposit of money or security to the amount of such bond, whenever in the opinion of the awarding authority it is deemed necessary.

or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 9. To see if the Town will vote to amend its By-Laws by adding a new Section 4 as follows:

- a. Pursuant to the authority of General Laws Chapter 40, Section 21D to which reference is made for any procedural matters not specified herein, any Enforcing Person as defined herein taking cognizance of a violation of a specific Town By-Law or rule or regulation of the Board of Health which he or she is empowered to enforce may as an alternative to initiating criminal proceedings give the offender a written notice to appear before the clerk of the district court having jurisdiction thereof at any time during office hours, not later than twenty-one (21) days after the date of such notice. Such notice shall be in triplicate and shall contain the name and address, if known, of the offender, the specific offense charged, and the time and place for his required appearance. Such notice shall be signed by the Enforcing Person, and shall be signed by the offender whenever practicable in acknowledgement that such notice has been received.
- b. The Enforcing Person shall, if possible, deliver to the offender a copy of said notice at the time and place of the violation. If it is not possible to so deliver a copy of said notice, said copy shall be mailed or delivered by the Enforcing Person, or by his or her commanding officer or the head of his or her department or by any person authorized by such commanding officer, department or head to the offender's last known address, within fifteen (15) days after said violation. A certificate shall be made by the person so mailing such notice that it has been mailed in accordance with this by-law and General Laws Chapter 40, Section 21D.
- c. Any person notified to appear before the clerk of a district court as hereinbefore provided may so appear and confess the offense charged, either personally or through a duly authorized agent or by mailing to such clerk with the notice such specific sum of money not exceeding three hundred (\$300.00) dollars as the Town shall fix as penalty for violation of the By-Law, rule or regulation. Such payment shall, if mailed, be made only by postal note, moneyorder or check. The payment to the clerk of such sum shall operate as a final disposition of the case.

d. If any person so notified to appear desires to contest the violation alleged in the notice to appear and also to avail himself of the procedure established pursuant to this section or General Laws Chapter 40, Section 21D, he may, within twenty-one (21) days after the date of the notice, request a hearing in writing. Such hearing shall be held before a district court judge, clerk, or assistant clerk, as the court shall direct, and if the judge, clerk, or assistant clerk shall, after hearing, find that the violation occurred and that it was committed by the person so notified to appear, the person so notified shall be permitted to dispose of the case by paying the specific sum of money fixed as a penalty as aforesaid or such lesser amount as the judge, clerk, or assistant clerk shall order, which payment shall operate as a final disposition of the case. If the judge, clerk, or assistant clerk shall, after hearing, find that the violation alleged did not occur or was not committed by the person notified to appear, that finding shall be entered in the docket, which shall operate as a final disposition of the case.

- (e) For purposes of this By-Law, "Enforcing Person" shall mean, any police officer of the Town, the Health Agent or his or her designee.

or do or act anything in relation thereto.

(Petition of the Board of Health)

ARTICLE 10. To see if the Town will vote to amend its By-Laws, Section X, Health By-Laws, by adding a new section 1(d) as follows:

- (d) Failure to comply with this By-Law is a violation and the property owner shall be fined in the amount of \$50.00 for each violation. Each day on which any violation exists shall be deemed to be a separate violation, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 11. To see if the Town will vote to amend its By-Laws, Section X, Health By-Laws, by adding a new Section 5 as follows:

Groundfeeding of pigeons, blackbirds, geese, or any other species of bird or animal whereby such birds or animals roost or linger on the property or buildings of others including all land public or private in the Town of Walpole, poses a health hazard, in addition to offending aesthetic senses, by the threatened spread of disease. Such groundfeeding is declared to be a public nuisance and any person

found groundfeeding in violation of this By-Law shall be fined in the amount of \$50.00 for each such violation. Each day on which any violation exists shall be deemed to be a separate offense, or do or act anything in relation thereto.

(Petition of the Board of Health)

ARTICLE 12. To see if the Town will vote to appropriate, borrow, or transfer a sum of money to fully fund the 4% non-union salary increases approved at the Spring 1990 Annual Town Meeting, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 13. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to retain an architect to prepare plans and specifications for additional elementary classroom space, or do or act anything in relation thereto.

(Petition of the School Committee)

ARTICLE 14. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to upgrade the Town's mainframe computer through a lease/purchase agreement, or do or act anything in relation thereto.

(Petition of the Computer Study Committee)

ARTICLE 15. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to purchase a computer hardware/software appraisal package for the Board of Assessors Office, or do or act anything in relation thereto.

(Petition of the Computer Study Committee)

ARTICLE 16. To see if the Town will vote to appropriate, borrow and/or transfer a sum of money to engage an appraisal firm to update all real and personal property for Fiscal Year 1992, in accordance with Chapter 419 of the Acts of 1982.

(Petition of the Board of Assessors)

ARTICLE 17. To see if the Town will accept the provisions of M.G.L., Chapter 148, Section 271, Automatic Sprinklers in Residential Occupancies, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 18. To see if the Town will vote to appropriate, borrow, and/or transfer a supplemental sum of money for the FY91 Fire Department operating budget, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 19. To see if the Town will vote to appropriate, borrow and/or transfer a supplemental sum of money for the FY91 Fire Department operating budget, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 20. To see if the Town will vote to transfer a sum of money from the Ambulance Fund in order to purchase two automatic defibrillator machines for the EMS/Ambulance Service, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 21. To see if the Town will vote to accept as a gift, purchase, or take by eminent domain permanent and temporary utility easements on parcels of land, designated by assessor's parcels numbers D740-3-3, D740-3-1-B, D740-3-1, D740-4-A, D742-4, D742-2, D742-1, D741-4, D741-4-A, D741-1-B and D741-1-A for storm drain construction, or do or act anything in relation thereto.

(Petition of the Board of Selectmen)

ARTICLE 22. To see if the Town will vote to appropriate, borrow, and/or transfer a sum of money to construct a water storage tank and appurtenances for the central system, or do or act anything in relation thereto.

(Petition of the Sewer and Water Commissioners)

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen to accept as a gift, purchase, or take by eminent domain permanent and temporary utility easements on parcels of land designated by assessor's parcels numbers D1053-28, D1053-29, D1023-17, D1023-18, D1021-E, D1021-F-1, D1021-F-2, D1021-G, D1021-A, D1021-B, D1021-C, D1021-D for water main improvements, or do or act anything in relation thereto.

(Petition of the Sewer and Water Commissioners)

ARTICLE 24. To see if the Town will vote to accept an equal education opportunity grant for Fiscal Year 1991 in the amount of \$101,062, under the provisions of Massachusetts General Laws, Chapter 70A, Section 5 as inserted by Chapter 188 of the Acts of 1985. Said grant shall be expended by the Tri-County Regional School District Committee for direct service expenditures.

(Petition of the Tri-County Regional School Committee)

ARTICLE 25. To see if the Town will vote to accept Jorie Lane from its beginning at Station 1+45.47 to its terminus at Station 8+95.47, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

ARTICLE 26. To see if the Town will vote to accept Old Town Road from its beginning at Station 0+00 to its terminus at Station 7+94, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

ARTICLE 27. To see if the Town will vote to accept Lorraine Road from its beginning at Station 0+00 to its terminus at Station 7+95, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

ARTICLE 28. To see if the Town will vote to accept Nightingale Farm Road from its beginning at Station 0+00 to its terminus at Station 1+83.96, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

ARTICLE 29. To see if the Town will vote to accept Harrison Avenue from its beginning at Station 0+00 to its terminus at Station 9+68.50, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

ARTICLE 30. To see if the Town will vote to accept Butch Songin Circle from its beginning at Station 0+00 to its terminus at Station 16+67.16, including any easements and utilities appurtenant thereto.

(Petition of the Planning Board)

**SPECIAL TOWN MEETING WARRANT
TOWN OF WALPOLE
COMMONWEALTH OF MASSACHUSETTS**

Norfolk, ss.

To any Constable in the Town of Walpole,

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify the inhabitants of the Town of Walpole, qualified to vote in the elections and town affairs, to meet in the Auditorium of the Eleanor N. Johnson Middle School Building in said Walpole on the

**FOURTH MONDAY IN SEPTEMBER, 1990,
IT BEING THE TWENTY-FOURTH DAY
OF SAID MONTH, AT 7:30 P.M.**

in accordance with the Charter of the Town, then and there to see if the Town will vote to amend the By-Laws and Zoning By-Laws of said Town, and to act on the following article:

ARTICLE 1. To see if the Town will vote to rescind or transfer from available funds, all or a portion of Article 2 of the Special Town Meeting held on June 18, 1990, relating to salaries and expenses of the Town for the fiscal year that began July 1, 1990, or take any other action in relation thereto.

(Petition of the Board of Selectmen)

And you are hereby directed to serve this warrant by posting attested copies thereof in at least two public places in each precinct in said town not less than fourteen days before the day appointed for said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk before the day set for said meeting.

Given under our hands and the seal of the Town this Twenty-first day of August, in the year one thousand nine hundred and ninety.

William T. Hamilton
Joanne F. Damish
Joseph P. Germano, Jr.
William J. Maloney, Jr.
BOARD OF SELECTMEN

A true copy;
Attest: Armando J. Betro
Constable

By virtue of the within warrant I have notified the inhabitants of the Town of Walpole qualified to vote in elections and town affairs, to meet at the time and place for the purpose mentioned in said warrant by posting attested copies thereof in at least two public places in each precinct of said town not less than fourteen days before the day appointed for said meeting.

Armando J. Betro
Constable of Walpole

Date Posted: September 6, 1990

COMMONWEALTH OF MASSACHUSETTS

**TOWN OF WALPOLE
SPECIAL TOWN MEETING
SEPTEMBER 24, 1990**

Pursuant to the Warrant of September 24, 1990, the Special Town Meeting was called to order at 7:30 P.M. in the Eleanor N. Johnson Middle School Auditorium by Moderator Bernard J. Duffy, Jr. All rules and regulations concerning the call of a Special Town Meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag, led by Representative Town Meeting Member Robert I. Stewart.

A RESOLUTION

We, each and everyone of us gathered here tonight at this, the greatest single unit of our government, are fully aware of the tremendous and awesome responsibilities that face us a Nation, relative to our stand in the Middle East area of the world.

1) to thwart the attempt of one man, Saddam Hussein, and to prevent his ungoverned, expansionist aims, not unlike the German carpenter who some 50 years ago attempted a similar movement against mankind;

AND

2) to prevent our lifeline of oil from falling hostage to the hands of men as Saddam Hussein, who would drastically reverse our mode of life and affect drastically our existence as an Industrial Nation.

Therefore, let it be resolved that this Town Meeting at Walpole, Massachusetts, offer unto the President and the Congress of these United States, our undivided support during this present crisis, also supported by many other nations, in order to halt any further aggression by Iraq.

Let it be further resolved, that we offer our own concrete involvement at this the grass roots level of America, by an earnest attempt to conserve energy in our homes and on our highways, and let it begin by you and me, in order that we may reduce our dependency on foreign import.

Concluding, none of us can forecast, under the present circumstances, the events of tomorrow, however let each of us, in the privacy of our individual hearts, offer ourselves in prayerful spirit, that reason among men will ultimately prevail.

Be it moved as well that a copy of this resolution be forwarded to the President and to the Congress.

/s/ Robert I. Stewart
RTM Member
Precinct 7

RESOLUTION WAS: SO VOTED UNANIMOUS

Town Clerk, Louis E. Hoegler, attested to proper return of the Warrant.

It was Moved, Seconded and VOTED:

To waive the reading of the Warrant.

It was Moved, Seconded and VOTED:

That all motions of the Finance Committee be the Main Motion.

TELLERS: Janice A. Young, Ronald A. Fucile, Joseph M. Denneen, and E. John Ferrara.

ARTICLE 1

On Motion of the Finance Committee,
It was Moved and Seconded:

That the Town rescind a portion of its vote on ARTICLE 2 of the Special Town Meeting dated June 18, 1990 by reducing the following budgets by the following amounts:

Budget No.	Name	Amount
2	Town Administration — Expenses	50
5	Personnel Board — Expenses	80
6	Board of Assessors — Salaries	3,000
18	Board of Registrars — Salaries	4,000
19	School Department — Salaries	84,863
	School Department — Expenses	31,137
21	Police Department — Salaries	5,000
	Police Department — Expenses	30,000
22	Fire Department — Salaries	21,250

On Substitute Motion of Joseph C. Moraski,
Seconded by Ernest A. Manocchio, Jr.:

It was Moved that \$21,250 be restored to Budget #22 (Fire Department Salaries)

Substitute Motion was: **DEFEATED**

Finance Committee Motion was: **SO VOTED**

Budget No.	Name	Amount
24	Building Inspector — Salaries	4,470
29	DPW Admin. — Expenses	50
30	Highway Department — Salaries	25,000
31	DPW Maintenance — Salaries	500
	DPW Maintenance — Expenses	500
32	Building Maintenance — Salaries	2,500
	Building Maintenance — Expenses	29,000
33	Engineering Dept. — Expenses	600
36	Sewer Department — Expenses	100,190
37	Parks/Recrea. & Cem. — Salaries	10,000
	Parks/Recrea. & Cem. — Expenses	5,500
43	Library — Expenses	3,500
47	Insurance Budget — Expenses	51,093

412,783

MOTION WAS: SO VOTED

There being no further business to come before this Special Town Meeting, it was Moved and Seconded that this meeting be dissolved.

SO VOTED: UNANIMOUS

The Moderator so declared at 9:45 P.M.

Louis E. Hoegler
Town Clerk
